Part I - **Conditions**

¹ Confined Spaces

All Authorised Drainlayers are required to apply for Authority to work in Council Confined Spaces. See <https://www.ccc.govt.nz/consents-and-licences/construction-requirements/authority-to-access-council-services-confined-spaces>

²Traffic Management

TMPs are required for all activities that vary the normal operating condition of the road, irrespective of whether the activity is on a carriageway, footpath or adjacent to the road. TMPs are also needed for activities outside the road reserve which will affect the normal operating conditions of the road. Prior to such activities commencing, a TMP complying with the Transit Code of Practice for Temporary Traffic Management (CoPTTM) must be submitted to, and approved by the Council's Traffic Management Coordinator. A qualified STMP must submit the TMP online at www.tmpforchch.co.nz at least five (5) working days prior to the planned commencement of work.

³Quality Assurance Plan

For details on the required contents of such a plan, refer to the Council's:

- Infrastructure Design Standards (IDS) Part 3 – Quality Assurance (Appendix III – QA Plan Template)
- Construction Standard Specifications (CSS) Part 1 – General (4.0)
- Construction Standard Specifications (CSS) Part 3 – Utility Drainage (Appendix 1, Appendix 3, Appendix 4)

Assessment

On-site technical assessments are required to ensure that the applicant has the necessary experience, technical skills and resources to carry out authorised work in accordance with Council regulations and standards. When applicant has a suitable job(s) to be assessed please call 03 941 8999 and ask to speak with the Authorised Drainlayer Assessor to arrange suitable assessment times.

Approval

Approval will be given in writing only, and is only awarded to the individual and not to commercial entities. It is not transferable and can be withdrawn by the Council upon non-compliance with the rules as outlined in the Terms and Conditions.
