

Christchurch City Council Burwood-Pegasus Community Board Electing 5 Board Members

Sam PARK

Independent

My principal place of residence is in the Burwood-Pegasus Community Board area.

Thanks for your votes at Year 2010 Councillor Election, when I worked at Gas New

Brighton-Bexley. I am running as a candidate community board of the Burwood/Pegasus Ward, Christchurch

against.

Our area is supplied with nature's stunning beauties such as the wide plains, views of the endless ocean, hills arranged under the unreachably high sky, the beautiful Avon River that joins the sea and most importantly a District of beautiful gardens cared by good people and we are working and living here for the quality of our future life.

My freshness has helped me paint many pictures on the Christchurch City canvas.

Serious earthquake victims has been tested me included you. We are not crying any more and changing our life style to strong recovery mode. That's why I need your Approval Vote to solving our serious major controversial issues.

Let's make our Burwood/Pegasus Ward community board happy all together!
