**DECISION ON APPLICATION FOR TEMPORARY AUTHORITY
(ON THE PAPERS)**

[1] This is an application by **Zeng Ji Foods Limited** for a Temporary Authority for premises known as **Foo San Restaurant** situated at 6 Roundtree Street, Christchurch. An application for a substantive licence has been received.

[2] The New Zealand Police do not oppose the application. The Inspector recommends the granting of a Temporary Authority.¹ Accordingly I deal with the matter on the papers.

[3] The granting of a Temporary Authority is governed by section 136 of the Act which outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding three months. I am satisfied that the applicant fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months or earlier if the substantive application is determined.

¹ Inspector's report, Hamish Little, 4 July 2023.

[4] The applicant's attention is drawn to section 136(5) of the Act where it states that they carry "the same duties, obligations and liabilities as the holder of the On-Licence."

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairperson: Mr D L Blackwell

**DECISION ON APPLICATION FOR RENEWAL OF ON-LICENCE
(ON THE PAPERS)**

[1] This is an application by **University of Canterbury Students Association Incorporated** ("the applicant") for renewal of an On-Licence pursuant to section 99 of the Sale and Supply of Alcohol Act 2012 ("the Act") for premises known as **Haere Roa** situated at 90 Ilam Road, Christchurch.

[2] The premises are in the nature of an Entertainment/Function/Meeting Centre and Education Facility

[3] The application was duly advertised and no public objections or notice of desire to be heard have been received.

[4] The New Zealand Police and the Medical Officer of Health are not opposed to the application.

[5] The Inspector's Report sets out the background to the application and addresses matters to which regard is to be had in section 105 and 106 of the Act.¹ The Inspector recommends the grant of the licence for three years subject to conditions.

[6] On the basis that there are no outstanding matters raised in opposition in any reports as required under section 103 of the Act I can deal with the application on the papers.²

[7] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in section 105 (and informed by section 106) of the Act and that granting the application subject to conditions achieves the purpose and objects of the Act.

[8] Accordingly, pursuant to section 104(1) of the Act I grant the application for an On-licence renewal for a period of three years subject to the following conditions:

The Licensed Premises

(a) The premises are identified on the plan provided with the application for a licence.³

Section 110 (1) Discretionary Conditions

(b) The following steps must be taken to ensure that the provisions of the Act relating to the sale and supply of alcohol to prohibited persons are observed:

(i) Display of appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition of sales to intoxicated persons.

(c) The following steps must be taken to ensure that the provisions of the Act relating to the management of the premises are concerned:

**DECISION ON APPLICATION FOR TEMPORARY AUTHORITY
(ON THE PAPERS)**

[1] This is an application by **Nice Chinese Food Limited** for a Temporary Authority for premises known as **Madam Kwong’s** situated at 155 Blenheim Road, Christchurch.

[2] The application comes about because of changes within the company. An application for a substantive licence has yet to be received.

[3] The New Zealand Police do not oppose the application. The Inspector recommends the granting of a Temporary Authority.¹ Accordingly I deal with the matter on the papers.

[4] The granting of a Temporary Authority is governed by section 136 of the Act which outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding three months. I am satisfied that the applicant fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months or earlier if the substantive application is determined.

¹ Inspector’s report, Paul Spang, 11 July 2023.

[5] The applicant's attention is drawn to section 136(5) of the Act where it states that they carry "the same duties, obligations and liabilities as the holder of the On-Licence."

[6] S110(2)(c) – Drinking water is to be freely available to customers while the premises are open for business.

[7] The applicant is also advised that it is the expectation of the Committee that an application for a substantive licence will be lodged within six weeks of the date of this Temporary Authority. The Committee can give no assurance that a second Temporary Authority will be granted should there be undue delay.

**DECISION ON APPLICATION FOR TEMPORARY AUTHORITY
(ON THE PAPERS)**

[1] This is an application by **Adrianleigh Limited** for a Temporary Authority for premises known as **New World Ferry Road** situated at 7 St Johns Street, Christchurch. The application comes about because of a change of ownership.

[2] The Liquor Licensing Inspector advises, in his report, that an application for a substantive licence has yet to be received.

[3] The New Zealand Police do not oppose the application. The Inspector recommends the granting of a Temporary Authority.¹ Accordingly I deal with the matter on the papers.

[4] The granting of a Temporary Authority is governed by section 136 of the Act which outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding three months. I am satisfied that the applicant

¹ Inspector's report, Gary Hay, 21 July 2023.

fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months or earlier if the substantive application is determined.

[5] The applicant's attention is drawn to section 136(5) of the Act where it states that they carry "the same duties, obligations and liabilities as the holder of the On-Licence."

[6] The applicant is also advised that it is the expectation of the Committee that an application for a substantive licence will be lodged within six weeks of the date of this Temporary Authority. The Committee can give no assurance that a second Temporary Authority will be granted should there be undue delay.

Chairperson: Mr D L Blackwell

**DECISION ON APPLICATION FOR RENEWAL OF ON-LICENCE
(ON THE PAPERS)**

[1] This is an application by **Ryman Healthcare Limited** (“the applicant”) for renewal of an On-Licence pursuant to section 99 of the Sale and Supply of Alcohol Act 2012 (“the Act”) for premises known as **Anthony Wilding Retirement Village** situated at 5 Corbett Crescent, Christchurch.

[3] The application was duly advertised and no public objections or notice of desire to be heard have been received.

[5] The Inspector's Report sets out the background to the application and addresses matters to which regard is to be had in section 105 and 106 of the Act.¹ The Inspector recommends the grant of the licence for three years subject to conditions.

[6] On the basis that there are no outstanding matters raised in opposition in any reports as required under section 103 of the Act I can deal with the application on the papers.²

[7] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in section 105 (and informed by section 106) of the Act and that granting the application subject to conditions achieves the purpose and objects of the Act.

[8] Accordingly, pursuant to section 104(1) of the Act I grant the application for an On-licence renewal for a period of three years subject to the following conditions:

**DECISION ON APPLICATION FOR TEMPORARY AUTHORITY
(ON THE PAPERS)**

[1] This is an application by **D & C Christchurch Limited** for a Temporary Authority for premises known as **Cloud Café & Bar** situated at 26 Marriner Street, Christchurch. The application comes about because of a change of ownership. An application for a substantive licence has yet to be received.

[2] The New Zealand Police do not oppose the application. The Inspector recommends the granting of a Temporary Authority.¹ Accordingly I deal with the matter on the papers.

[3] The granting of a Temporary Authority is governed by section 136 of the Act which outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding three months. I am satisfied that the applicant fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months or earlier if the substantive application is determined.

¹ Inspector's report, Hamish Little, 20 July 2023.

[4] The applicant's attention is drawn to section 136(5) of the Act where it states that they carry "the same duties, obligations and liabilities as the holder of the On-Licence."

[5] The applicant is also advised that it is the expectation of the Committee that an application for a substantive licence will be lodged within six weeks of the date of this Temporary Authority.

[1] This is an application by **T.R.Y. Investments Limited** for a Temporary Authority for premises known as **Mitchelli's Cafe** situated at 21/3 Garlands Road, Christchurch. The application comes about because of a change of ownership. An application for a substantive licence has yet to be received.

[3] The granting of a Temporary Authority is governed by section 136 of the Act which outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding three months. I am satisfied that the applicant fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months or earlier if the substantive application is determined.

¹ Inspector's report, Hamish Little, July 2023.

[4] The applicant's attention is drawn to section 136(5) of the Act where it states that they carry "the same duties, obligations and liabilities as the holder of the On-Licence."

[5] The applicant is also advised that it is the expectation of the Committee that an application for a substantive licence will be lodged within six weeks of the date of this Temporary Authority. **DECISION ON APPLICATION FOR TEMPORARY AUTHORITY
(ON THE PAPERS)**

[1] This is an application by **Kebab & Grill Corner Limited** for a Temporary Authority for premises known as **Kebab & Grill Corner** situated at 1 Morrison Avenue, Christchurch. The application comes about because of a change of ownership. An application for a substantive licence has yet to be received.

[2] The New Zealand Police do not oppose the application. The Inspector recommends the granting of a Temporary Authority.¹ Accordingly I deal with the matter on the papers.

[3] The granting of a Temporary Authority is governed by section 136 of the Act which outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding three months. I am satisfied that the applicant fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months or earlier if the substantive application is determined.

¹ Inspector's report, Hamish Little, July 2023.

[4] The applicant's attention is drawn to section 136(5) of the Act where it states that they carry "the same duties, obligations and liabilities as the holder of the On-Licence."

[5] The applicant is also advised that it is the expectation of the Committee that an application for a substantive licence will be lodged within six weeks of the date of this Temporary Authority. The Committee can give no assurance that a second Temporary Authority will be granted should there be undue delay.
