

Christchurch City Council Hagley-Ferrymead Community Board Electing 5 Board Members

Sara TEMPLETON

My principal place of residence is in the Hagley-Ferrymead Community Board area.

I believe that communities are our city's real heart. If elected I will advocate strongly for local community facilities, more funding for grassroots community groups and safe and sustainable transport options.

In 2011 I sold my small business to concentrate on local earthquake recovery and my young family. I am Chair of the Heathcote Valley Community Association, a founding member of the Heathcote Village Garden and a JP. I have instigated a community orchard on Council reserve land, organised a successful protest to save a local community facility and in 2012 I was honoured to receive a Christchurch Earthquake Award for service to the community.

Community Boards need people with energy and a passion for community, who are experienced leaders, good listeners and are able to advocate strongly and effectively for their ward. I am one of those people and I need your vote to do this work.
