

Christchurch City Council Spreydon-Heathcote Community Board Electing 5 Board Members

Tubby HANSEN

The Bus Bug

My principal place of residence is in the Spreydon-Heathcote Community Board area.

I am also standing for Mayor and the Canterbury District Health Board.

Labour's 2001 legislation I am not allowed to criticise the existing community board, this is not democratic and should be repealed.

There are still no public toilets or sufficient bus shelters both ways at Beckenham, Cracroft, McCarthy St, Addington Railway ent, St Martins, Burnside end of 120 Bus route, nor has violence taken place on the south side of Athelston St at Barrington -young mothers with prams and old folk like myself have to wait in the rain, if you wait opposite and the bus and a row of cars come, you may miss the bus because of the traffic, the Lawyer's fence has been completed some time now, and there is no excuse for the continuing delay. I am opposed to any further fun days at Barrington Park until shelters are built on Athelstan St, (at Everard Street) and Whiteleigh Av (both sides).

Put the shelter at Everade street.
