IN THE MATTER

of an application by **Winnie Bagoes City Limited** for renewal of an On-Licence pursuant to s.99 of the Sale and Supply of Alcohol Act 2012 for premises known as **Winnie Bagoes - City** situated at 40 Welles Street, Christchurch.

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairperson: Mr D.L.Blackwell

DECISION ON APPLICATION FOR RENEWAL OF AN ON-LICENCE (On the Papers)

- [1] This is an application by **Winnie Bagoes City Limited** (“the applicant”) for renewal of an On-Licence pursuant to s.99 of the Sale and Supply of Alcohol Act 2012 (“the Act”) for premises known as **Winnie Bagoes - City** situated at 40 Welles Street, Christchurch.
- [2] The premises are in the nature of a Tavern.
- [3] The application was duly advertised and no public objections or notice of desire to be heard have been received.
- [4] The New Zealand Police and the Medical Officer of Health are not opposed to the application.
- [5] The Inspector’s Report sets out the background to the application and addresses matters to which regard is to be had in sections 105 and 106 of the Act.¹ The Inspector recommends the grant of the licence for three years subject to conditions.
- [6] On the basis that there are no outstanding matters raised in opposition in any reports as required under s.103 of the Act I can deal with the application on the papers.²

¹ Inspector’s Report, Paul Spang, 23rd July 2020.

² ss 191(2) and 202

[7] Upon receiving the application I noted, via a minute, the application appeared to indicate it was an application for a restaurant rather than a tavern style on-licence. But if it was a tavern then I believed the following applied:

Should the applicant wish to proceed with the renewal of an on-licence application for a Tavern then section 119 of the Sale and Supply of Alcohol Act 2012 requires that the whole or part of the premises will need to be designated in accordance with s119(3). I note the Inspector has assessed the application as a Tavern and recommended a condition whereby the designation commences at 9pm, which would leave the premises undesignated at all other times which on the face of it may not be permitted by s119(3), if in fact the premises is a Tavern.

[8] The applicant clearly believed that his operation was operating as a tavern and I accept this. The applicant indicated that like similar hospitality businesses, Winnie Bagoes morphed from a restaurant during the day to a tavern in the evenings.

[9] A second minute was written outlining the correspondence to date and seeking confirmation from the applicant that he accepts that s119 shall apply to the premises. The applicant accepted the situation and supplied a revised plan showing the area to be designated as supervised whenever the premises are open for business. The whole premises will be designated after 9.00 pm.

[10] The Tri-Agencies all agreed with the above solution should a licence be issued.

[11] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in s.105 (and informed by s.106) of the Act that granting the application subject to conditions achieves the purpose and objects of the Act.

[12] Accordingly, pursuant to s.1301) of the Act I grant the application for an On-licence renewal, with the amendments outlined above, for a period of three years subject to the following conditions:

The Licensed Premises

(a) The premises are identified on the amended plan provided by the applicant.³

Section 110 (1) Discretionary Conditions

- (a) The following steps must be taken to ensure that the provisions of the Act relating to the sale and supply of alcohol to prohibited persons are observed:
- Display of appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition of sales to intoxicated persons.

³ As attached to the application.

- (b) The following steps must be taken to ensure that the provisions of the Act relating to the management of the premises are concerned:
- Alcohol must only be sold, supplied and consumed in the area marked on the plan submitted with the application.

Section 110(2) Compulsory Conditions

(a) No alcohol is to be sold or supplied on the premises on Good Friday, Easter Sunday, Christmas Day or before 1 pm on Anzac Day to any person not present on the premises to dine.

(b) Alcohol may only be sold and supplied on the following days and during the following hours when the premises are being operated as a Tavern:

Monday to Sunday 8.00 am to 2.00 am the following day.

(c) Water must be freely available to customers at all times while the premises are open for business.

Section 117 Other discretionary conditions

(a) The following steps must be taken to promote the reasonable consumption of alcohol:

- The licensee must implement and maintain the steps proposed in its Host Responsibility Policy⁴ aimed at promoting the reasonable consumption of alcohol.

Section 119 – Restricted or supervised areas

- The area marked on the revised plan in pink (currently the area with bar leaners) shall be designated as supervised at all times. For the sake of clarification, the 'revised plan' refers to that plan supplied by the applicant via email on September 22 2020.
- The whole of the premises is designated as a supervised area after 9.00 pm.

[13] A copy of the licence setting out the conditions to which it is subject is attached to this decision. The licence shall be issued for three years.

[14] The applicant's attention is drawn to s.259 of the Act which makes it an offence not to comply with certain requirements and restrictions imposed by or under the Act.

⁴ As attached to the application.

Specifically s.46 to s.63 and s.231(1). The applicant must comply with all conditions specified on the licence.

IN THE MATTER OF the Sale and Supply of Alcohol Act 2012

AND

IN THE MATTER OF an application by **PIGEON BAY BOATING CLUB INCORPORATED** for a Special Licence pursuant to s.138 of the Sale and Supply of Alcohol Act 2012 in respect of premises situated at, **124 Wharf Road, Pigeon Bay**, known as **Pigeon Bay Boating Club**.

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairperson : Ms C E Robinson

DECISION ON APPLICATION FOR SPECIAL LICENCE

- [1] This is an application by Pigeon Bay Boating Club Incorporated ('the applicant') for a Special Licence under s138 of the Sale and Supply of Alcohol Act 2012 ('the Act') in respect of premises situated at 124 Wharf Road, Pigeon Bay, known as Pigeon Bay Boating Club.
- [2] The general nature of the event is that of a series of Boating Regattas over the period October 2020 to April 2021. The number of people attending is said to be approximately 80 on each occasion.

- [3] The applicant has experience running similar events and has requested an exemption from the requirement to provide a qualified duty manager for the event pursuant to s213(1) of the Act. The applicant has nominated the following committee members to manage the sale and supply of alcohol; Matthew Nolan, Vince Luisetti, Rebecca Nolan, Grant Radford, Kevin Everest, Heather Walls, Maree Andrews, Jackie Ball and Geoffrey Savage. All of the committee members are to complete the Servewise training tool prior to the first event date. Mr Nolan has stated he holds an LCQ Certification. At this stage a roster for each occasion is not known, however, the applicant has confirmed that only those listed above will have access to the bar and that the name of the person responsible will be posted for each occasion at the bar.
- [4] The NZ Police and the Medical Officer of Health are not opposed to the application.
- [5] The Inspectors Report sets out the background to the application and addresses the matters to which regard is to be had in section 142 of the Act.¹ The Inspector recommends the grant of the special licence for the event subject to conditions.
- [6] On the basis that there are no outstanding matters raised in opposition in any reports as required by s.141(1) of the Act I can deal with the application on the papers.²
- [7] I have considered the application for a waiver from the requirements to provide a duly qualified duty manager for each occasion. I have had regard to the fact that the applicant has specified that each named committee member nominated to be responsible for the sale and supply of alcohol is to complete the online Servewise training tool. Taking into account that undertaking and also the nature of the events I am satisfied that it is appropriate to grant an exemption from the requirements of s213(1) of the Act.

¹ Inspectors Report, Anneke Lavery 7 October 2020.

² ss 191(2) and 202.

[8] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in s.142 of the Act that the granting the application subject to conditions achieves the purpose and objects of the Act.

[9] Accordingly, pursuant to s.104(1) of the Act I grant the application for a Special Licence for the event subject to the following conditions:

The Licensed Premises

- (a) This special licence authorises the sale, supply and consumption of alcohol within the premises identified on the plan provided with the application and attached to and forming part of this licence.

Compulsory conditions – section 147(3)

- (b) Alcohol may only be sold under the licence only on the following days and during the following hours:

10, 11, 24, 25, 26 and 31 October 2020, 1, 13, 14, 15, 21 and 22 November 2020, 5, 6, 12, 13 and 31 December 2020, 1, 2, 3, 4, 16, and 17 January 2021, 6, 7, 8, 13, 14, 27 and 28 February 2021, 13, 14, 20 and 21 March 2021 and 2, 3, 4, 5, 17, 18, 24, 25 and 26 April 2021 within the hours of 12pm to 12 midnight.

- (c) Drinking water will be freely available on the premises as specified in the application:

Discretionary conditions – section 147(1)

- (d) The licence holder must display appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.
- (e) Food must be available for consumption on the premises as specified in the application.
- (f) Low-alcohol beverages must be available for sale and supply on the premises as specified in the application.

- (g) Non-alcohol beverages must be available for sale and supply on the premises as specified in the application.
- (h) The licensee must provide assistance with or information about alternative forms of transport from the premises as specified in the application.
- (i) A copy of the licence as well as age restriction signage must be clearly displayed.
- (j) Entry is restricted to members and invited guests only.
- (k) Alcohol must only be sold, supplied and consumed within the area marked on the plan submitted with the application.

The licence is also subject to the following conditions, which in the committee's opinion are not inconsistent with the Act:

- (l) Noise should be controlled so as not to disturb neighbouring residents.

[10] The applicant's attention is drawn to s 259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under the Act.

[11] I endorse the following additional comment from the Inspector:

The issuing of a special licence does not confirm what the Government COVID-19 Order requirements for gatherings and sale of alcohol will be on the event date applied for (which is a date in the future). It is expected that any event held under the special licence issued will be operated on the day to also take any necessary steps required by Government at that time to observe the COVID-19 requirements for gatherings and sale of alcohol.

[12] A copy of the licence setting out the conditions to which it is subject is attached to this decision.

DECISION ON APPLICATION FOR SPECIAL LICENCE

- [1] This is an application by Addington Raceway Limited ('the applicant') for a Special Licence under s138 of the Sale and Supply of Alcohol Act 2012 ('the Act') in respect of premises situated at 75 Jack Hinton Drive, Christchurch, known as Addington Events Centre.
- [2] The general nature of the event is that of a Christchurch Casino NZ Trotting Cup Day to be held on Tuesday 10 November 2020. The number of people attending is said to be approximately 10,000 -15,000.

- [4] The applicant has experience running this event previously and works closely with the tri agencies (NZ Police, Medical Officer of Health and the Licensing Inspector) to monitor and review past events so as to ensure compliance with the Act and to 'fine tune' the event. The applicant has provided a comprehensive Alcohol Management Plan (AMP) setting out the risks of alcohol related harm and the actions required to minimise those risks. The applicant has appointed Gem Theola Saitaga as the duty manager (60/CERT/889/2016) who has experience running this event and other large scale licenced events in the past. Other certified managers (approximately 25) will be provided for each bar area and roaming managers within the Public Village, Public Trackside Lawn and Lindauer Lawn in groups. Security personnel experienced in licencing industry operations will also be in attendance.

- [7] The applicant has provided an alternative plan in the event that Level 2 Covid 19 Pandemic restrictions were to apply.⁴
- [8] On the basis that there are no outstanding matters raised in opposition in any reports as required by s.141(1) of the Act I can deal with the application on the papers.⁵

DECISION ON APPLICATION FOR SPECIAL LICENCE

- [1] This is an application by South Park Property Holdings Limited ('the applicant') for a Special Licence under s138 of the Sale and Supply of Alcohol Act 2012 ('the Act') in respect of premises situated at 40 Waterloo Road, Christchurch, known as The Works.
- [2] The general nature of the event is that of a series of Thursday night markets from November 2020 to May 2021. The number of people attending is said to be approximately 500 on each occasion.
- [3] The applicant has advised that it will appoint a certified duty manager for each occasion and a list of managers is to be provided prior to the commencement of the event.
- [4] The NZ Police and the Medical Officer of Health are not opposed to the application.

- [5] The Inspectors Report sets out the background to the application and addresses the matters to which regard is to be had in section 142 of the Act.¹ The Inspector recommends the grant of the special licence for the event subject to conditions.
- [6] On the basis that there are no outstanding matters raised in opposition in any reports as required by s.141(1) of the Act I can deal with the application on the papers.²
- [7] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in s.142 of the Act that the granting the application subject to conditions achieves the purpose and objects of the Act.
- [8] Accordingly, pursuant to s.104(1) of the Act I grant the application for a Special Licence for the event subject to the following conditions:

- (e) Food must be available for consumption on the premises as specified in the application.

- (j) Alcohol is to be sold for consumption on site in plastic cups.
- (k) Alcohol must only be sold, supplied and consumed within the area marked on the plan submitted with the application.

The licence is also subject to the following conditions, which in the committee's opinion are not inconsistent with the Act:

- (l) Noise should be controlled so as not to disturb neighbouring residents.
- (m) The Alcohol Management Plan, as provided with the application and the undertakings within, are to be read as conditions of the licence and must be adhered to

[9] The applicant's attention is drawn to s 259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under the Act.

[10] A copy of the licence setting out the conditions to which it is subject is attached to this decision.
