**DECISION ON APPLICATION FOR TEMPORARY AUTHORITY
(ON THE PAPERS)**

[1] This is an application by **Sumner 2024 Limited** for a Temporary Authority for premises known as **4 Shore Sumner (previously The Village Inn)** situated at 41b Nayland, Christchurch. The application comes about because of a change of ownership. An application for a substantive licence has yet to be received.

[2] The New Zealand Police do not oppose the application. The Inspector recommends the granting of a Temporary Authority.¹ Accordingly I deal with the matter on the papers.

[3] The granting of a Temporary Authority is governed by section 136 of the Act which outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding three months. I am satisfied that the applicant fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months or earlier if the substantive application is determined.

¹ Inspector's report, Paul Spang, 25 January 2024.

[4] The applicant's attention is drawn to section 136(5) of the Act where it states that they carry "the same duties, obligations and liabilities as the holder of the On-Licence."

[5] The applicant is also advised that it is the expectation of the Committee that an application for a substantive licence will be lodged within six weeks of the date of this Temporary Authority. The Committee can give no assurance that a second Temporary Authority will be granted should there be undue delay.

**DECISION ON APPLICATION FOR TEMPORARY AUTHORITY
(ON THE PAPERS)**

[1] This is an application by **Kebab & Grill Corner Limited** for a Temporary Authority for premises known as **Kebab & Grill Corner** situated at 1b Morrison Avenue, Christchurch. The application comes about because of a change of ownership. An application for a substantive licence has yet to be received.

[2] The New Zealand Police do not oppose the application. The Inspector recommends the granting of a Temporary Authority.¹ Accordingly I deal with the matter on the papers.

[3] The granting of a Temporary Authority is governed by section 136 of the Act which outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding three months. I am satisfied that the applicant fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months or earlier if the substantive application is determined.

¹ Inspector's report, Anneke Lavery, 17 January 2024.

[4] The applicant's attention is drawn to section 136(5) of the Act where it states that they carry "the same duties, obligations and liabilities as the holder of the On-Licence."

[5] The applicant is also advised that it is the expectation of the Committee that an application for a substantive licence will be lodged within six weeks of the date of this Temporary Authority. The Committee can give no assurance that a second Temporary Authority will be granted should there be undue delay.

[8] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in section 142 of the Act that the granting the application subject to conditions achieves the purpose and objects of the Act.

[9] Accordingly, pursuant to section 104(1) of the Act I grant the application for a Special Licence for the event subject to the following conditions:

The Licensed Premises

- (a) This special licence authorises the sale, supply and consumption of alcohol within the premises identified on the plan provided with the application and attached to and forming part of this licence being the Sports Bar and Whitford's Bar.

² ss 191(2) and 202.

**DECISION ON APPLICATION FOR TEMPORARY AUTHORITY
(ON THE PAPERS)**

[1] This is an application by **Sherpa Kai Limited** for a Temporary Authority for premises known as **Dana** situated at 40 London Street, Lyttelton. The application comes about because of a change of ownership.

[2] The New Zealand Police do not oppose the application. The Inspector recommends the granting of a Temporary Authority.¹ Accordingly I deal with the matter on the papers.

[3] The granting of a Temporary Authority is governed by section 136 of the Act which outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding three months. I am satisfied that the applicant fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months or earlier if the substantive application is determined.

¹ Inspector's report, Anneke Lavery, 28 December 2023.

[4] The applicant's attention is drawn to section 136(5) of the Act where it states that they carry "the same duties, obligations and liabilities as the holder of the On-Licence."

[5] The applicant is also advised that it is the expectation of the Committee that an application for a substantive licence will be lodged within six weeks of the date of this Temporary Authority. The Committee can give no assurance that a further Temporary Authority will be granted should there be undue delay.

[2] The application was received by the Christchurch City Council Alcohol Licensing Team on 22 December 2023 which was within the 20 days’ notice required given the Christmas/New Year Holiday period. The Police are unable to report, having been given insufficient notice. The District Licensing Committee granted a section 208 waiver in relation to the application having been received within 20 days of the event subject to a reduction in the requested hours which, in the opinion of the Committee, made the event low risk in terms of alcohol harm that may arise from such an event.

[3] The general nature of the event is that of the Sumner Surf Club Quiz Night. The number of people attending is said to be approximately 80.

[4] The applicant has experience running similar events and has requested an exemption from the requirement to provide a qualified duty manager for the event pursuant to section

213(1) of the Act. The applicant has nominated Kate Suter to manage the sale and supply of alcohol.

[5] The NZ Police are not opposed to the application and the Medical Officer of Health are not reporting on the application.

[6] The Inspector's Report sets out the background to the application and addresses the matters to which regard is to be had in section 142 of the Act.¹ The Inspector recommends the grant of the special licence for the event subject to conditions.

[7] On the basis that there are no outstanding matters raised in opposition in any reports as required by section 141(1) of the Act I can deal with the application on the papers.²

[8] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in section 142 of the Act that the granting the application subject to conditions achieves the purpose and objects of the Act.

[9] Accordingly, pursuant to section 104(1) of the Act I grant the application for a Special Licence for the event subject to the following conditions:

The Licensed Premises

- (a) This special licence authorises the sale, supply and consumption of alcohol within the premises identified on the plan provided with the application and attached to and forming part of this licence.

Compulsory conditions – section 147(3)

**DECISION ON APPLICATION FOR TEMPORARY AUTHORITY
(ON THE PAPERS)**

[1] This is an application by **NZ Venue Co Limited** for a Temporary Authority for premises known as **Carlton Bar & Eatery** situated at 1 Papanui Road, Christchurch. The application comes about because of a change of ownership. An application for a substantive licence has yet to be received.

[2] The New Zealand Police do not oppose the application. The Inspector recommends the granting of a Temporary Authority.¹ Accordingly I deal with the matter on the papers.

[3] The granting of a Temporary Authority is governed by section 136 of the Act which outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding three months. I am satisfied that the applicant fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months or earlier if the substantive application is determined.

¹ Inspector's report, Gary Hay, 22 January 2024.

[4] The applicant's attention is drawn to section 136(5) of the Act where it states that they carry "the same duties, obligations and liabilities as the holder of the On-Licence."

[5] The applicant is also advised that it is the expectation of the Committee that an application for a substantive licence will be lodged within six weeks of the date of this Temporary Authority. The Committee can give no assurance that a second Temporary Authority will be granted should there be undue delay.
