

Christchurch City Council

Hagley-Ferrymead Ward

Electing 2 Councillors

Rod CAMERON

Independent

My principal place of residence is not in the Hagley-Ferrymead Ward area.

I am also standing for the Hagley/Ferrymead Community Board, Burwood/Pegasus Community Board and the Spreydon/Heathcote Community Board.

Having had 6 years previous Community Board experience (2001 & 2007 elections) I believe I have sufficient knowledge to prepare me for the step up to Councillor.

Experience really does count.

There are many issues within the ward that need to be addressed in the earthquake recovery process. Hard decisions will need to be made. I am well prepared for that.

For progress to be made, we need transparent, common-sense decision-making along with careful consideration, but without unnecessary bureaucratic procrastination slowing the process.

Whilst not presently living in the ward I have owned property and owned/operated a business there so know the area well.

A straight-forward, no-nonsense approach should always achieve satisfactory outcomes.

For further information on my background please refer to the Community Board Section of this booklet.

Alternatively, please feel free to phone me for my views on any issue.
