DECISION ON THE PAPERS

- [1] This is an application by **Bomb Bucha Limited** for an Off-Licence with an endorsement for remote sales in respect of premises situated at **17 Sir James Wattie Drive, Christchurch**, known as **Bomb Bucha**.
- [2] The general nature of the premise is that of a **remote sellers of alcohol**.
- [3] The application was received by Christchurch District Licensing Committee on 25 February 2020, we are satisfied as to the matters to which I must have regard to as set out in s.105.
- [4] The application was duly advertised and three public objections were received; there were no notices of desire to be heard. Pursuant to s.211(1)(c), the Committee is obliged to consider the status of those objectors pursuant to s.102(1):

“A person may object to the granting of a licence only if he she has a greater interest in the application for the licence than the public generally.”

The question of status needs to be considered before we can move on to the merits of any other matters. Of the three objectors, one lived 13.5 kilometres away from the proposed premises, the second lives in the Wellington area and the third lives in the Auckland area.

- [5] Some objectors mentioned that as this was an application for an Off-licence for remote sales that their location, in related to the proposed licensed premises should not be considered, as a bar to them not being able to be an objector as location is not mentioned in s.102(1).
- [6] The Committee fails to see the logic in that as 102(1) applies to all the licenses under the Act and Alcohol Regulatory Licensing Authority (ARLA) has held it is a consideration in all cases. The most relevant to this matter being the cases:
- GDR Trading Limited v Communities Against Alcohol Harm Inc {2019} NZARLA 222**
Gisborne Liquormart Limited v Ka Pai Kaiti Trust, [2018] NZARLA 316
- In GDR Trading Limited, para [59] ARLA went on to say that “here, as in Gisborne Liquormart, it is not sufficient for CAAH to be a responsible public interest group. CAAH's interest must not only be greater than that of the public generally, but CAAH must have an interest greater than that of the public in respect of this particular application”. What needs to be established is that CAAH will be affected in some way by the grant of the application.” We note that the case cited is a different factual situation but nevertheless we believe it is relevant to this matter.
- [7] The Committee after due consideration concluded that the three objectors do not have an interest greater than the public generally based on their geographical location and therefore, they do not qualify as parties to this application.
- [8] Therefore the Committee’s attitude to this application is that it should be granted, we hereby grant the applicant for an Off-licence pursuant to s.104(1).
- [9] No matters have been raised in opposition in any reports as required by s.103 accordingly we deal with the matter on the papers. The Committee is mindful of the lack of opposition from the Medical Officer of Health and the New Zealand Police that it is as ARLA pointed out in the GDR Trading Decision, it is the Act that has mandated these organisations to represent aspects of public interest.
- [10] The Committee notes the comments of the Medical Officer of Health (MOH) and while the MOH did not oppose the application it did raise a number of matters to assist the Committee in its deliberations. These matters were considered by the Committee and a condition limiting the licence to “Bomb Bucha” sales only, as suggested by both MOH and the Inspector has been included.
- [11] No other issues have been raised by the agencies in regards to s 105 of the Act.
- [12] We are satisfied after standing back and evaluating all the matters placed before us that the application fulfils the criteria as set out in s.105 and 106 of the Act and does not offend against either the purpose or object of the Act. Pursuant to s.211(1)(c) the Committee’s attitude to this application is therefore that it should be granted, we hereby grant the application for an Off-licence pursuant to s.104(1) for the period of 1 year.

[13] The applicant's attention is drawn to s.259 of the Act which makes it an offence not to comply with certain requirements and restrictions imposed by or under this Act. Specifically s.46 to 63 and 231 (1).

[14] The applicant must comply with all conditions specified on a licence.

[15] The licence will be subject to the following conditions:-

Licence pursuant to s.138 of the Sale
and Supply of Alcohol Act 2012 in
respect of premises situated at, **51
Curries Road, Christchurch**, known
as **Charlie's Party Bus FER549**

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairperson: Ms C E Robinson

DECISION ON APPLICATION FOR SPECIAL LICENCE

- [1] This is an application by The Flying Gypsy Limited ('the applicant') for a Special Licence under s138 of the Sale and Supply of Alcohol Act 2012 ('the Act') in respect of premises situated at 1 Shamrock Place, Christchurch, known as Charlie's Party Bus FER549.
- [2] The general nature of the event is that of a wine trail where guests are transported on the Charlie's Party Bus FER549 to a winery for tastings and food. The number of people attending is said to be 28 adults.
- [3] The applicant has experience at managing licensed bus trips. Pick up is from Giles Place with stops at Torlesse, for tastings and Waipara Springs for tastings

and platters and then on to Pine Acres before drop off in at the starting point. The application states that alcohol is only to be served at the discretion of the driver and only one drink is allowed per person at one time. No alcohol is to be sold on the return journey. The Bus is to be a restricted area.

- [4] The applicant has requested that it be exempt from the requirements of s 213(1) of the Act and not provide a qualified duty manager. Instead the management of the sale and supply of alcohol will be the responsibility of the nominated bus driver. The nominated bus driver is one of an identified list of drivers who have previous experience in undertaking this role.
- [5] The NZ Police is not opposed to the event.
- [6] The Medical Officer for Health has not reported within the required statutory time frame and in accordance with s 103(4) is assumed to have no matters in opposition.
- [7] The Inspectors Report sets out the background to the application and addresses the matters to which regard is to be had in section 142 of the Act.¹ The Inspector recommends the grant of the special licence for the event subject to conditions. The applicant has also specified a number of conditions in the application form.²
- [8] On the basis that there are no outstanding matters raised in opposition in any reports as required by s.141(1) of the Act I can deal with the application on the papers.³
- [9] I am satisfied that on the information provided, the scale, duration and nature of the event is such that the proposed management by a nominated bus driver is appropriate and I grant the exemption as requested.
- [10] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in s.142 of the Act that the

granting the application subject to conditions achieves the purpose and objects of the Act. I have also included conditions offered by the applicant as identified in [3] above.

[11] Accordingly, pursuant to s.104(1) of the Act I grant the application for a Special Licence for the event subject to the following conditions:

- (j) Entry is restricted to invited guests only.

- (m) Noise should be controlled so as not to disturb neighbouring residents.
- (n) Alcohol will only be sold at the discretion of the driver.
- (o) Only one alcoholic drink shall be provided to a person at a time.
- (p) No alcohol is to be sold or consumed on the return journey.

[12] The applicant's attention is drawn to s 259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under the Act.

- [2] The general nature of the event is that of a Quiz Night Fundraiser. The number of people attending is said to be approximately 250.
- [3] The applicant has experience running similar events and has requested an exemption from the requirement to provide a qualified duty manager for the event pursuant to s213(1) of the Act. The applicant has nominated Jeff Smits, a member of the Board of Trustees to manage the sale and supply of alcohol.
- [4] The NZ Police and the Medical Officer of Health are not opposed to the application.
- [5] The Inspectors Report sets out the background to the application and addresses the matters to which regard is to be had in section 142 of the Act.¹ The Inspector recommends the grant of the special licence for the event subject to conditions.

¹ Inspectors Report, Paul Spang, 11 June 2020

- [6] On the basis that there are no outstanding matters raised in opposition in any reports as required by s.141(1) of the Act I can deal with the application on the papers.²
- [7] I am satisfied that given the nature of the event it is appropriate to waive the requirement for a qualified duty manager on this occasion. I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in s.142 of the Act that the granting the application subject to conditions achieves the purpose and objects of the Act.
- [8] Accordingly, pursuant to s.104(1) of the Act I grant the application for a Special Licence for the event subject to the following conditions:

The Licensed Premises

- (a) This special licence authorises the sale, supply and consumption of alcohol within the premises identified on the plan provided with the application and attached to and forming part of this licence.

- (e) Food must be available for consumption on the premises as specified in the application.

² ss 191(2) and 202.

- (f) Low-alcohol beverages must be available for sale and supply on the premises as specified in the application.

- (l) The School Hall is designated as a restricted area.

The licence is also subject to the following conditions, which in the committee's opinion are not inconsistent with the Act:

- (m) Noise should be controlled so as not to disturb neighbouring residents.

[9] The applicant's attention is drawn to s 259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under the Act.

[10] A copy of the licence setting out the conditions to which it is subject is attached to this decision.

DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

- [1] This is an application by Lucky Random Ltd for a Temporary Authority for premises known as Red Poppy Thai Restaurant situated at 325 Stanmore Road, Christchurch. The application comes about because the business has changed owners. An application for a substantive licence has yet to be received.
- [2] No matters have been raised in opposition by the Licensing Inspector or the NZ Police. Accordingly I deal with the matter on the papers.
- [3] The granting of a Temporary Authority is governed by s136 of the Act which outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding three months. I am satisfied that the applicant fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months or until such time as the substantive application is determined.
- [4] The applicant's attention is drawn to s136(5) of the Act where it states that they carry "the same duties, obligations and liabilities as the holder of the on-licence" and also to s110(2)(c) that "drinking water is to be freely available to customers while the premises are open for business.
- [5] It is the expectation of the Committee that an application for a substantive licence will be made within the next six weeks. No assurance can be given that a further temporary authority will be granted should there be undue delay.

Place, Christchurch**, known as
Charlie's Party Bus FER549

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairperson: Ms C E Robinson

DECISION ON APPLICATION FOR SPECIAL LICENCE

- [1] This is an application by The Flying Gypsy Limited ('the applicant') for a Special Licence under s138 of the Sale and Supply of Alcohol Act 2012 ('the Act') in respect of premises situated at 1 Shamrock Place, Christchurch, known as Charlie's Party Bus FER549.
- [2] The general nature of the event is that of a Focus Mystery Dinner. The number of people attending is said to be 20 adults.
- [3] The applicant has experience at managing licensed bus trips. Pick up is from 194 Barbadoes Street at 5.30pm with dinner at The Good Home Ferrymead, followed by dessert at Protocol and drop off back at 194 Barbadoes Street. The application states that alcohol is only to be served at the discretion of the driver

and only one drink is allowed per person at one time. No alcohol is to be sold on the return journey. The Bus is to be a restricted area.

- [4] The applicant has requested that it be exempt from the requirements of s213(1) of the Act and not provide a qualified duty manager. Instead the management of the sale and supply of alcohol will be the responsibility of the nominated bus driver. The nominated bus driver is one of an identified list of drivers who have previous experience in undertaking this role.
- [5] The NZ Police is not opposed to the event.
- [6] The Medical Officer for Health has not reported within the required statutory time frame and in accordance with s103(4) is assumed to have no matters in opposition.
- [7] The Inspectors Report sets out the background to the application and addresses the matters to which regard is to be had in section 142 of the Act.¹ The Inspector recommends the grant of the special licence for the event subject to conditions. The applicant has also specified a number of conditions in the application form.²
- [8] On the basis that there are no outstanding matters raised in opposition in any reports as required by s.141(1) of the Act I can deal with the application on the papers.³
- [9] I am satisfied that on the information provided, the scale, duration and nature of the event is such that the proposed management by a nominated bus driver is appropriate and I grant the exemption as requested.
- [10] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in s.142 of the Act that the granting the application subject to conditions achieves the purpose and objects

² Section 6 'Conditions'

³ ss 191(2) and 202.

of the Act. I have also included conditions offered by the applicant as identified in [3] above.

[11] Accordingly, pursuant to s.104(1) of the Act I grant the application for a Special Licence for the event subject to the following conditions:

The Licensed Premises

- (a) This special licence authorises the sale, supply and consumption of alcohol within the premises identified as Charlie's Party Bus FER549.

Compulsory conditions – section 147(3)

- (b) Alcohol may only be sold under the licence only on the following days and during the following hours:

Friday 17th July 2020, 5.30pm to 11pm.

- (c) Drinking water will be freely available on the premises as specified in the application:

Discretionary conditions – section 147(1)

- (d) The licence holder must display appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.
- (e) Food must be available for consumption on the premises as specified in the application.
- (f) Low-alcohol beverages must be available for sale and supply on the premises as specified in the application.
- (g) Non-alcohol beverages must be available for sale and supply on the premises as specified in the application.
- (h) The licensee must provide assistance with or information about alternative forms of transport from the premises as specified in the application.

- (i) A copy of the licence as well as age restriction signage must be clearly displayed.
- (j) Entry is restricted to invited guests only.
- (k) Alcohol must only be sold, supplied and consumed within the area marked on the plan submitted with the application.
- (l) The entire bus is designated as restricted.

The licence is also subject to the following conditions, which in the committee's opinion are not inconsistent with the Act:

- (m) Noise should be controlled so as not to disturb neighbouring residents.
- (n) Alcohol will only be sold at the discretion of the driver.
- (o) Only one alcoholic drink shall be provided to a person at a time.
- (p) No alcohol is to be sold or consumed on the return leg of the trip.

[12] The applicant's attention is drawn to s 259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under the Act.

[13] A copy of the licence setting out the conditions to which it is subject is attached to this decision.
