BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairperson: Mr D L Blackwell

**DECISION ON APPLICATION FOR TEMPORARY AUTHORITY
(ON THE PAPERS)**

[1] This is an application by **Zeng Ji Foods Limited** for a Temporary Authority for premises known as **Foo San Restaurant** situated at 6 Roundtree Street, Christchurch. The application comes about because of a change of ownership. An application for a substantive licence has yet to be received.

[2] The New Zealand Police do not oppose the application. The Inspector recommends the granting of a Temporary Authority.¹ Accordingly I deal with the matter on the papers.

[3] The granting of a Temporary Authority is governed by section 136 of the Act which outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding three months. I am satisfied that the applicant fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months or earlier if the substantive application is determined.

¹ Inspector's report, Hamish Little, 17 April 2023.

[4] The applicant's attention is drawn to section 136(5) of the Act where it states that they carry "the same duties, obligations and liabilities as the holder of the On-Licence."

[5] The applicant is also advised that it is the expectation of the Committee that an application for a substantive licence will be lodged within six weeks of the date of this Temporary Authority. The Committee can give no assurance that a second Temporary Authority will be granted should there be undue delay.

IN THE MATTER OF the Sale and Supply of Alcohol Act
2012

AND

IN THE MATTER OF an application by **LATIMER CHURCH
INCORPORATED** for a **Special
Licence** pursuant to section 138 of the
Act in respect of premises situated at **12
Berwick Street, Christchurch** and
known as "**Latimer Church**".

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairperson: Mrs M S Redstone JP

**DECISION ON APPLICATION FOR SPECIAL LICENCE
(On the papers)**

[1] This is an application by **LATIMER CHURCH INCORPORATED** ('the applicant') for a Special Licence under section 138 of the Sale and Supply of Alcohol Act 2012 ('the Act') in respect of premises situated at **12 Berwick Street, Christchurch** and known as "**Latimer Church**".

[2] The general nature of the event is that of Invitation Week - Young Adults Grill. The number of people attending is said to be approximately 80.

[3] The applicant has experience running similar events and has requested an exemption from the requirement to provide a qualified duty manager for the event pursuant to section 213(1) of the Act. The applicant has nominated Christo Venter to manage the sale and supply of alcohol.

[4] The NZ Police and the Medical Officer of Health have not raised any matters in opposition to this application.

[5] The Inspector's Report sets out the background to the application and addresses the matters to which regard is to be had in section 142 of the Act.¹ The Inspector recommends the grant of the special licence for the event subject to conditions.

[6] On the basis that there are no outstanding matters raised in opposition in any reports as required by section 141(1) of the Act I can deal with the application on the papers.²

[7] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in section 142 of the Act that the granting the application subject to conditions achieves the purpose and objects of the Act.

[8] Accordingly, pursuant to section 104(1) of the Act I grant the application for a Special Licence for the event subject to the following conditions:

The Licensed Premises

- (a) This special licence authorises the sale, supply and consumption of alcohol within the premises identified on the plan provided with the application and attached to and forming part of this licence.

Compulsory conditions – section 147(3)

- (b) Alcohol may only be sold under the licence only on the following days and during the following hours:

Tuesday 16 May 2023 between the hours of 6:00pm and 10:00pm

- (c) Drinking water will be freely available on the premises as specified in the application.

¹ Inspector's Report, 20/04/2023

² ss 191(2) and 202.

Discretionary conditions – section 147(1)

- (d) The licence holder must display appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.
- (e) Food must be available for consumption on the premises as specified in the application.
- (f) Low-alcohol beverages must be available for sale and supply on the premises as specified in the application.
- (g) Non-alcohol beverages must be available for sale and supply on the premises as specified in the application.
- (h) The licensee must provide assistance with or information about alternative forms of transport from the premises as specified in the application.
- (i) A copy of the licence as well as age restriction signage must be clearly displayed.
- (j) Entry is restricted to ticket holders only.
- (k) Alcohol must only be sold, supplied and consumed within the area marked on the plan submitted with the application.

The licence is also subject to the following conditions, which in the committee's opinion are not inconsistent with the Act:

- (l) Noise should be controlled so as not to disturb neighbouring residents.

[9] The applicant's attention is drawn to section 259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under the Act.

DECISION ON APPLICATION FOR SPECIAL LICENCE

[1] This is an application by **URIEL VENTURES LIMITED** ('the applicant') for a Special Licence under section 138 of the Sale and Supply of Alcohol Act 2012 ('the Act') in respect of premises situated at **Venues Otautahi, 55 Jack Hinton Drive, Christchurch** and known as "**Christchurch Arena - Stand M23**".

[2] The general nature of the event is that of NZMCA Motorhome & Caravan Leisure Show 2023. This is a large event held over two days. There will be sufficient food stalls on site. The applicant intends to have a stall at the event to advertise and sell their product to be consumed elsewhere. Samples are permitted to be provided free of charge on the premises.

[3] The applicant has experience running similar events. The applicant has nominated Gert Taljaard, a Licensed Duty Manager¹ to manage the sale and supply of alcohol.

¹ 60/CERT/359/2020

[4] The applicant is a manufacturer, distributor, importer, or wholesaler of alcohol for sale and consumption off the premises (i.e. to be taken away from the event). This permits samples to be provided free of charge on the premises.

[5] The NZ Police and the Medical Officer of Health have not raised any matters in opposition to the application.

[6] The Inspector's Report sets out the background to the application and addresses the matters to which regard is to be had in section 142 of the Act.² The Inspector recommends the grant of the special licence for the event subject to conditions.

[7] On the basis that there are no outstanding matters raised in opposition in any reports as required by section 141(1) of the Act I can deal with the application on the papers.³

[8] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in section 142 of the Act that the granting the application subject to conditions achieves the purpose and objects of the Act.

[9] Accordingly, pursuant to section 104(1) of the Act I grant the application for a Special Licence for the event subject to the following conditions:

The Licensed Premises

- (a) This special licence authorises the sale, supply and consumption of alcohol within the premises identified on the plan provided with the application and attached to and forming part of this licence, being Stand M23 on the map.

Compulsory conditions – section 147(3)

- (b) Alcohol may only be sold under the licence only on the following days and during the following hours:

Sunday 21 May 2023 between the hours of 9:00am and 4:00pm

² Inspector's Report, 21/04/2023

³ ss 191(2) and 202.

- (c) Drinking water will be freely available on the premises as specified in the application.

Discretionary conditions – section 147(1)

- (d) The licence holder must display appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.
- (e) Alcohol must only be sold, supplied and consumed within the area marked on the plan submitted with the application. Samples only may be consumed in the said marked area. Alcohol purchased must **not** be consumed on the premises.
- (f) Low-alcohol beverages must be available for sale and supply on the premises as specified in the application.
- (g) Non-alcohol beverages must be available for sale and supply on the premises as specified in the application.
- (h) Food must be available for consumption on the premises as specified in the application.
- (i) The licensee must provide assistance with or information about alternative forms of transport from the premises as specified in the application.
- (j) A copy of the licence as well as age restriction signage must be clearly displayed.
- (k) Entry is restricted to ticket holders and door sales only.

The licence is also subject to the following conditions, which in the committee's opinion are not inconsistent with the Act:

- (l) Noise should be controlled so as not to disturb neighbouring residents.

[1] This is an application by **Apricot Chicken Limited** for a Temporary Authority for premises known as **Viaduct Restaurant and Bar** situated at 134 Oxford Terrace, Christchurch. The application comes about because of a change of ownership. An application for a substantive licence has yet to be received.

[2] The New Zealand Police do not oppose the application. The Inspector recommends the granting of a Temporary Authority.¹ Accordingly I deal with the matter on the papers.

[3] The granting of a Temporary Authority is governed by section 136 of the Act which outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding three months. I am satisfied that the applicant fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months or earlier if the substantive application is determined.

¹ Inspector's report, Nikki Anderson, 26 April 2023.

[4] The applicant's attention is drawn to section 136(5) of the Act where it states that they carry "the same duties, obligations and liabilities as the holder of the On-Licence."

[5] The applicant is also advised that it is the expectation of the Committee that an application for a substantive licence will be lodged within six weeks of the date of this Temporary Authority. The Committee can give no assurance that a second Temporary Authority will be granted should there be undue delay.
