**DECISION OF THE CHRISTCHURCH DISTRICT LICENSING
COMMITTEE**

Chairman Mr R J Wilson
Members Mr A J Lawn
Mr P Rogers

This is an application by Satya Enterprises Ltd for a Temporary Authority for premises known as Merchants Liquor Lincoln Road situated at 291 Lincoln Road, Christchurch. The general nature of the premises is that of a bottle store. The application comes about because the business has changed hands. The applicant has tenure and proof of purchase has been supplied. This is the second application for a Temporary Authority but we are assured that the substantive licence application will be before the Committee shortly.

No matters have been raised in opposition by the Licensing Inspector or the NZ Police.

Accordingly we deal with the matter on the papers.

The granting of a Temporary Authority is governed by s136 of the Act which outlines the criteria for the making of an order authorizing the applicant to carry on the sale and supply of alcohol for a period not exceeding three months. We are satisfied that the applicant fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months or until such time as the substantive application is determined.

The applicant's attention is drawn to s136(5) of the Act where it states that they carry "the same duties, obligations and liabilities as the holder of the on-licence" and also to s110(2)(c) that "drinking water is to be freely available to customers while the premises are open for business."

DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

DECISION 'ON THE PAPERS'

This application relates to the holding of an event on Saturday 25 February 2017.

The event is a wine trail for lunch and return and it is expected to be attended by approximately 40 people

A waiver of the requirement to have a qualified manager to oversee the sale and supply of alcohol is sought. This is granted.

The responsible person will be Mark Turner.

The Inspector has reported favourably in regard to the application.

No matters have been raised in opposition in any reports as required by section 141(1), accordingly I deal with the matter on the papers.

The "Party Bus" concept has been fraught with problems in the past and I have some reservations about granting a licence. The applicant applies for a number of licences, albeit they are usually for out of town wine trails and the like, and there have been no issues reported. The applicant should be aware that any issues that arise may influence the committee in any future applications.

I am satisfied as to the matters to which I must have regard as set out in s.142 of the Act and I grant the applicant a special licence pursuant to s.104 (1).

The licence will not issue until all relevant clearances have been obtained. The applicant is not entitled to sell alcohol until the licence issues. Unlicensed sales can result in imprisonment for up to three months or a fine of \$40,000 (sec 233 (a) and (b) of the Act).

The applicant's attention is drawn to s.259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under this Act. Specifically sections 46 to 63.

The applicant must comply with all conditions specified on a licence.

The licence will be subject to the following conditions:-

Compulsory conditions- section 147(3)

Alcohol will only be sold on the following day and times.

Saturday 25th February 2017 from 11.00am to 3.15pm the same day.

Signage must be displayed stating (directly or by description) a place or places on the premises at which drinking water is freely available to customers while the event described is taking place.

Discretionary conditions – section 147(1)

- (a) The licence holder must display appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.
- (b) Food must be available for consumption on the premises as specified in the application.
- (c) Low-alcohol beverages must be available for sale and supply on the premises as specified in the application.
- (d) Non-alcohol beverages must be available for sale and supply on the premises as specified in the application.
- (e) The licensee must provide assistance with or information about alternative forms of transport from the premises as specified in the application.

- (g) A copy of the licence together with signs showing the age restriction must be clearly displayed.

- (i) No alcohol is to be sold, supplied or consumed on the conveyance on the return journey.
- (j) The driver may at any time prohibit the consumption of alcohol at his/her discretion.

The licence is also subject to the following conditions, which in the committee's opinion are not inconsistent with the Act:

Noise should be controlled so as not to disturb neighbouring residents.

The entire bus is designated as a Restricted Area.

DECISION 'ON THE PAPERS'

- [1] This application relates to the holding of an event on Saturday 18 March 2017.
- [2] The event is a Hen's trip wine trail and it is expected to be attended by approximately 20 people. One of the winery's will provide lunch to those attending the event.

- [5] The Inspector has reported favourably in regard to the application.
- [6] No matters have been raised in opposition in any reports as required by section 141(1), accordingly I deal with the matter on the papers.
- [7] The "Party Bus" concept has been fraught with problems in the past and I have some reservations about granting a licence. The applicant applies for a number of licences, albeit they are usually for out of town wine trails and the like, and there have been no issues reported. The applicant should be aware that any issues that arise may influence the committee in any future applications.
- [8] I am satisfied as to the matters to which I must have regard as set out in s.142 of the Act and I grant the applicant a special licence pursuant to s.104 (1).

[12]The licence will be subject to the following conditions:-

Compulsory conditions- section 147(3)

DECISION 'ON THE PAPERS'

This application relates to the holding of an event on Saturday 25th February 2017.

The event is Bridal Shower wine trail and it is expected to be attended by approximately 30 people.

A waiver of the requirement to have a qualified manager to oversee the sale and supply of alcohol is sought. This is granted.

The responsible person will be Katie Carey.

The Inspector has reported favourably in regard to the application.

No matters have been raised in opposition in any reports as required by section 141(1), accordingly I deal with the matter on the papers.

The "Party Bus" concept has been fraught with problems in the past and I have some reservations about granting a licence. The applicant applies for a number of licences, albeit they are usually for out of town wine trails and the like, and there have been no issues reported. The applicant should be aware that any issues that arise may influence the committee in any future applications.

The licence will not issue until all relevant clearances have been obtained. The applicant is not entitled to sell alcohol until the licence issues. Unlicensed sales can result in imprisonment for up to three months or a fine of \$40,000 (sec 233 (a) and (b) of the Act).

IN THE MATTER of an application by
RNB 808 LTD
for a Temporary Authority
pursuant to s136 of
the Act in respect of premises
situated at 808 Main North Road,
Christchurch known as
808 Café, Bar & Restaurant.

DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairman Mr R J Wilson
Members Mr G Buchanan
Mr P Rogers

This is an application by RNB 808 Ltd for a Temporary Authority for premises known as 808 Café, Bar & Restaurant situated at 808 Main North Road, Christchurch. The general nature of the premises is that of a restaurant. The application comes about because the business has changed hands. The applicant has tenure and proof of purchase has been supplied. This is the second application for a Temporary Authority but a substantive licence application has been lodged.

No matters have been raised in opposition by the Licensing Inspector or the NZ Police. Accordingly we deal with the matter on the papers.

The granting of a Temporary Authority is governed by s136 of the Act which outlines the criteria for the making of an order authorizing the applicant to carry on the sale and supply of alcohol for a period not exceeding three months. We are satisfied that the applicant

fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months or until such time as the substantive application is determined.

The applicant's attention is drawn to s136(5) of the Act where it states that they carry "the same duties, obligations and liabilities as the holder of the on-licence" and also to s110(2)(c) that "drinking water is to be freely available to customers while the premises are open for business."

DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairman: Mr G B Buchanan

DECISION 'ON THE PAPERS'

- [1] This application relates to the holding of an event on Saturday 4 March 2017.
- [2] The event is the Canterbury Young Lawyers Wine Trail and it is expected to be attended by approximately 30 people. One of the wineries will provide lunch to those attending the event.
- [3] A waiver of the requirement to have a qualified manager to oversee the sale and supply of alcohol is sought. This is granted.
- [4] The responsible person will be the bus driver.
- [5] The Inspector has reported favourably in regard to the application.
- [6] No matters have been raised in opposition in any reports as required by section 141(1), accordingly I deal with the matter on the papers.
- [7] The "Party Bus" concept has been fraught with problems in the past and I have some reservations about granting a licence. The applicant applies for a number of licences, albeit they are usually for out of town wine trails and the like, and there have been no issues reported. The applicant should be aware that any issues that arise may influence the committee in any future applications.
- [8] I am satisfied as to the matters to which I must have regard as set out in s.142 of the Act and I grant the applicant a special licence pursuant to s.104 (1).
- [9] The licence will not issue until all relevant clearances have been obtained. The applicant is not entitled to sell alcohol until the licence issues. Unlicensed sales can result in imprisonment for up to three months or a fine of \$40,000 (sec 233 (a) and (b) of the Act).

[10]The applicant's attention is drawn to s.259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under this Act, specifically sections 46 to 63.

[11]The applicant must comply with all conditions specified on a licence.

[12]The licence will be subject to the following conditions:-

Compulsory conditions- section 147(3)

(a) Alcohol will only be sold on the following day and times.

Saturday 4th March 2017 from 10.45am to 2.30pm the same day.

(b) Signage must be displayed stating (directly or by description) a place or places on the premises at which drinking water is freely available to customers while the event described is taking place.

Discretionary conditions – section 147(1)

(a) The licence holder must display appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.

(b) Food must be available for consumption on the premises as specified in the application.

(c) Low-alcohol beverages must be available for sale and supply on the premises as specified in the application.

(d) Non-alcohol beverages must be available for sale and supply on the premises as specified in the application.

(e) The licensee must provide assistance with or information about alternative forms of transport from the premises as specified in the application.

(f) Entry is restricted to invited guests only.

(g) A copy of the licence together with signs showing the age restriction must be clearly displayed.

(h) Age variation of passengers must be presented before departure by way of appropriate identification.

(i) No alcohol is to be sold, supplied or consumed on the conveyance on the return journey.

(j) The driver may at any time prohibit the consumption of alcohol at his/her discretion.

The licence is also subject to the following conditions, which in the committee's opinion are not inconsistent with the Act:

Noise should be controlled so as not to disturb neighbouring residents.

The entire bus is designated as a Restricted Area.
