DECISION 'ON THE PAPERS'

- [1] This is an application by **Sampan House New Zealand Limited** for a Temporary Authority for an On-licence made under section 136 of the Act in respect of premises known as **Sampan House**, located at **172 Gloucester Street, Christchurch**, and trading under On-licence number 060/ON/230/2018. The licence being current until 15 August 2020.
- [2] The granting of a Temporary Authority is governed by s136 of The Act and outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding 3 months.
- [3] The Inspector's report confirms that the applicant has tenure for the premises.
- [4] There is no opposition from the Licensing Inspector or the Police.
- [5] The granting of Temporary Authorities is based on the premise that they are 'Temporary' and are a vehicle to allow the applicant time to apply for a permanent licence. The applicant should be aware that it is the opinion of this Committee that a substantive licence application should be submitted to the Committee within six weeks. If there are legitimate reasons for a delay then the time may be extended but the question of suitability could be raised if an application is not submitted in a timely fashion.

- [6] We are satisfied as to the matters we must have regards to, as set out in section 136 of The Act. We therefore grant the Temporary Authority and it can be issued immediately for a 3 month period or until determined by the Christchurch District Licensing Committee.
- [7] The applicant's attention is drawn to s136(5) of the Act where it states that they carry "the same duties, obligations, and liabilities as the holder of the On-licence and also to s.110(2)(c) of the Act in relation to the condition of the licence that "drinking water is to be freely available to customers while the premises are open for business".

DECISION 'ON THE PAPERS'

- [1] This is an application by **Little Siam Limited** for a Temporary Authority for an On-licence made under section 136 of the Act in respect of premises known as **Chillikiwi Thai Restaurant**, located at **479 Papanui Road, Christchurch**, and trading under On-licence number 060/ON/84/2017. The licence being current until 10 February 2020.
- [2] The granting of a Temporary Authority is governed by s.136 of The Act and outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding 3 months.
- [3] The Inspector's report confirms that the applicant has tenure for the premises.
- [4] There is no opposition from the Licensing Inspector or the Police.
- [5] The granting of Temporary Authorities is based on the premise that they are 'Temporary' and are a vehicle to allow the applicant time to apply for a permanent licence. The applicant should be aware that it is the opinion of this Committee that a substantive licence application should be submitted to the Committee within six weeks. If there are legitimate reasons for a delay then the time may be extended but the question of suitability could be raised if an application is not submitted in a timely fashion.

- [6] We are satisfied as to the matters we must have regards to, as set out in section 136 of The Act. We therefore grant the Temporary Authority and it can be issued immediately for a 3 month period or until determined by the Christchurch District Licensing Committee.
- [7] The applicant's attention is drawn to s.136(5) of the Act where it states that they carry "the same duties, obligations, and liabilities as the holder of the On-licence and also to s.110(2)(c) of the Act in relation to the condition of the licence that "drinking water is to be freely available to customers while the premises are open for business".

DECISION 'ON THE PAPERS'

- [1] This is an application by **Hey Mama Holdings Limited** for a Temporary Authority for an On-licence made under section 136 of the Act in respect of premises known as **Joes Garage Cranford**, located at **484 Cranford Street, Christchurch**, and trading under On-licence number 060/ON/372/2018. The licence being current until 18 November 2021.
- [2] The granting of a Temporary Authority is governed by s.136 of The Act and outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding 3 months.
- [3] The Inspector's report confirms that the applicant has tenure for the premises.
- [4] There is no opposition from the Licensing Inspector or the Police.
- [5] The granting of Temporary Authorities is based on the premise that they are 'Temporary' and are a vehicle to allow the applicant time to apply for a permanent licence. The applicant should be aware that it is the opinion of this Committee that a substantive licence application should be submitted to the Committee within six weeks. If there are legitimate reasons for a delay then the time may be extended but the question of suitability could be raised if an application is not submitted in a timely fashion.

- [6] We are satisfied as to the matters we must have regards to, as set out in section 136 of The Act. We therefore grant the Temporary Authority and it can be issued immediately for a 3 month period or until determined by the Christchurch District Licensing Committee.
- [7] The applicant's attention is drawn to s136(5) of the Act where it states that they carry "the same duties, obligations, and liabilities as the holder of the On-licence and also to s.110(2)(c) of the Act in relation to the condition of the licence that "drinking water is to be freely available to customers while the premises are open for business".

of **Winnie Bagoes City Limited** and application pursuant to s136 of the Act for the granting of a Temporary Authority relating to the premises at **40 Welles Street, Christchurch.**

BEFORE THE CHRISTCHURCH CITY COUNCIL DISTRICT LICENSING COMMITTEE

DECISION 'ON THE PAPERS'

- [1] This is an application by **Winnie Bagoes City Limited** for a Temporary Authority for an On-licence made under section 136 of the Act in respect of premises known as **Winnie Bagoes Welles Street**, located at **40 Welles Street, Christchurch**, and trading under On-Licence number 060/ON/86/2019. The licence being current until 13 March 2022.
- [2] The granting of a Temporary Authority is governed by s136 of The Act and outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding 3 months.
- [3] The Inspector's report confirms that the applicant has tenure for the premises.
- [4] There is no opposition from the Licensing Inspector or the Police.
- [5] The granting of Temporary Authorities is based on the premise that they are 'Temporary' and are a vehicle to allow the applicant time to apply for a permanent licence. The applicant should be aware that it is the opinion of this Committee that a substantive licence application should be submitted to the Committee within six weeks. If there are legitimate reasons for a delay then the time may be extended but the question of suitability could be raised if an application is not submitted in a timely fashion.
- [6] We are satisfied as to the matters we must have regards to, as set out in section 136 of The Act. We therefore grant the Temporary Authority and it can

be issued immediately for a 3 month period or until determined by the Christchurch District Licensing Committee.

- [7] The applicant's attention is drawn to s136 (5) of the Act where it states that they carry "the same duties, obligations, and liabilities as the holder of the On-Licence and also to s110 (2) (c) of the Act in relation to the condition of the licence that "drinking water is to be freely available to customers while the premises are open for business".

of **CWG T/A Cookin with Gas Limited** and application pursuant to s136 of the Act for the granting of a Temporary Authority relating to the premises at **23 Worcester Street, Christchurch** known as **Cook N with Gas and The Astro Lounge**.

BEFORE THE CHRISTCHURCH CITY COUNCIL DISTRICT LICENSING COMMITTEE

DECISION 'ON THE PAPERS'

- [1] This is an application by **CWG T/A Cookin with Gas Limited** for a Temporary Authority for an On-licence made under section 136 of the Act in respect of premises known as **Cook N with Gas and The Astro Lounge**, located at **23 Worcester Street, Christchurch**, and trading under On-Licence number 60/ON/257/2018. The licence being current until 12 August 2021.
- [2] The granting of a Temporary Authority is governed by s136 of The Act and outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding 3 months.
- [3] The Inspector's Report confirms that the applicant has tenure for the premises.
- [4] There is no opposition from the Licensing Inspector or the Police.
- [5] The granting of Temporary Authorities is based on the premise that they are 'Temporary' and that they are a vehicle to allow the applicant time to apply for a permanent licence. The applicant should be aware that it is the opinion of this Committee that a substantive licence application should be submitted to the Committee within six weeks. If there are legitimate reasons for a delay then the time may be extended, but the question of suitability could be raised if an application is not submitted in a timely fashion.

- [6] We are satisfied as to the matters to which we must have regard as set out in s136 of The Act. We therefore grant the Temporary Authority and it can be issued immediately for a 3 month period or until determined by the Christchurch District Licensing Committee.
- [7] The applicant's attention is drawn to s136 (5) of the Act where it states that they carry "the same duties, obligations, and liabilities as the holder of the On-Licence and also to s110 (2) (c) of the Act in relation to the condition of the licence that "drinking water is to be freely available to customers while the premises are open for business". Furthermore, only the inside of the building may be occupied by the public until such time as the outside structures are made complainant. For clarity this means that the public are exclude from the outside of the premises until written confirmation is given to the Alcohol Licensing Team that all structures in the outside area meet the requirements of the building code.
