BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairperson: Ms D L Morrison

**DECISION ON APPLICATION FOR SPECIAL OFF LICENCE
(On the papers)**

[1] This is an application by **HERRICK CREEK LIMITED** (‘the applicant’) for a Special Off Licence under section 138 of the Sale and Supply of Alcohol Act 2012 (‘the Act’) in respect of premises situated at **555 Colombo Street, Christchurch Central City, Christchurch** and known as **“South City Mall - Otautahi Crafters Market”**.

[2] On 10 March 2026 the District Licensing Committee granted a section 208 waiver in relation to the application having been received within twenty (20) days of the event.

[3] The general nature of the event is that of a Crafters Market. The number of people attending is said to be approximately 50.

[4] The applicant has experience running similar events. The applicant has nominated Thomas Finn, a certified Duty Manager¹ to manage the sale and supply of alcohol.

[5] The applicant is a manufacturer, distributor, importer, or wholesaler of alcohol for sale off the premises. This Licence permits samples to be provided free of charge on the premises.

¹ 60/CERT/275/2020

[6] The NZ Police and the Medical Officer of Health have not raised any matters in opposition to this application.

[7] The Inspector's Report sets out the background to the application and addresses the matters to which regard is to be had in section 142 of the Act.² The Inspector recommends the grant of the special licence for the event subject to conditions.

[8] On the basis that there are no outstanding matters raised in opposition in any reports as required by section 141(1) of the Act I can deal with the application on the papers.³

[9] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in section 142 of the Act that the granting the application subject to conditions achieves the purpose and objects of the Act.

[10] Accordingly, pursuant to section 104(1) of the Act I grant the application for a Special Licence for the event subject to the following conditions:

The Licensed Premises

- (a) This special licence authorises the sale, supply and consumption of alcohol within the premises identified on the plan provided with the application and attached to and forming part of this licence.

Restricted and Supervised Areas - section 147(2)

Compulsory conditions – section 147(3)

Sunday 29 March 2026 between the hours of 9.00am and 5:00pm

- (d) Drinking water will be freely available on the premises as specified in the application.

² Inspector's Report, 11/03/2026

³ ss 191(2) and 202.

Discretionary conditions – section 147(1)

- (e) The licence holder must display appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.
- (f) The licensee must provide assistance with information about alternative forms of transport from the premises as specified in the application.
- (g) A copy of the licence as well as age restriction signage must be clearly displayed.
- (h) Only the applicant's own alcohol may be sold or delivered on or from the premises.
- (i) Entry to the event is open to the general public.
- (j) Alcohol must only be sold and supplied within the area marked on the plan submitted with the application. The free samples supplied in 5ml sample cups may only be consumed in the said marked area.
- (k) Alcohol purchased in unopened bottles must **not** be consumed on the premises.

[11] The applicant's attention is drawn to section 259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under the Act.
