Please select one only	Please specify	Please provide your reasons for your answer:	Preferred site for the Library and Customer Services (please select one)	Please specify	Please provide reasons for your answer:	Preferred site for the South West Leisure Centre (please select one)	Please specify:	Please provide reasons for your answers:
1559	Karen Stephens							Other	South Hornby or Sockburn Primary	<p>Denton Park was donated in the spirit of being a sports field by Mr Denton. We should continue to honor this commitment. We have a huge array of sporting community here that need this in our community. Let's put these facilities somewhere away from traffic. Public transport is within walking distance but hey let's be honest only half the people will be using public transport anyways. The Hub Hornby mall is way too busy for all of this. Keep the library where is, it could be a two storey building I know there is more cost involved but hey if it anit broke!!</p> <p>It is a shame all that reserved land behind the library was used for housing where this would have been the perfect for all of this. Lets not rush like that decision and let's listen to the people and what we want. We want hehe so keep our Denton Park for what we are using it for now don't mess with it sigh!!</p>	Other	South Hornby	<p>Because if you put more housing there (South Hornby Primary) will not be any sports facilities to crater for their needs as you will have taken our beloved percentage of this away.</p> <p>We may as plug it with a pool and or a library rather than more houses.</p>

1147	Renee Langdale-Hunt				Kyle Park		Kyle Park for the Leisure Centre and Denton Park for a library or both in Kyle Park				Kyle Park		It just makes sense. The Kyle Park needs this, it would be good to have these services behind the mall and next to the bmx track where people can maximise their activities. If it was in Denton Park it would feel waaay too congested. Kyle Park all the way
