

Application for a project information memorandum and/or building consent

Section 33 or Section 45, Building Act 2004, Building (Forms) Regulations 2004 – Form 2

IMPORTANT NOTE: Applications for a new building consent and/or project information memorandum submitted through the Online Services portal at onlineservices.ccc.govt.nz do not need to complete this application form. The application details are entered while submitting your application. This form is only used for those wishing to submit their application in hard copy, or to make an application for an amendment to a granted building consent.

General Information:

- Please check on our website (ccc.govt.nz/building-consent-forms-and-guides) that you are using the current form at the time of application as forms are subject to change without notice.
- General information can be found on our website at ccc.govt.nz/goahead. For general enquiries please phone (03) 941 8999 or email info@ccc.govt.nz. Refer to the current fees and charges on our website at ccc.govt.nz/fees-building-control. Note, when applying for a building consent the costs/charges will vary depending on the time a building consent officer spends processing your consent.
- Christchurch City Council reserves the right, from time to time, to contact customers in regard to the services provided.
- **PRIVACY INFORMATION:** If you would like to request access to, or correction of, your details, please contact the Council.

Complete this form and submit via the following methods:

- **An application in hard copy:** (*additional costs apply*)
 - **Post to:** Building Consenting, PO Box 73013, Christchurch 8154.
 - **Hand delivered to:** Civic Offices, 53 Hereford Street, Christchurch Central or any Council service desk (ccc.govt.nz/contact-us).
- **An application for an amendment to a granted building consent:**

National Multiple Use Approval?

No Yes

If yes, provide copies of MultiProof certificate, plans and specifications

National Multiple Use Approval number:

Staged building work

For stage 1: A proposal to stage building consent applications for building work to construct or alter a building is required to be approved by Council prior to lodging the application for a building consent for the first stage. If there is no evidence of approval, the application for the first stage cannot be accepted (visit our website ccc.govt.nz/staged-building-consents/ for more guidance).

Staged building consent:

(If yes, provide copies of MultiProof certificate, plans and specifications)

No Yes

Stage of

Write building consent numbers of previous stages:

For stage 2+: Have you made any changes to the building work that has been approved under a previous stage?

No Yes

- If yes, please list details of the changes (and highlight these changes in the attached plans and specifications):

I / we understand that the fees charged at lodgement are a deposit only, and that the Council will charge me / us for all costs actually and reasonably incurred in processing this application. These will be paid before the consent is issued and the building work started. All development contributions charges (where applicable) will be billed to the owner(s) as shown on page two.

All of the included information on this form is, to the best of my knowledge, true and correct. I understand that all plans, documentation and reports submitted as part of an application are required to be kept available for public record, therefore the public (including business organisations and other units of the Council) may view this application, once submitted. Please also note that for any refund due, the refund will be credited to the "deserving party" who may not have been the original "payee".

I / we understand that no work is to commence until the building consent is issued.

If you are signing this application on behalf of a company/trust/other entity (the applicant), you are declaring that you are duly authorised to sign on behalf of the applicant to make such an application.

By signing this application, you are accepting responsibility to pay all actual and reasonable costs incurred by the Christchurch City Council. Where an invoiced amount has not been paid by the invoice due date, the Council may commence debt recovery action. The Council reserves the right to charge interest, payable from the date the debt became due, and recover costs incurred in pursuing recovery of the debt.

Appendix

A. Additional Information

(i) Certificate for public use (section 363 Building Act) (Commercial application only)

For existing buildings where the public will continue to use the premises affected by building work while a building consent has been granted for the work will need to apply for a certificate for public use.

Will you be applying for a certificate for public use to allow public use of the premises affected by the building work? If yes, refer to our webpage (ccc.govt.nz/certificate-for-public-use/) on how to apply for a certificate for public use.

No Yes

(ii) Earthquake related work

Is this application earthquake related?

No Yes

- If yes, is it coordinated by an insurance company via a project management organisation (PMO), e.g. Arrow, Fletchers, etc?
- Name of PMO:

No Yes

Does the work involve earthquake structural strengthening work? (Applicable only for residential buildings with 2 or more stories and containing 3 or more household units; and commercial applications)

Provide the proposed gross floor area (m²) and land use(s)

Existing impervious surface area (m²), including the area of roofs and hard surfaces

Proposed impervious surface area (m²), including the area of roofs and hard surfaces

C. Effects on existing council infrastructures and street scenes

A separate application is required for requests to alter Council's existing infrastructural assets; removal, trimming or planting of street trees, or alteration to any built structures or vegetation plots. Approval is required to use part of legal road for construction activities.

Council is responsible for managing all works on roads. Roads include unformed roads, service lanes, pedestrian walkways and alleyways. Temporary Traffic Management must be provided for all work occurred on legal roads. For further information refer to ccc.govt.nz or call (03) 941 8999 and discuss with an Asset Protection Officer.

It is highly unlikely that private requests will be identified in the Council's Long Term Council Community Plan; for this reason, the applicant will have to fund the cost of the work. The costs may include consultations with stakeholders, together with Board or Council's decision-making process if required. Other Council charges may apply, e.g. vehicle crossing inspection.

(a) Does this property require a new water connection?

- **If yes commercial** - please make a separate application on form [WS1](#) for all commercial water connections and email to water.connections@ccc.govt.nz. Application to be made at time connection is required but no later than 3 months before
- **If yes residential** - please complete the sections below

- No
 Yes - Commercial
