IN THE MATTER

of an application by
G & B Pvt Limited
for a Temporary Authority pursuant to
s136 of the Act in respect of premises
situated at 609 Ferry Road,
Christchurch, known as
Super Liquor Woolston.

DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairperson Mr D.L.Blackwell

- [1] This is an application by **G & B Pvt Limited** for a Temporary Authority for premises known as **Super Liquor Woolston** situated at 609 Ferry Road, Christchurch. The application comes about because of a change of ownership. An application for a substantive licence has yet to be received.
- [2] This is the third Temporary Authority. I am advised by the Licensing Inspector that the delay is due to lodgement meetings being unable to be conducted in Covid Alert Levels 3 and 4.
- [3] The New Zealand Police do not oppose the application. The Inspector recommends the granting of a temporary authority¹. Accordingly I deal with the matter on the papers.
- [4] The granting of a Temporary Authority is governed by s136 of the Act which outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding three months. I am satisfied that the applicant fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months or earlier if the substantive application is determined.
- [5] The applicant's attention is drawn to s136(5) of the Act where it states that they carry "the same duties, obligations and liabilities as the holder of the On-Licence".
- [6] The applicant is also advised that it is the expectation of the Committee that an application for a substantive licence will be lodged within six weeks of the date of this Temporary Authority. The Committee can give no assurance that a second Temporary Authority will be granted should there be undue delay.

DATED at CHRISTCHURCH this 5th day of October, 2021.

[3] The application was duly advertised and no public objections or notice of desire to be heard have been received.

[4] The New Zealand Police and the Medical Officer of Health are not opposed to the application.

[5] I am advised that this application has been delayed because the applicant was initially seeking renewal with changes due to major development work proposed for the area

impacting on the outdoor areas. This work has still not started therefore the applicant is seeking renewal under the existing terms and conditions.

[6] The Inspector's Report sets out the background to the application and addresses matters to which regard is to be had in section 105 and 106 of the Act.¹ The Inspector recommends the grant of the licence for three years subject to conditions.

[7] On the basis that there are no outstanding matters raised in opposition in any reports as required under section 103 of the Act I can deal with the application on the papers.²

[8] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in section 105 (and informed by section 106) of the Act and that granting the application subject to conditions achieves the purpose and objects of the Act.

[9] Accordingly, pursuant to section 104(1) of the Act I grant the application for an On-licence renewal for a period of three years subject to the following conditions:

The Licensed Premises

- (a) The premises are identified on the plan provided with the application for a licence.³

DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairperson Mr D.L.Blackwell

- [1] This is an application by **Bricks & Mortar NZ Limited** for a Temporary Authority for premises known as **Salut Salut** situated at 20 Welles Street, Christchurch. This is the second Temporary Authority issued by the Committee.
- [2] The application comes about because of a change of ownership. An application for a substantive licence has yet to be received.
- [3] The New Zealand Police do not oppose the application. The Inspector recommends the granting of a temporary authority¹. Accordingly I deal with the matter on the papers.
- [4] The granting of a Temporary Authority is governed by s136 of the Act which outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding three months. I am satisfied that the applicant fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months or earlier if the substantive application is determined.
- [5] The applicant's attention is drawn to s136(5) of the Act where it states that they carry "the same duties, obligations and liabilities as the holder of the On-Licence".
- [6] The applicant is also advised that it is the expectation of the Committee that an application for a substantive licence will be lodged within six weeks of the date of this Temporary Authority. The Committee can give no assurance that a second Temporary Authority will be granted should there be undue delay.

AND

IN THE MATTER OF an application by **LINFIELD CULTURAL RECREATIONAL SPORTS CLUB** for a **Special Licence** pursuant to section 138 of the Act in respect of premises situated at **56 Kearneys Road, Christchurch.**

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairperson: Mrs M S Redstone

DECISION ON APPLICATION FOR SPECIAL LICENCE

(ON THE PAPERS)

[1] This is an application by **LINFIELD CULTURAL RECREATIONAL SPORTS CLUB** ('the applicant') for a Special Licence under section 138 of the Sale and Supply of Alcohol Act 2012 ('the Act') in respect of premises situated at 56 Kearneys Road, Christchurch.

[2] The general nature of the event is that of a funeral service for Peter Kerr. The number of people attending is said to be approximately 70.

[3] The applicant has experience running similar events. The applicant has nominated Belinda Roberts, a Licensed Duty Manager¹ to manage the sale and supply of alcohol.

[4] The NZ Police and the Medical Officer of Health are not opposed to the application.

¹ 60/CERT/679/2017

[5] The Inspector's Report sets out the background to the application and addresses the matters to which regard is to be had in section 142 of the Act.² The Inspector recommends the grant of the special licence for the event subject to conditions.

[6] On the basis that there are no outstanding matters raised in opposition in any reports as required by section 141(1) of the Act I can deal with the application on the papers.³

[7] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in section 142 of the Act that the granting the application subject to conditions achieves the purpose and objects of the Act.

[8] Accordingly, pursuant to section 104(1) of the Act I grant the application for a Special Licence for the event subject to the following conditions:

The Licensed Premises

- (a) This special licence authorises the sale, supply and consumption of alcohol within the premises identified on the plan provided with the application and attached to and forming part of this licence.
- (b) The Alcohol Management Plan, as provided with the application, and the undertakings therein, are to be read as conditions of the licence and must be adhered to.

Compulsory conditions – section 147(3)

- (c) Alcohol may only be sold under the licence only on the following days and during the following hours:

Friday 29 October 2021 from 11:30pm to 2:00pm.

- (d) Drinking water will be freely available on the premises as specified in the application.

² Inspector's Report, 28/10/2021

³ ss 191(2) and 202.

Discretionary conditions – section 147(1)

- (e) The licence holder must display appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.
- (f) Food must be available for consumption on the premises as specified in the application.
- (g) Low-alcohol beverages must be available for sale and supply on the premises as specified in the application.
- (h) Non-alcohol beverages must be available for sale and supply on the premises as specified in the application.
- (i) The licensee must provide assistance with or information about alternative forms of transport from the premises as specified in the application.
- (j) A copy of the licence as well as age restriction signage must be clearly displayed.
- (k) Entry is restricted to family and friends of the late Peter Kerr.
- (l) Alcohol must only be sold, supplied and consumed within the area marked on the plan submitted with the application.

The licence is also subject to the following conditions, which in the committee's opinion are not inconsistent with the Act:

- (m) Noise should be controlled so as not to disturb neighbouring residents.

[9] The applicant's attention is drawn to section 259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under the Act.

DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairperson Mr D. L. Blackwell

- [1] This is an application by **LVM Hospitality Limited** for a Temporary Authority for premises known as **Bar 185 (Previously Kensington Fun House)** situated at 185a Manchester Street, Christchurch. This is the second application for a Temporary Authority with the delay being caused by a misunderstanding regarding the Certificate of Compliance application. An application for a substantive licence has yet to be received.
- [2] The New Zealand Police do not oppose the application. The Inspector recommends the granting of a temporary authority¹. Accordingly I deal with the matter on the papers.
- [3] The granting of a Temporary Authority is governed by s136 of the Act which outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding three months. I am satisfied that the applicant fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months or earlier if the substantive application is determined.
- [4] The applicant's attention is drawn to s136(5) of the Act where it states that they carry "the same duties, obligations and liabilities as the holder of the On-Licence".
- [5] The applicant is also advised that it is the expectation of the Committee that an application for a substantive licence will be lodged within six weeks of the date of this Temporary Authority. The Committee can give no assurance that a second Temporary Authority will be granted should there be undue delay.

- [1] This is an application by **Kang Atwal Limited** for a Temporary Authority for premises known as **Horse & Jockey** situated at 8 Yaldhurst Road, Christchurch.
- [2] This is the second application for a Temporary Authority. An application for a substantive licence has been received but the processing has been delayed awaiting reports from the Police and the Medical Officer of Health. Both these organisations are otherwise committed to the Covid emergency.
- [3] The New Zealand Police do not oppose the application. The Inspector recommends the granting of a temporary authority¹. Accordingly I deal with the matter on the papers.
- [4] The granting of a Temporary Authority is governed by s136 of the Act which outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding three months. I am satisfied that the applicant fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months or earlier if the substantive application is determined.
- [5] The applicant's attention is drawn to s136(5) of the Act where it states that they carry "the same duties, obligations and liabilities as the holder of the On-Licence".
- [6] s110(2)(c) – Drinking water to be freely available to customers while the premises are open for business.
