BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairperson: Mrs M S Redstone JP

**DECISION ON APPLICATION FOR SPECIAL ON AND OFF-LICENCE
(ON THE PAPERS)**

[1] This is an application by **WAIRAU RIVER WINES LIMITED** ('the applicant') for a Special On and Off-Licence under section 138 of the Sale and Supply of Alcohol Act 2012 ('the Act') in respect of premises situated at **638 Harewood Road, Christchurch** being a private residence.

[2] The general nature of the event is that of New Zealand House and Garden Tours Sundown Session (One Hour Cocktail Party). The number of people attending is said to be approximately 100.

[3] The applicant has experience running similar events. The applicant has nominated Sandra Hansen, a certified Duty Manager¹ to manage the sale and supply of alcohol.

[4] The applicant is a manufacturer, distributor, importer, or wholesaler of alcohol for sale and consumption off the premises (i.e. to be taken away from the event). This permits samples to be provided free of charge on the premises.

[5] The NZ Police and the Medical Officer of Health are not reporting on the application.

¹ 52/CERT/130/2023

[6] The Inspector's Report sets out the background to the application and addresses the matters to which regard is to be had in section 142 of the Act.² The Inspector recommends the grant of the special licence for the event subject to conditions.

[7] On the basis that there are no outstanding matters raised in opposition in any reports as required by section 141(1) of the Act I can deal with the application on the papers.³

[8] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in section 142 of the Act that the granting the application subject to conditions achieves the purpose and objects of the Act.

[9] Accordingly, pursuant to section 104(1) of the Act I grant the application for a Special Licence for the event subject to the following conditions:

The Licensed Premises

- (a) This special licence authorises the sale, supply and consumption of alcohol within the premises identified on the plan provided with the application and attached to and forming part of this licence.

Restricted and Supervised Areas - section 147(2)

- (b) The licensed area is undesignated.

Compulsory conditions – section 147(3)

- (c) Alcohol may only be sold under the licence only on the following days and during the following hours:

**Friday 20 and Saturday 21 February 2026 between the hours of 4:30pm
and 5:30pm**

- (d) Drinking water will be freely available on the premises as specified in the application.

Discretionary conditions – section 147(1)

- (e) The licence holder must display appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.

² Inspector's Report, 13/01/2026

³ ss 191(2) and 202.

- (f) Alcohol must only be sold, supplied and consumed within the area marked on the plan submitted with the application. Samples only may be consumed in the said marked area. Alcohol purchased must **not** be consumed on the premises.
- (g) Food must be available for consumption on the premises as specified in the application.
- (h) Low-alcohol beverages must be available for sale and supply on the premises as specified in the application.
- (i) Non-alcohol beverages must be available for sale and supply on the premises as specified in the application.
- (j) The licensee must provide assistance with or information about alternative forms of transport from the premises as specified in the application.
- (k) A copy of the licence as well as age restriction signage must be clearly displayed.
- (l) Entry is restricted to ticket holders only as part of the House and Garden Tour.
- (m) Alcohol must only be sold, supplied and consumed within the area marked on the plan submitted with the application.

The licence is also subject to the following conditions, which in the committee's opinion are not inconsistent with the Act:

- (n) Noise should be controlled so as not to disturb neighbouring residents.

[10] The applicant's attention is drawn to section 259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under the Act.

[1] This is an application by **Jai Devbhoomi Limited** for a Temporary Authority for premises known as **The Commoners Bar** situated at 10 Oxford Street, Lyttelton. The application comes about because of a change of ownership. An application for a substantive licence has yet to be received.

[3] The granting of a Temporary Authority is governed by section 136 of the Act which outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding three months. I am satisfied that the applicant fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months or earlier if the substantive application is determined.

¹ Inspector's report, James Reid, 19 January 2026.

[4] The applicant's attention is drawn to section 136(5) of the Act where it states that they carry "the same duties, obligations and liabilities as the holder of the On-Licence."

[5] The applicant is also advised that it is the expectation of the Committee that an application for a substantive licence will be lodged within six weeks of the date of this Temporary Authority. The Committee can give no assurance that a second Temporary Authority will be granted should there be undue delay.

[2] The general nature of the event is that of the David Salton's end of life celebration. The number of people attending is said to be approximately 90.

[3] The applicant has experience running similar events. The applicant has appointed Brendan Muir a Licensed Duty Manager¹, as the Duty Manager to manage the sale and supply of alcohol.

[4] The NZ Police and the Medical Officer of Health are not opposed to the application.

[5] The Inspector's Report sets out the background to the application and addresses the matters to which regard is to be had in section 142 of the Act.² The Inspector recommends the grant of the special licence for the event subject to conditions.

¹ 60/CERT/607/2020

² Inspector's Report, 22/10/2025

[6] On the basis that there are no outstanding matters raised in opposition in any reports as required by section 141(1) of the Act I can deal with the application on the papers.³

[7] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in section 142 of the Act that the granting the application subject to conditions achieves the purpose and objects of the Act.

[8] Accordingly, pursuant to section 104(1) of the Act I grant the application for a Special Licence for the event subject to the following conditions:

The Licensed Premises

- (a) This special licence authorises the sale, supply and consumption of alcohol within the premises identified on the plan provided with the application and attached to and forming part of this licence.

IN THE MATTER OF an application by **Maum Korean Limited** for a **Temporary Authority** pursuant to section 136 of the Act in respect of premises situated at **53 The Runway, Wigram, Christchurch**, known as '**Zzan Wigram**'

**DECISION ON APPLICATION FOR TEMPORARY AUTHORITY
(ON THE PAPERS)**

[1] This is an application by **Maum Korean Limited** for a Temporary Authority for premises known as **Zzan Wigram** situated at 53 The Runway, Wigram, Christchurch. The application comes about because of a change of ownership. An application for a substantive licence has yet to be received.

[2] The New Zealand Police do not oppose the application. The Inspector recommends the granting of a Temporary Authority.¹ Accordingly I deal with the matter on the papers.

[3] The granting of a Temporary Authority is governed by section 136 of the Act which outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding three months. I am satisfied that the applicant fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months or earlier if the substantive application is determined.

¹ Inspector's report, Vijeta Thakur, 27 January 2026.

[4] The applicant's attention is drawn to section 136(5) of the Act where it states that they carry "the same duties, obligations and liabilities as the holder of the On-Licence."

[5] The applicant is also advised that it is the expectation of the Committee that an application for a substantive licence will be lodged within six weeks of the date of this Temporary Authority. The Committee can give no assurance that a second Temporary Authority will be granted should there be undue delay.

**DECISION ON APPLICATION FOR TEMPORARY AUTHORITY
(ON THE PAPERS)**

[1] This is an application by **Garam Masala Limited** for a Temporary Authority for premises known as **Garam Masala** situated at 18 Marshlands Road, Christchurch. The application comes about because of a change of ownership. An application for a substantive licence has been received.

[2] The New Zealand Police do not oppose the application. The Inspector recommends the granting of a Temporary Authority.¹ Accordingly I deal with the matter on the papers.

[3] The granting of a Temporary Authority is governed by section 136 of the Act which outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding three months. I am satisfied that the applicant fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months or earlier if the substantive application is determined.

¹ Inspector's report, Nikki Anderson, undated 2026.

[4] The applicant's attention is drawn to section 136(5) of the Act where it states that they carry "the same duties, obligations and liabilities as the holder of the On-Licence."

[5] The applicant is also advised that it is the expectation of the Committee that an application for a substantive licence will be lodged within six weeks of the date of this Temporary Authority. The Committee can give no assurance that a further Temporary Authority will be granted should there be undue delay.

**DECISION ON APPLICATION FOR TEMPORARY AUTHORITY
(ON THE PAPERS)**

[1] This is an application by **Maum Korean Limited** for a Temporary Authority for premises known as **Zzan City** situated at 62 Manchester Street, Christchurch. The application comes about because of a change of ownership. An application for a substantive licence has been received.

[2] The New Zealand Police do not oppose the application. The Inspector recommends the granting of a Temporary Authority.¹ Accordingly I deal with the matter on the papers.

[3] The granting of a Temporary Authority is governed by section 136 of the Act which outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding three months. I am satisfied that the applicant fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months or earlier if the substantive application is determined.

¹ Inspector's report, Charlotte Hannon, 30 January 2026.

[4] The applicant's attention is drawn to section 136(5) of the Act where it states that they carry "the same duties, obligations and liabilities as the holder of the On-Licence."
