IN THE MATTER of **Asian
Garden Hospitality Limited**
and application pursuant to
s.136 of the Act for the granting
of a Temporary Authority relating
to the premises at **265 Halswell
Road, Christchurch** known as
White House Black.

**BEFORE THE CHRISTCHURCH CITY COUNCIL DISTRICT LICENSING
COMMITTEE**

Chairperson: Mr PR Rogers
Members: Messrs R Wilson and A Lawn

DECISION 'ON THE PAPERS'

- [1] This is an application by **Asian Garden Hospitality Limited** for a Temporary Authority for an On-licence made under section 136 of the Act in respect of premises known as **White House Black**, located at **265 Halswell Road, Christchurch**, and trading under On-licence number 060/ON/211/2015. The licence being current until 1 September 2018.
- [2] The granting of a Temporary Authority is governed by s.136 of The Act and outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding 3 months.
- [3] The Inspector's report confirms that the applicant has tenure for the premises.
- [4] There is no opposition from the Licensing Inspector or the Police.
- [5] The granting of Temporary Authorities is based on the premise that they are 'Temporary' and are a vehicle to allow the applicant time to apply for a permanent licence. The applicant should be aware that it is the opinion of this Committee that a substantive licence application should be submitted to the Committee within six weeks. If there are legitimate reasons for a delay then the time may be extended but the question of suitability could be raised if an application is not submitted in a timely fashion.

[6] We are satisfied as to the matters we must have regards to, as set out in section 136 of The Act. We therefore grant the Temporary Authority and it can be issued immediately for a 3 month period or until determined by the Christchurch District Licensing Committee.

[7] The applicant's attention is drawn to s.136(5) of the Act where it states that they carry "the same duties, obligations, and liabilities as the holder of the On-licence and also to s.110(2)(c) of the Act in relation to the condition of the licence that "drinking water is to be freely available to customers while the premises are open for business".

**DECISION 'ON THE PAPERS'
AS TO AN APPLICATION FOR TEMPORARY AUTHORITY**

[1] This is the second application to be made by I-Raise Investment Limited ('the applicant') for a Temporary Authority¹ under section 136 of the Sale and Supply of Alcohol Act 2012 ('the Act') in respect of premises now known as 'Takumi Japanese Restaurant and Bar (ex Cookai Japanese Restaurant)' located at 6 Nelson Street, Christchurch, trading under On-Licence number 60/0N/22/2016. The licence expires 25 January 2019.

¹ First Temporary Authority ALC 2017/2222, 20 October 2017 (Expiry 20 January 2018).

[2] The second application is necessary because the substantive licence application, although lodged, has not yet been determined due to the Christmas and New Year statutory hiatus. The substantive application is not, therefore, able to be determined before the first Temporary Authority expires.

[3] The applicant has provided proof of tenure and there is a valid licence for the existing premise.

[4] There is no opposition from the Licensing Inspector², nor the Police to the granting of another Temporary Authority.

[5] We are satisfied that the application meets the requirements of section 136 of the Act and we make the order accordingly.

[6] The duration of the Temporary Authority shall be no more than 3 months from the date of the order or when a substantive licence is issued, whichever occurs first.

[7] The applicant's attention is drawn to section 136(5) of The Act where it states that they carry "the same duties, obligations, and liabilities as the holder of the on-licence or off-licence concerned".

**DECISION ON APPLICATION FOR TEMPORARY AUTHORITY 'ON THE
PAPERS'**

[1] This decision relates to an application by Red Herring Holdings Limited ('the applicant') for an order for a Temporary Authority under section 136 of the Sale and Supply of Alcohol Act 2012 ('the Act') in respect of premises known as '**Fat Tony's**', located at 17A London Street, Lyttelton ('the premises') and trading under On-Licence number 60/ON/167/2015. The licence expires 27 June 2018.

[2] The applicant has entered into a sale and purchase agreement for the business and will make a substantive application for an on licence in due course. The order for a Temporary Authority will enable the continued sale of alcohol under terms and conditions of the existing licence in the interim.

[3] For the purposes of s136 the applicant has tenure and there is a valid licence for the existing premises.

[4] The granting of Temporary Authorities is based on the premise that they are 'Temporary' and are a vehicle to allow the applicant time to apply for a permanent licence. The applicant should be aware that it is the opinion of this Committee that a substantive licence application should be submitted to the Committee within six weeks. If there are legitimate reasons for a delay then the time may be extended but the question of suitability could be raised if an application is not submitted in a timely fashion. .

[5] There is no opposition from the Licensing Inspector¹, nor the Police to the granting of a Temporary Authority.

[6] We are satisfied that the making of an order meets the requirements of s136 of the Act and make the order accordingly.

[7] The applicant's attention is drawn to section 136(5) of the Act which provides that the applicant has, for the purposes of the Act, "the same duties, obligations, and liabilities as the holder of the on-licence or off-licence concerned".

[8] The duration of the Temporary Authority shall be no more than 3 months from the date of this decision or when a substantive licence is issued, whichever occurs first.

IN THE MATTER of an application by MCKENZIE
& WILLIS LTD for an On-Site
Special Licence pursuant to s22
of the Act in respect of
premises known as McKenzie &

Blenheim Road, Christchurch.

DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

[1] This is an application by McKenzie & Willis Ltd for an On-Site Special Licence pursuant to s22 of the Act for premises known as McKenzie & Willis Ltd situated at 181 Blenheim Road, Christchurch. The occasion is the Oarsome O'Fare fundraising function to be held on 16th February 2018.

[2] No matters have been raised in opposition in reports required under s141(1) and accordingly I deal with the matter on the papers. I do note that the lack of opposition on the part of the Medical Officer of Health and the NZ Police is conditional on the appointment of a Duty Manager. The Inspector supported the initial request of the applicant that an exemption be granted pursuant to s213(1). The Inspector points out that this particular function has been held for several years and no problems have arisen. For their part both the Medical Officer of Health and the NZ Police point to the expected number of attendees (up to 1500) and argue that this size gathering needs the oversight of an experienced and certificated manager. There seems to some doubt as to the numbers of attendees when the exemption has been granted in the past. In my view s213(1) was not intended to cover large scale public gatherings such as this one and it is not my intention to grant the exemption. I note that the applicant has a Duty Manager available to take charge and that is the proper course.

[3] I am satisfied as to the matters to which I must have regard as set out in s142 of the Act and I grant the applicant a Special Licence pursuant to s104(1).

[4] The licence will not issue until all relevant clearances have been obtained and the applicant is not entitled to sell alcohol until the licence issues. The applicant's attention is drawn to s259 of the Act which makes it an offence not to comply with certain requirements and restrictions imposed by or under s46 to s63. The applicant must comply with all conditions specified on the licence.

[5]The licence will be subject to the following conditions:

Compulsory Conditions – s147(3)

The following conditions are compulsory:

- (a) Alcohol may only be sold under the licence on the following days and during the following hours:
Friday 16th February 2018 between the hours of 5.30 pm and 8.30 pm.
- (b) Drinking water must be freely available on the premises as specified in the application.

Discretionary Conditions – s147(1)

The following discretionary conditions apply-

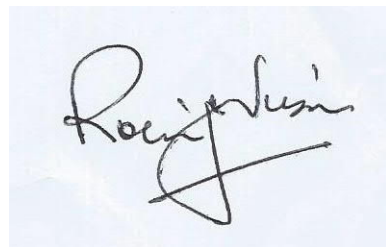

- (a) The licence holder must display appropriate signs adjacent to every point of sale detailing the statutory requirements on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.
- (b) Food must be available for consumption on the premises as specified in the application.
- (c) Low alcohol beverages must be available for sale and supply on the premises as specified in the application.
- (d) Non alcoholic beverages must be available for sale and supply on the premises as specified in the application.
- (e) The licensee must provide assistance with or information about alternative forms of transport from the premises as specified in the application.
- (f) A copy of this licence together with signs showing the age restriction must be clearly displayed.
- (g) Entry is restricted to ticket holders only.
- (h) Only the following kinds of alcohol may be supplied on the premises: Wine.

The licence is also subject to the following conditions which in the Committee's opinion are not inconsistent with the Act

- (a) Noise should be controlled so as not to disturb neighbouring residents.

The premises are not designated.

IN THE MATTER OF the Sale and Supply of Alcohol Act 2012

AND

IN THE MATTER OF an application pursuant to s.136 of the Act for the granting of a Temporary Authorities issued to **Dream Yeah Limited**, trading as Spagalimis New Brighton and situated at **218 Marine Parade, Christchurch.**

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Committee: Ms C Robinson (Chair)
Mr P R Rogers
Mr R J Wilson JP

DECISION ON APPLICATION FOR TEMPORARY AUTHORITY ‘ON THE PAPERS’

[1] This decision relates to an application by Dream Yeah Limited (‘the applicant’) for an order for a Temporary Authority under section 136 of the Sale and Supply of Alcohol Act 2012 (‘the Act’) in respect of premises known as ‘**Spagalimis New Brighton**’, located at 218 Marine Parade, Christchurch (‘the premises’) and trading under On-Licence number 60/ON/110/2017 (existing licence’). The existing licence expires 16 March 2020.

[2] This application is dated 27 December 2017 and was received on 3 January 2018. The processing of the application has been delayed due to the Christmas and New Year statutory period; therefore, we have processed this application on an urgent basis following the receipt of the Inspector Report on 18 January 2018.

[3] The applicant has entered into a sale and purchase agreement and assignment of lease for the business and will make a substantive application for an on licence in due course. The order for a Temporary Authority will enable the continued sale of alcohol under terms and conditions of the existing licence in the interim.

[4] For the purposes of s136 the applicant has tenure and there is a valid licence for the existing premises.

[5] There is no opposition from the Licensing Inspector, nor the Police to the granting of a Temporary Authority.

[6] The granting of Temporary Authorities is based on the premise that they are 'Temporary' and are a vehicle to allow the applicant time to apply for a permanent licence. We record that the Licensing Inspector has recommended that we impose a condition requiring the full application to be made within six weeks. This would enable the full application to be processed prior to the expiry of the Temporary Authority (all things being equal). Although we agree a six week period to make the full application is reasonable, if imposed as a condition it would mean that the applicant would be in breach of the Temporary Authority Order if that application was not lodged within the time frame specified. We do not consider that a condition of this kind is appropriate because the Act clearly contemplates that a Temporary Authority order can be made for up to three months. There may well be circumstances beyond the applicant's control which affect the timeframe for making an application. Notwithstanding that we do not consider that a condition is appropriate, the applicant should be aware that it is the opinion of this Committee that a substantive licence application should be submitted to the Committee within six weeks. If there are legitimate reasons for a delay then the time may be extended but, as indicated by the Inspector, the question of suitability could be raised if an application is not submitted in a timely fashion.

[7] The Inspector further suggests that failure to make the application within the prescribed timeframe would likely result in the Inspector 'requesting a rehearing'. While we acknowledge that the Committee does have the power to rehear a matter under s201 (4), of the Act, that is a matter for the Committee to determine.

[8] The Inspector has also recommended a condition requiring drinking water to be made freely available. That is of course a requirement of s110 (2) (c) of the Act, and is already a condition of the existing licence. Although there is no harm in repeating this as a condition of the Temporary Authority, it is not necessary to do so because the applicant is obliged to comply with the terms and conditions of the existing on-licence under s136 (5) of the Act, s136 (5) provides that the applicant has, for the purposes of the Act;

the same duties, obligations, and liabilities as the holder of the on-licence or off-licence concerned.

[9] We are satisfied that the making of an order meets the requirements of s136 of the Act and make the Order accordingly.

[10] The duration of the Temporary Authority shall be no more than 3 months from the date of this decision or when a substantive licence is issued, whichever occurs first.

DECISION ON APPLICATION FOR NEW ON- LICENCE 'ON THE PAPERS'

[1] This is an application by One Step Ahead Limited ('the applicant') for an On-Licence under s99 of the Sale and Supply of Alcohol Act 2012 ('the Act') in respect of premises situated at 1035A Ferry Road, Christchurch, known as The Watershed.

[2] The general nature of the premises is that of a Restaurant and Bar. The applicant seeks that the licence be granted on the same terms and conditions as the existing on licence.¹

[3] The application was received by Christchurch District Licensing on 6 November 2017. The application was publicly notified on 16 and 23 November 2017 and no objections were received.

[4] Initially the Police objected to the application on the basis of the suitability of the applicant's sole director Ms Karen Freeman due to her lack of knowledge of the requirements of the Act and of appropriately qualified staff.² However, the Police have since withdrawn their objection on the basis that Ms Freeman undertook further consultation with the tri agencies, completed further training and achieved her Licence Controller Qualification ('LCQ'), and employed a further qualified and experienced Duty Manager.³

[5] The Medical Officer for Health is not opposed to the application on the basis that Ms Freeman completed her LCQ.⁴

[6] The Inspectors Report sets out the background to the application and addresses the matters to which regard is to be had in section 105 and 106 of the Act.⁵ The Inspector recommends the grant of the on licence for 12 months subject to conditions.

[7] On the basis that there are no outstanding matters raised in opposition in any reports as required by s.103 of the Act I can deal with the application on the papers.⁶

[9] Accordingly, pursuant to s.104(1) of the Act I grant the application for an On-licence for a period of 12 months subject to the following conditions:

BEFORE THE CHRISTCHURCH DISTRICT LICENCING COMMITTEE

Chairperson: Ms C E Robinson

DECISION ON APPLICATION FOR RENEWAL OF ON-LICENCE 'ON THE PAPERS'

[1] This is an application by Bekben (2013) Limited ('the applicant') for a renewal of an On-Licence pursuant to s129 of the Sale of Alcohol Act 2012 ('the Act') in respect of premises situated at 17 Opawa Road, Christchurch, known as Bowl and Jack. The premises operates under an existing licence, which expired on 8 November 2017¹

[3] The application was received by Christchurch District Licensing on 6 November 2017. The application was publicly notified on 30 November and 7 December 2017. No objections were received.

¹ 60/ON/238/2014

[4] There is no objection from the NZ Police or from the Medical Officer for Health. I record that although the Medical Officer for Health does not object to the granting of the renewal there is a comment in the correspondence, and in the Inspector's Report, regarding the attitude of the applicant's representative², Mr Greg McClurg, when requested to update the Host Responsibility Policy.³ Mr McClurg described the request as 'rather pedantick' [sic].⁴ I agree with the Inspector's observation that Mr McClurg ought to carefully consider his responses to agency requests. The Host Responsibility Policy is an important part of the licence holder's obligations under the Act and should be treated with due seriousness.

[5] The Inspector's Report sets out the background to the application and addresses the matters to which regard is to be had in section 105, 106 and 131 of the Act.⁵ The Inspector recommends the grant of the renewal for an on licence for 3 years subject to conditions.

[6] On the basis that there are no outstanding matters raised in opposition in any reports as required by s.103 of the Act I can deal with the application on the papers.⁶

[7] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in s.105 (and informed by s106) and s131 of the Act that the granting of the application for the renewal of an on-licence, subject to conditions, achieves the purpose and objects of the Act.

[8] Accordingly, pursuant to s.130(1) of the Act I grant the application for a renewal of the On-licence for a period of 3 years subject to the following conditions:

The Licensed Premises

- (a) The premises are identified on the plan provided with the application for renewal of the on-licence.

DECISION ON APPLICATION FOR NEW ON-LICENCE 'ON THE PAPERS'

[1] This is an application by Uncle Jo Limited ('the applicant') for an On-Licence under s 99 of the Sale and Supply of Alcohol Act 2012 ('the Act') in respect of premises situated at 71 Main North Road, Christchurch, known as Uncle Jo's Donburi, Sushi and Coffee.

[3] The application was received by Christchurch District Licensing on 24 November 2017. The application was publicly notified on 23 and 30 November 2017 and no objections were received.

[4] The NZ Police and the Medical Officer for Health are not opposed to the application.

[5] The Inspector's Report sets out the background to the application and addresses the matters to which regard is to be had in section 105 and 106 of the Act.¹ The Inspector has noted that the applicant's representative was in the process of applying for a Manager's Certificate and that the expectation was that the Managers Certificate application would be considered in conjunction with this application. A Manager's Certificate has now been issued to Youn Sun Bateman.² The Inspector recommends the grant of the on licence for 12 months subject to conditions.

[6] On the basis that there are no outstanding matters raised in opposition in any reports as required by s.103 of the Act I can deal with the application on the papers.³

[7] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in s.105 (and informed by s106) of the Act that the granting the application subject to conditions achieves the purpose and objects of the Act.

[8] Accordingly, pursuant to s.104(1) of the Act I grant the application for an On-licence for a period of 12 months subject to the following conditions:

[3] The application was received by Christchurch District Licensing on 21 September 2016. The application was publicly notified on 28 September and 16 October 2016. No objections were received.

[4] Some time has passed since the application was publicly notified. Initially the NZ Police and Medical Officer for Health objected to the application on the basis that it was for an area greater than that covered in the existing licence, without a request for a variation, and because the application was incomplete.² The applicant has since confirmed that she seeks a renewal on the same terms and conditions as the existing licence. There is now no objection from the NZ Police and from the Medical Officer for Health.³

[5] The Inspectors Report sets out the background to the application and addresses the matters to which regard is to be had in section 105, 106 and 131 of the Act.⁴ The Inspector recommends the grant of the renewal for an on licence for 3 years subject to conditions.

[6] On the basis that there are no outstanding matters raised in opposition in any reports as required by s.103 of the Act I can deal with the application on the papers.⁵

[7] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in s.105 (and informed by s106) and s131 of the Act that the granting of the application subject to conditions achieves the purpose and objects of the Act.

[8] Accordingly, pursuant to s.130(1) of the Act I grant the application for a renewal of the On-licence for a period of 3 years subject to the following conditions:

The Licensed Premises

- (a) The premises are identified on the plan provided with the application for a licence.

IN THE MATTER

of an application by **PHILLIP
GRAEME SUNDERLAND** for a
Manager's Certificate pursuant to
s.219 of the Act.

DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

The application was duly received with the required documentation. The applicant, Mr Sunderland, is part owner of a new premise, 'Not Without You' wine bar. Although the applicant has little, or no, relevant experience he does have excellent references and is very experienced in business. He has also undertaken to only use his manager's certificate in the premises that he is part owner of. In these circumstances the established requirement to have a minimum level of relevant experience can be balanced with the character and reputation of the applicant, the fact he is a part owner of a licensed premise where he will utilise his manager's certificate and the undertaking given.

I have read the Inspectors report and I note that no matters have been raised in opposition by the Inspector or the NZ Police under section 220(2) & (3), I therefore deal with the matter on the papers and accordingly grant this application with the undertaking as given by the applicant.

The applicant has the requisite qualifications and the application is granted for a period of 1 year.

The applicant has operated under a Temporary Authority Order, but this expired on 20 January 2018. The applicant requests a licence on the terms and conditions consistent with other premises in the area.

[3] The application was received by Christchurch District Licensing on 21 November 2017. The application was publicly notified on 30 November and 7 December 2017 and no objections were received.

[4] There is no opposition to the issue of the licence from the NZ Police or the Medical Officer for Health.¹

[6] I note that the Inspector has commented that the Director of the applicant company, who will be responsible for running the premises, Mr Lichao (Michael) Lin, has no previous experience selling alcohol. Mr Lin has completed his LCQ and has made an application for a General Managers Certificate. After inquiry I am advised that Mr Lin holds a valid Temporary Managers Certificate issued under s229 of the Act. Mr Lin has also employed a Duty Manager, Weilong Le, who holds a current Managers Certificate.

**DECISION ON APPLICATION FOR TEMPORARY AUTHORITY 'ON THE
PAPERS'**

[1] This decision relates to an application by Central City Travellers Market Limited ('the applicant') for an order for a Temporary Authority under section 136 of the Sale and Supply of Alcohol Act 2012 ('the Act') in respect of premises known as 'Cave Rock, located at 50/11 Marriner Street, Christchurch ('the premises') and trading under On-Licence number 60/ON/133/2015. The licence expires on 12 May 2020.

[2] The application for a Temporary Authority has come about because there has been a transfer of business ownership to the applicant company. An application for a new licence will be made in due course.

[3] There is no sale and purchase agreement because the existing licensee VXJ Holdings Limited is owned and directed by Mr Peter Foster who is also the owner and director of the applicant entity. There is to be a transfer of the trading business to the applicant with the consent of the other director of VXJ Limited, Ms J Lees. A letter from Ms J Lees on the file confirms her consent to the arrangements.

[4] For the purposes of s136 the applicant has tenure and there is a valid licence for the existing premises.

[5] There is no opposition from the Licensing Inspector¹, nor the Police to the granting of a Temporary Authority.

[6] The granting of Temporary Authorities is based on the premise that they are 'Temporary' and are a vehicle to allow the applicant time to apply for a permanent licence. The applicant should be aware that it is the opinion of this Committee that a substantive licence application should be submitted to the Committee within six weeks so as to enable adequate time for the processing of the licence application before the expiry of the Temporary Authority. If there are legitimate reasons for a delay then the time may be extended but, the question of suitability could be raised if an application is not submitted in a timely fashion.

[7] We are satisfied that the making of an order meets the requirements of s136 of the Act and make the order accordingly.

¹ Inspectors Report, 22 January 2018.

[8] The applicant's attention is drawn to section 136(5) of the Act which provides that the applicant has, for the purposes of the Act, "the same duties, obligations, and liabilities as the holder of the on-licence or off-licence concerned".

[9] The duration of the Temporary Authority shall be no more than 3 months from the date of this decision or when a substantive licence is issued, whichever occurs first.

DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

[1] This is an application by Serene Holdings Ltd for an On-Site Special Licence pursuant to s22 of the Act for premises known as North & South Quads of the Arts Centre, the Christchurch Art Gallery and Christ's College situated at 2 Worcester Street, 49 Worcester Street and 33 Rolleston Avenue, Christchurch. The occasion is the World Buskers Festival to be held from 25th to 27th January 2018.

[2] The application comes about because of a misunderstanding of what is permitted by a Caterer's Licence. The applicant assumed it could supply alcohol to the general public along with food. When the error was discovered public sales had to cease and this large and important public function has been without licensed premises since yesterday. Council staff have recognized that this is a situation which must be rectified as quickly as possible given the high public interest in the success of the Festival. Accordingly I accepted late applications for processing and issued a waiver pursuant to s208 to cover breaches of the statutory timelines.

[3] The NZ Police and the Medical Officer of Health have been advised of the late applications and the reason for according them urgency. The Medical Officer of Health has responded that while being aware of the circumstances he does not intend to report. The NZ Police have enquired into the application but have not reported. S141 of the Act provides that the Medical Officer of Health "may report" while the Police "must enquire" into the matter but only need report if they have matters in opposition. I am satisfied that the reporting requirements under s141 have been met and I proceed to deal with the matter on the papers.

[3] I am satisfied as to the matters to which I must have regard as set out in s142 of the Act and I grant the applicant a Special Licence pursuant to s104(1). The licence is intended to cover the three premises.

[4] The licence will not issue until all relevant clearances have been obtained and the applicant is not entitled to sell alcohol until the licence issues. The applicant's attention is drawn to s259 of the Act which makes it an offence not to comply with certain requirements and restrictions imposed by or under s46 to s63. The applicant must comply with all conditions specified on the licence.

[5]The licence will be subject to the following conditions:

Compulsory Conditions – s147(3)

The following conditions are compulsory:

(a)Alcohol may only be sold under the licence on the following days and during the following hours:

Thursday 25th January to Sunday 28th January 2018 between the hours of 2 pm and 11 pm.

(b)Drinking water must be freely available on the premises as specified in the application.

Discretionary Conditions – s147(1)

The following discretionary conditions apply-

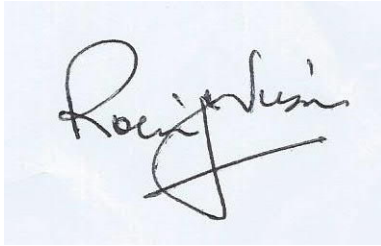

- (a) The licence holder must display appropriate signs adjacent to every point of sale detailing the statutory requirements on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.
- (b) Food must be available for consumption on the premises as specified in the application.
- (c) Low alcohol beverages must be available for sale and supply on the premises as specified in the application.
- (d) Non alcoholic beverages must be available for sale and supply on the premises as specified in the application.
- (e) The licensee must provide assistance with or information about alternative forms of transport from the premises as specified in the application.
- (f) A copy of this licence together with signs showing the age restriction must be clearly displayed.
- (g) Alcohol may only be sold, supplied and consumed in the areas marked on the plan submitted with the application.

The licence is also subject to the following conditions which in the Committee's opinion are not inconsistent with the Act

- (a) Noise should be controlled so as not to disturb neighbouring residents.

The premises are not designated.

The premises operate under an existing licence, which expires on 30 January 2018 ('existing licence').¹ The applicant seeks the same terms and conditions as the existing licence.

¹ 60/OFF/13/2015

- [3] The application was received by Christchurch District Licensing on 22 November 2017. The application was publicly notified on 29 November and 6 December 2017. No objections were received.

DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

This is an application for a manager's certificate by Timothy Rowlands. Mr Rowlands, is currently working at 'Super Liquor Papanui'.

The Police did not oppose the application.

This has been a rather drawn out process where it seems that the Inspector has gone above and beyond in regards to progressing this application.

The application for a manager's certificate was lodged on 26 June 2017. Mr Rowlands was interviewed by a member of the Alcohol Licensing Team on 3 August 2017. No Licence Controller Qualification certificate was produced by the applicant. It was not submitted as part of the application and was not produced at the interview.

A number of inquiries were carried out by the Inspector to determine if Mr Rowlands had in fact sat and passed the required course. The Inspector found no such record.

Due to there being no record of the applicant sitting and passing the requisite qualification the Inspector has been in a position where she has had no option but to oppose the application.

A hearing was set down for 6 December 2017 and subsequently adjourned as Mr Rowlands finally produced his Licence Controller Qualification on 1 December 2017.

The Inspector sought leave to withdraw her opposition and recommended that the matter be dealt with on the papers.

The applicant now has proved that he has the requisite qualifications and the application is granted for a period of 1 year.

DECISION ON TWO APPLICATIONS FOR TEMPORARY AUTHORITIES 'ON THE PAPERS'

[1] This decision relates to two applications made by Triveni Puri Palmerston Limited ('the applicant') for Temporary Authorities pursuant to section 136 of the Sale and Supply of Alcohol Act 2012 ('the Act') in respect of premises known as 'The Peg Tavern' and 'Thirsty Liquor Outlet' at 899 Main North Road, Christchurch. The Peg Tavern is trading under On-Licence number 60/ON/188/2017 and Thirsty Liquor Outlet, is trading under Off Licence 60/OFF/68/2017. Both the On and Off Licences expire on 31 August 2020.

[2] The applications for Temporary Authorities have come about because there has been sale of the business to the applicant. An application for a new licence will be made in due course but has yet to be lodged.

[3] There is a sale and purchase agreement, with the take-over date being on 1 February 2018.

[4] For the purposes of s136 the applicant has tenure and there are valid licences for both of the existing premises.

[5] There is no opposition from the Licensing Inspector¹, nor the Police to the granting of a Temporary Authority for both the Peg Tavern and Thirsty Liquor Outlet to continue to operate under the existing On and Off Licences. The Police have noted that both of the new Duty Managers identified in the application reside in Dunedin. Upon further inquiry, the applicant's representative and Director Sanjeev Nauhria confirmed to the Police that the existing Duty Managers for the premises are to be retained and that he will travel to Christchurch to be on site regularly, including acting as Duty Manager. The applicant's other intended Duty Manager, Sukhpreet Singh will move to Christchurch in the near future.²

[6] The granting of Temporary Authorities is based on the premise that they are 'Temporary' and are a vehicle to allow the applicant time to apply for a permanent licence. The applicant should be aware that it is the opinion of this Committee that a substantive licence application should be submitted to the Committee within six weeks so as to enable adequate time for the processing of the licence application before the expiry of the Temporary Authority. If there are legitimate reasons for a delay then the time may be extended but, the question of suitability could be raised if an application is not submitted in a timely fashion.

[7] We are satisfied that the making of an order meets the requirements of s136 of the Act and make the order accordingly.

¹ Inspectors Report, 26 January 2018.

² Letter from NZ Police, 26 January 2018

[8] The applicant's attention is drawn to section 136(5) of the Act which provides that the applicant has, for the purposes of the Act, "the same duties, obligations, and liabilities as the holder of the on-licence or off-licence concerned".

[9] The duration of the Temporary Authority shall be no more than 3 months from the date of this decision or when a substantive licence is issued, whichever occurs first.

DATED at CHRISTCHURCH this 30th day of January 2018.

BEFORE THE CHRISTCHURCH DISTRICT LICENCING COMMITTEE

Chairperson: Ms C E Robinson

DECISION ON APPLICATION FOR RENEWAL OF OFF- LICENCE 'ON THE PAPERS'

[1] This is an application by J and C Vaudrey Limited ('the applicant') for a renewal of an Off-Licence pursuant to s127 of the Sale of Alcohol Act 2012 ('the Act') in respect of premises situated at 551 Colombo Street, Christchurch, known as New World South City. The premises operate under an existing licence, which expired on 9 June 2015.¹

[2] The general nature of the premise is that of a supermarket. The supermarket is located within the South City Shopping Mall.

¹ 60/OFF/31/2014

Background

[3] This application to renew this off-licence was made on 12 May 2015. The matter was then subject to a long period of delay owing to various appeals against the original decision to grant an off licence. Briefly, the decision of the DLC to issue the off licence on 9 June 2014 included a Single Alcohol Area ('SAA') that differed from that sought in the application ('approved SAA').² The applicant appealed the condition regarding the approved SAA to the Alcohol Regulatory and Licensing Authority ('ARLA'). The ARLA upheld the appeal on natural justice grounds.³ Subsequently the Medical Officer of Health appealed the decision of the ARLA to the High Court.⁴ The applicant then appealed to the Court of Appeal. The Court of Appeal dismissed the appeals against the High Court Decision and referred the matter back to the ARLA for reconsideration.⁵ For the reasons discussed below the applicant then withdrew its original appeal to the ARLA and filed a memorandum agreeing to the approved SAA. The background to the matters and subsequent withdrawal is helpfully summarised in the ARLA decision *J& C Vaudrey Limited and Others v Christchurch District Licensing Inspector and Others* [2017] NZARLA PH 294.⁶

[4] In the end, the original decision of the DLC remains in place, including the approved SAA. It is the licence in that form which is subject to this application for renewal.

[5] It is acknowledged that the reasons for the applicant's withdrawal from the ARLA appeal are due to a change in the applicant's circumstances rather than any concession on any issue.⁷ The applicant is in the process of developing a new supermarket. That supermarket was recently granted an off-licence, subject to Building Act and Certificate of Compliance matters.⁸ It is proposed to close the New World South City when the new site is complete.

⁷ Memorandum on behalf of J& C Vaudrey Limited to ALA regarding withdrawal of appeal, 24 July 2017

⁸ Decision No. 60A [2018] 37

[6] Notwithstanding that the renewal application is back to the beginning, the various appeals have served to clarify the interpretation of relevant provisions in the Act regarding the functions and powers of the DLC generally and with regard to the identification of SAAs. This renewal application is, therefore, considered as against that legal framework.

Reports

[7] There is no objection from the NZ Police and from the Medical Officer for Health to the renewal of this application.⁹ It is noted that the applicant has agreed to the determination of the renewal on the same terms and conditions as the original licence, including the SAA as defined by the DLC.¹⁰

[8] The Inspectors Report sets out the background to the application and addresses the matters to which regard is to be had in section 105, 106 and 131 of the Act.¹¹ The Inspector recommends the grant of the renewal for an on licence for 3 years subject to conditions. The inspector addresses the relevant matters in sections 112 – 113 of the Act with regard to SAA conditions, paying particular attention to the legal framework as determined by the CA.¹²

[9] On the basis that there are no outstanding matters raised in opposition in any reports as required by s.103 of the Act I can deal with the application on the papers.¹³

SAA

[10] Section 113(1) directs me to give ‘genuine attention and thought’ to the purpose of s112 (1) in describing the perimeter of the SAA. I must take into account the purpose of limiting, so far as reasonably practicable, the extent of shoppers exposure to alcohol displays, promotions and advertisements. The SAA identified on the plans accompanying the application are unchanged from those determined by

⁹ Email from NZ Police, 15 May 2015 and Letter from MOH, 22 January 2018.

¹⁰ Application for Renewal – Plan dated 19 January 2018

¹³ ss 191(2) and 202.

the DLC on 9 June 2014. The applicant consents to that area for the reasons outlined above. The tri agencies are also agreed. I find no reason to determine that the SAA so identified does not fulfil the purpose of the section. The SAA is a confined area, and limits the extent of shoppers' exposure to alcohol displays, promotions, and advertisements.

[11] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in s.105 (and informed by s106) and s131 of the Act that the granting the application subject to conditions achieves the purpose and objects of the Act.

[12] Accordingly, pursuant to s.130(1) of the Act I grant the application for a renewal of the On-licence for a period of 3 years subject to the following conditions:

The Licensed Premises

- (a) The premises are identified on the plan provided with the application for a licence.

Discretionary conditions – section 116 (1)

- (b) The following steps must be taken to ensure that the provisions of the Act relating to the sale of alcohol to prohibited persons are observed:
 - (i) Display of appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.
- (c) The following steps must be taken to ensure that the provisions of the Act relating to the management of the premises concerned are observed:
 - (i) Alcohol must only be sold, supplied and consumed within the area marked on the plan submitted with the application.

Compulsory conditions – section 116 (2)

- (d) No alcohol is to be sold or delivered on Good Friday, Easter Sunday, Christmas Day, or before 1pm on Anzac Day.
- (e) Alcohol may only be sold and delivered the following days and during the following hours:
 - (i) Monday to Sunday, between the hours of 7.30 am to 9pm.
- (f) Water will be freely available to customers while alcohol is being supplied free as a sample on the premises.

Section 112 – Single alcohol area condition

- (g) Only the area described and delineated on the plan approved by the District Licensing Committee is the permitted area for the display and promotion of alcohol within the premises as required under section 112. No sub areas are described. A copy of the approved plan is attached.

Section 117 – Other Discretionary conditions

- (h) The following steps must be taken to ensure that the provisions of the Act relating to the management of the premises concerned are observed:
 - (i) Alcohol must only be sold and supplied on the premises in accordance with the premises plan submitted with the application.
 - (ii) The licence must implement and maintain the steps proposed in The New World Host Responsibility Policy¹⁴ aimed at promoting the reasonable consumption of alcohol.

¹⁴ As attached to the application (dated 19 January 2018).

Conditions applying to all remote sales and supply of alcohol

- (i) The following information must be displayed on the internet site in a prominent place, in any catalogue used by the licence holder and on every receipt issued for any alcohol sold via the internet site.
 - (i) The licence holders name, the licence number, and the date on which the licence expires.
 - (ii) A copy of the licence or a clearly identified link to such image must be displayed in a prominent place on the internet site.

IN THE MATTER OF the Sale and Supply of Alcohol
Act 2012

AND

IN THE MATTER OF an application by **The Russley
Village Limited** for renewal of an
On-Licence pursuant to s.127 of the
Sale and Supply of Alcohol Act
2012 in respect of premises situated
at, **73 Roydvale Avenue,
Christchurch**, known as **The
Russley Village**.

BEFORE THE CHRISTCHURCH DISTRICT LICENCING COMMITTEE

Chairperson: Ms C E Robinson

**DECISION ON APPLICATION FOR RENEWAL OF ON- LICENCE ‘ON THE
PAPERS’**

[1] This is an application by The Russley Village Limited (‘the applicant’) for a renewal of an On-Licence pursuant to s127 of the Sale and Supply of Alcohol Act 2012 (‘the Act’) in respect of premises situated at 73 Roydvale Avenue, Christchurch, known as The Russley Village. The premises operate under an existing licence, which expired on 27 January 2017.¹ The applicant seeks the same terms and conditions as the licence currently in force.

[2] The general nature of the premise is that of a Retirement Village.

¹ 60/ON/18/2017

[3] The application was received by Christchurch District Licensing on 11 December 2017. The application was publicly notified on 12 December 2017. No objections were received.

[4] There is no objection from the NZ Police and from the Medical Officer for Health. The Inspectors Report sets out the background to the application and addresses the matters to which regard is to be had in section 105, 106 and 131 of the Act.² The Inspector recommends the grant of the renewal for an on licence for 3 years subject to conditions.

[5] On the basis that there are no outstanding matters raised in opposition in any reports as required by s.103 of the Act I can deal with the application on the papers.³

[6] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in s.105 (and informed by s106) and s131 of the Act that the granting the application subject to conditions achieves the purpose and objects of the Act.

[7] Accordingly, pursuant to s.130(1) of the Act I grant the application for a renewal of the On-licence for a period of 3 years subject to the following conditions:

The Licensed Premises

- (a) The premises are identified on the plan provided with the application for a licence.

Discretionary conditions – section 110 (1)

- (b) The following steps must be taken to ensure that the provisions of the Act relating to the sale of alcohol to prohibited persons are observed:

² Inspectors Report, 31 January 2018, at [9].

³ ss 191(2) and 202.

- (i) Display of appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.
- (c) The following steps must be taken to ensure that the provisions of the Act relating to the management of the premises concerned are observed:
 - (i) Alcohol must only be sold, supplied and consumed within the area marked on the plan submitted with the application.

Compulsory conditions – section 110 (2)

- (d) No alcohol is to be sold on the premises on Good Friday, Easter Sunday, Christmas Day, or before 1pm on Anzac Day to any person who is not present on the premises to dine.
- (e) Alcohol may only be sold the following days and during the following hours when the premises are being operated as a Retirement Village:
 - (i) Monday to Sunday, between the hours of 8 am to 11pm.
- (f) Water will be freely available to customers on the premises while the premises are open for business.

Section 117 – Other Discretionary conditions

- (g) The following steps must be taken to promote the responsible consumption of alcohol:
 - (i) The licence must implement and maintain the steps proposed in The Russley Village Host Responsibility Policy⁴ aimed at promoting the reasonable consumption of alcohol.

⁴ As attached to the application.

Other restrictions and requirements

[8] The following are to be noted on the licence:

- (a) Section 51 – Non-alcoholic drinks to be available
- (b) Section 52 – Low alcoholic drinks to be available
- (c) Section 53 – Food to be available
- (d) Section 54 – Help with information about transport to be available
- (e) Section 56 – Display of signs
- (f) Section 57 – Display of licences
- (g) Section 214 – Manager to be on duty at all times and responsible for compliance

[9] A copy of the renewed licence setting out the conditions to which it is subject is attached to this decision. The licence shall be issued for 3 years.

[10] The applicant's attention is drawn to s.259 of the Act which makes it an offence not to comply with certain requirements and restrictions imposed by or under the Act, specifically s.46 to 63 and 231 (1). The applicant must comply with all conditions specified on a licence.
