11. Name: Wray + Dorothy Johnson-Foote.

Our property is part of the hilly area in Clarendon Tce, & terraced on three levels. The bottom retaining wall at footpath level is 2ft 3in high, & during the floods of 1975 + 1977 the water rose over the top of this & covered about 10ft of our lower lawn. Consequently the water was about 2ft. 6in. deep at the gate making it impossible to leave the property.

Although our home & possessions are not threatened by flood we certainly do have a serious problem regarding access. ~~Work~~ Travelling to work during these times is impossible.

Mrs. D. Johnson-Foote.
