

Christchurch City Council

Electing the Mayor

Victor CATTERMOLE

Independent

My principal place of residence is in the Christchurch City Council area.

I am also standing for the Burwood/Pegasus Ward.

I was born in Christchurch 1963, handpicked by my adoptive parents, raised and educated in Christchurch. I am a solo dad with two adult sons and a two year old

daughter.

I have served the community through the arts with 10 years of experience in the New Zealand and Australasian champion brass band Skellerup Woolston, and as principal percussionist for the Christchurch Symphony Orchestra, the NZ Airforce band and a long list of other diverse musical groups.

I have thirty years of local and international business experience in commercial and residential property development as well as investment, finance, corporate governance, risk management and compliance.

I returned to Christchurch in 2010 to support my father. I established an advocacy group for residential home owners soon after the February earthquake.

My vision for Christchurch City Council is to transform it from a bureaucratic entity into a streamlined corporate, socially responsible, management board.
