

# Christchurch City Council Burwood-Pegasus Community Board Electing 5 Board Members

---

## Tim SINTES

Independent

*My principal place of residence is in the Burwood-Pegasus Community Board area.*

As a current member and previous Vice Chairman of the Burwood/Pegasus Community Board, I have the experience and local knowledge to truly represent the people of this electorate.

I am an avid campaigner for the New Brighton Waterpark which will provide the Eastern suburbs with a much needed swimming facility while making New Brighton into the destination it deserves to be.

Some of my contributions to the community are: Recipient of Royal Humane Society Award (balloon rescue off Waimairi Beach); Chairman of the New Brighton Pier Liaison Committee; Recipient of the Community Services Award; Honorary Lions member; Honorary Park Ranger/ Pier Warden; Member and previous Vice-President of the Pier and Foreshore Society.

Over the past six years I have diligently represented our community and like to be known as someone who gets things done.

We have one chance to get it right so please make your vote count.
