

Christchurch City Council
Wairewa Subdivision of the Akaroa-Wairewa
Community Board
Electing 2 Board Members

Tori PEDEN

My principal place of residence is in the Wairewa Subdivision of the Akaroa-Wairewa Community Board area.

My name is Tori Peden. I am standing for the Community board because I am keen to be more involved in what is happening and how the decisions are made regarding

our community.

Over the last year I have been helping my husband set up our automotive business in Little River, prior to this I worked in the building industry, as a sales engineer for a ventilation company. I enjoyed using my technical skills to help solve customers' problems. I developed a keen interest in learning more about building code regulations and how and why they are formed.

I have been the local Brownie and Girl Guide leader for 5 years and I am also a parent and member of the local Playcentre and Toy Library. I enjoy working with the community in many areas and have passion for making the Wairewa area a fantastic place to live.
