Submission:	<p>What a travesty to attempt to reclassify and build on grounds currently being utilised when there is plenty of other unused space close by in other fields. This is part of the rugby fields and the one most often used for rugby games outside of the Oval as it the one that in winter defrosts earliest (and therefore is safer for the younger children to play on. The council is creating a risk to these young (and older) players by what would mean moving them to the other fields which I believe is totally unacceptable. Placement would also therefore mean there will be no room for the cricket ground, again why when there are other grounds. I totally oppose the reclassification of the piece of Denton Park proposed.</p>

Submission:	We would like to be reassured that the whole of Denton Park in its entirety remains for the communal access and use of the community. Not to be hijacked as was a part of Hagley Park for an individual sport and by the Government in regards to the Nurses home, two rather large pieces of the park. A library, a local swimming pool and reasonable parking access is a commendable project and badly needed.

Submission:	<p>The 3d Visualisation of the proposed plan does not indicate the existing Velodrome or the parking beside and behind the velodrome that was suggested as being compulsory retaining or added as part of both written and verbal submissions.</p> <p>Canterbury Track Cycling only supported this concept if sufficient parking allocation was made for existing sports users, and not made available for Hornby Hub staff or visitors to use as an extension of Mall car parking. This has been made clear all along.</p>

Submission:	Please ensure adequate parking widely enough spaced that the average car can fit. Maybe need to barrier arm it so that people from the mall are unable to park there with out proof of receipt. Also can you ensure pools are heated enough for under ones? The only pool that is adequate for under ones close by is Rolleston pool and I have visited all pools in chch. My boy is an ex premy so strengthening exercises are vital via swimming I do myself with him 2/3 times a week. Thank you!

Submission:	I don't support the plan to redevelop Denton park as I don't see it as the best option. Kylie Park is because it is closest to the Schools , and that would benefit them. It is not on a main street, so less congestion on the roads and more places for parking. It is not taking away existing sports ground that have been there for years , enforcing clubs to rethink where they are going in the future as there won't be enough fields for their sport. WE ARE MEANT TO SUPPORTING SPORT NOT TAKING DONATED GROUNDS AWAY. If all fails why not Waterloo Park as it has enough land and parking and buses go thru there

Submission:	<p>Not only do i not agree because it was left by the Denton family for sport The parking is already terrible. The parks that are there now are used by staff that work at the mall as they are not to park in the mall.</p> <p style="padding-left: 40px;">The congestion of the traffic around the mall is already so blocked up with people trying to get in and out to shop. Walking to the mall you just about risk your life trying to cross at the lights as the cars are all trying to get out of the traffic jam. Why would anyone even think this is all ok let alone add to the problem. Its a mess already. Why not fix the traffic problems first than try and add move. Its about the community being heard and those that are trying to do these changes listen to what it is already like in this area.</p> <p style="padding-left: 40px;">Totally wrong place and waste of money because when you realise the problems it is going to cause you are then going to have to fix that to. And people love saying i told you so.</p>

Submission:	The Denton Park fields area and sports club utilise this space regularly, if the facility was to be built here this area would no longer be available. I also oppose the changes to regulations as Hornby is already a very congested area with limited parking this facility will only add to this congestion. The facility is needed in the Hornby area, just not on that site.

Please fold with the reply paid portion on the outside, seal and return by 5pm, Monday 26 March 2018

Please note: Your full name, address and telephone number are required because this information is important for transparency, and for Christchurch City Council's decision-making process. It also means we can update you on progress. Ideally we would like your email address too, if you have one, as this makes it easier for us to stay in touch with you throughout the engagement process.

Your submission, including your name and contact details, may be made available to the decision-making body, for example the Community Board, Committee and/or Council, to help them make an informed decision.

Submissions, with names but without contact details, are made available online once the Board, Committee or Council agenda goes live on the Council website.

If requested, Council is legally required to make all written and/or electronic submissions available to the public, including the name and contact details of the submitter, subject to the provisions of the Local Government Official Information and Meetings Act 1987.

If you believe there are compelling reasons why your contact details and/or submission should be kept confidential, please contact the Council's Engagement Manager on (03) 941 8999 or 0800 800 169 (Banks Peninsula residents).

Submission:	There is a small contingent in the Hornby area who are against the plan but these people are advocates for a small fraction of the community focused on rugby and cricket that few locals play or are involved in. We fully support the plan because it would cater to EVERY INDIVIDUAL within the community from babies to the elderly rather than a small percentage. We hope it goes ahead as planned.

Submission:	<p>This is a stupid proposal in many facets.</p> <p>1 The disruption to rugby fields (meaning twelve teams training on less grounds will be chaotic.</p> <p>2 Its not okay that Hornby Cricket will lose its senior status because they will be left with only one ground.</p> <p>3 Having a building obscure the view from the rugby clubrooms will be detrimental to club membership.</p> <p>4 Having elderly folk crossing from the mall to the council facility is not a safe option.</p> <p>5 Parking is at a premium around the Hornby mall as you will know. Remember the meeting held when council staff were late because they couldn't find parking</p> <p>6 This facility would be better placed at Kyle park where 4 schools have easy access and a car park could be easily accommodated in this area.</p>

What about all the small private swim schools that will be effected again by another council facility.</p> <p>Your facilities all run at a loss so why add more? Your swim schools run at a loss so why add another one?</p> <p>It's just council trying to be money hungry and not thinking of the full impact it has on public and small business owners.</p> <p>This gets built you will sink my business once and for all.</p>

Submission:	It is a good plan. I hope it will go through. I understand, it losses some park space a little but it will provide more opportunity to access community and recreation facilities, which I think better for the whole community. We travel to Jelly park with our children to use the pool most of the weekend, with this plan it will save us money, time, effort and reduce the risk of driving further. I SAY, YES I SUPPORT THE PLAN CHANGES.

Submission:	<p>Kia ora.</p> <p>I have great concerns about the amount of parking available.</p> <p>Is there going to be any change to the parking on the Main South Road parking already existing outside Denton Park? I have looked at the plan and see that there are not enough parks for what this facility is designed for. It will be well used which is fantastic but it also needs to be well accessible without being disruptive to local residents.</p> <p>I also want some notification around any road changes. Currently there is no island in the middle of the road. Will this change at any point due to the building of this facility?</p> <p>Thank you Amy Millar</p>

I do not accept the excuse that that removal of asbestos will add to much to the price as you will most likely remove the asbestos in the future so do it now and leave Denton alone.</p> <p>Placing the new Hornby Library, Customer Services and Recreation and Sport Centre in Denton Park will only increase the bad traffic congestion that exists in the area.</p> <p>Colin Dunn.</p>

The traffic around the Hornby Hub is already terrible along Chalmers Street and with extra traffic coming in and out of these facilities it will make it worse.</p> <p>The Cricket and Rugby Organisations will be displaced if this is built and they have been there for many years.</p> <p>Mr Denton gifted the area for recreational use only for the local community so the Council should not change the families wishes.</p> <p>Warren Park would be bigger for all these facilities if they must be built together.</p>

Submission:	There are better places like kyle Park which alot of it is unused. Parking in hornby is hard at best without this going in and increasing traffic numbers and people parking in the shopping centre to be able to use the facility which then puts a burden on shop owners. You cannot open a centre this big without adequate PARKING for the amount of people you expect to use it. It will push people to park out on Kathleen crescent and walk through. Then forcing residents to put up with their streets full of cars. It's unacceptable and unethical.

There is no plans for car parks or entirely to the Hornby Library, Customer Services and Recreation and Sport Centre. NO MORE COUNCIL BUILDS ON PARKS!!! Also why did 62.2% from the original consultation voted for this centre to be elsewhere, e.g. NOT DENTON ????

Submission:	Denton park was gifted for sports. I think the council has a moral obligation to honour the spirit of the gift. If the council does not honour the gift then future benefactors are less likely to make gifts. If the park had not been gifted then it would not be available to use anyway. I say this in spite of the fact that I don't play rugby or cricket but I do like swimming and reading library books.

Submission:	Why not use Warren park instead. Plenty of space for all of your "dreams" to happen. Denton park has been used by the Hornby community for years, long before I was thought of, I'm basically just p***ed off that my 5 year old son won't have a field to practice on anymore, following his uncles footsteps. Y'all need to decide better when it comes to destroying places & memories. Definitely DO NOT support. Leave Denton Park alone!

Submission:	This park was donated to the community, not the council. The development will take up too much of the park. Parking will become a major issue. The current parking on Main South Rd is essential for trucks etc that have nowhere else to park, this will all need to be replaced and additional parking for the park will add stress to the already diabolical traffic and parking at The Hub.

Submission:	<p>Do not use denton park, as it's a outdoor sports area.</p> <p>Use Kylie park instead as it has the potential to be a very popular place. Spreydon dump is a indoor swimming pool with playground and indoor hall.</p> <p>You think it will be a great idea to have it right beside hornby mall. It's a mess now just to get out of mall through the working week, it will certainly make it worse for shopping and leaving the mall to go home. A ten minute leave time out of mall will make it thirty minutes or more. Even Warren Park is the perfect place to have a pool etc it has the space. Just get with the program and think with your brain.</p>

Submission:	This goes against the gifting of land by the Denton family. there is adequate other sites for the pool and council offices. Sockburn School could be used for the offices. library and general sports sites. Kyle Park could also be used to house the pool with less cost than all these submissions etc. Hornby Mall is already difficult to access due to traffic congestion and this will only add more hassles in accessing the mall. Why not fix the damaged council buildings on Main Sth Road.

Submission:	<p>Parking already being a horrible issue at Hornby Mall, I don't see additional parking to this plan to help reduce traffic buildups etc? To be honest, I deliberately don't go to the mall, because of the parking debacle. Traffic too in this area is heavy, and this plan will increase the flow even greater. What is planned for traffic safety? Also, I believe that this land was gifted for recreational purposes, and I don't view "Council Offices" as recreational! Mr. Denton's wishes need to be considered and respected within this plan. I would like to see a large pool complex in this area, in liking to Selwyn Aquatic Centre, which I (and most likely many others from this area) drive to twice a week for Hydrotherapy. Consideration for a larger pool that SAC don't have would be useful and needed by Hornby and surrounding areas. However, I do believe that Kyle Park would be better suited for this operation, and it would lesson the traffic congestion at Hornby Mall.</p>

Submission:	This is a central hub to Hornby and the outskirts for sport-rugby, cricket etc. I am also highly worried about parking and traffic management around these changes. As it already stands there is not enough parking for people using the park and trying to get to the mall. I think there are other places that it would be better suited and safer for the community and people using these facilities. I do not oppose these plans going ahead, just oppose them going ahead at Denton Park- far to dangerous

Submission:	I believe that any changes to Denton park or the adjoining grounds would not serve the local or wider community better than it does now. These grounds are used throughout the entire year for team practices & games, it is good for Hornby as a club to be able to host the opposing teams where their clubrooms are situated. Parking is an issue already & this would only put more stress on the carpark & driveways.

Denton Park Part Reserve Classification Changes - Overall, do you support this proposal?	do not support the plan
Submission:	Find another site with no existing users. Plenty of room at Kyle Park or even Hei Hei. What about the old council building site by sockburn roundabout? The parking and traffic by the Hornby Hub is already ridiculous, far better to leave Denton Park as it is and not affect any of the groups that are already using it and have been for years. Council needs to listen to what the majority of people actually want!! Decisions made behind closed doors against rate payers wishes are undemocratic and I would think against mandate for any council in New Zealand! Leave Denton Park as it is and find somewhere else!!!!

Submission:	<p>By changing the classification of the land you are taking community space that is actively used for community involvement and making more building pollution, while unnecessarily increasing traffic in an already busy area. By taking the land in Denton Park you intend to use for the facility you are taking away the ability to use this space through both winter and summer as you are eliminating the cricket field, and a necessary rugby field for the number of players in Hornby that are part of the local rugby club.</p> <p>I am not against the facility, however there are a number of other options within Hornby, such as Kyle park which is currently unused and wouldn't directly affect as many people as the reclassification of Denton Park, which is currently the most actively used park in Hornby.</p>

Submission:	<p>I no longer support situating this facility in Denton Park.</p> <p>I do not believe that the proposed plan is situated in the best location for our community. I would support locating this facility at Kyle Park and improving access from the mall.</p> <p>I am especially concerned about the traffic, access to such a facility and how this will impact on the already dangerous traffic in this area. Chalmers St is already very busy and congested. I believe the facility as planned will further increase this congestion and can see nothing in the plan as proposed which will alleviate this.</p> <p>Please reconsider the location of this facility - the traffic and parking at the mall is already a mess. Building this facility will add to an already dangerous and congested street. This facility will worsen the congestion and traffic in the middle of Hornby.</p> <p>Thank-you</p>

Submission:	I voted for the pool/Library to be build on Kyle Park. Denton Park is used by a lot of sports organisations already and putting the pool/library there would not be good for those organisations. Maybe the council should look at the Old South Hornby site to build on.

Submission:	<p>What a wonderful idea. There is full support for this project to go ahead. This will be a wonderful addition to the community, Hornby and surrounding areas. This is definitely an upgrade we need and will make better use of the space and facilities. I know for one that the swimming pool and library complex will be used frequently by myself and my family.</p> <p>My only concern will be the accessibility to the car parking; as detailed on your plan this comes off - Chalmers St. Traffic conditions are bad at the best of times (Corner Main south Road, Chalmers St and Goulding Ave), and now having parking access to the facilities come off Chalmers St will increase the traffic flow, create more accidents and create congestions around that area. This is a major especially at Christmas time and at peak hours on a daily basis, with road users and the mall goes blocking roads and intersections. - would there be a consideration to turn the old library into an extra parking space for the facility - this would then limit the traffic going down Chalmers St - more people could walk from the old library to the new facilities = less traffic and congestion.</p> <p>However this planned proposal would benefit the community and area as a whole and get more users to the facilities - especially promoting swimming lessons to those that cannot swim.</p> <p>I am excited to see this get passed and built so we can all enjoy it.</p>

The Area needs more parking AND Access to the mall is too congested to get in & out. If the new Road was put in it would relieve congestion of traffic I have drawn on the plan to show!

I support the use of Denton Park for pool/library etc. I have a 4 1/2 yr old son who would very much love this facility if built. We currently drive out to Rolleston to use their pool facilities because we have none in Hornby + closest to us. I can't wait for this to be built. We go swimming at least once a week in summer holidays every 2nd day. We are members of library too + think it would be a great asset to Hornby Community! Please build this + soon!

This plan lacks details! (Two opportunities to say "Yes" This is very subtle way to get your plan through!) The mall is very busy now and how are people going to park in this new complex. Who said we need all this money to be spent on these changes?

Understand sports clubs concerns but they
only use field mostly on Saturdays.
A facility like this would be available for
the community 7 days a week. Ideal location
It definitely reflects the terms of gifting + sale (1954-1955) to
be used in part for a community facility in addition to
recreation use.

No provision for car parking - more land will be needed for this that has not been indicated on plans - Not enough at Hornby Hub or on road for it already - Suggested site for leisure complex could be on site of Sockburn School that will soon be vacant as school moving to Wigram Skies

We don't support this plan as the park is for recreation not for what you want to do with it. The car parking along the front area will be reduced and that will make it very difficult for the sports etc. The park should remain as a recreation area.

Submission:	Denton Park should be left as it is for the purpose the land was originally gifted. Kyle Park would be a better site for the proposed building, relieving already congested traffic flow by Hornby Mall and providing easier flow for the new parking. Kyle Park is also closer to the majority of schools which may use the new pool. The council is being dishonest using the posted out 2.0 Block Model : Denton Park not to scale. I object.

Submission:	I do not agree with reserve being used for car parking parking. I believe that the new facility could be integrated into a replacement for the outdated Denton Oval facility - this would mean a fit for purpose cycle track, better changing facilities for sports played on the park and no or very little negative effect on the existing open space.

Submission:	<p>My biggest concern is the traffic management that is already a major problem, getting in and out of the mall and right turn traffic off Main South into Chalmers street can sometimes get backed up half way to Carmen Road and this complex would put more pressure on what is at best a marginally functional traffic area.</p> <p>Secondly there is little enough parking for the area as it stand and I believe the pool located here would make this even worse, with people parking in the wrong places and tempers flaring.</p> <p>Thirdly on a purely personnel note I like to see the cricket and rugby game played here at the weekends.</p> <p>Having said this I would love to see a pool in the Hornby area, maybe in Kyle park there is a lot of space that is never used there.</p>

- Yes—I/we generally support the plan but have some concerns

Please provide your feedback (*please insert an additional page if more space is required*)

THIS IS A POOR SITE - DUE TO ALREADY POOR ACCESS - ONE ROAD IN AND OUT FROM MAIN 5TH ROAD. EXISTING TRAFFIC IS HEAVY, ANY ADDITIONAL USE OF THIS AREA IS UNACCEPTABLE. INSUFFICIENT PARKING WHEN SPORT + OTHER USERS WISH TO VISIT, OR FOR SPECTATORS TO PARK. NB. PUBLIC TOILETS SEEM TO DISAPPEAR ON SKETCH, AS DO THE CYCLING TRACK

Please fold with the reply paid portion on the outside, seal and return by 5pm, Monday 26 March 2018

Please note: Your full name, address and telephone number are required because this information is important for transparency, and for Christchurch City Council's decision-making process. It also means we can update you on progress. Ideally we would like your email address too, if you have one, as this makes it easier for us to stay in touch with you throughout the engagement process.

Your submission, including your name and contact details, may be made available to the decision-making body, for example the Community Board, Committee and/or Council, to help them make an informed decision.

Submissions, with names but without contact details, are made available online once the Board, Committee or Council agenda goes live on the Council website.

If requested, Council is legally required to make all written and/or electronic submissions available to the public, including the name and contact details of the submitter, subject to the provisions of the Local Government Official Information and Meetings Act 1987.

If you believe there are compelling reasons why your contact details and/or submission should be kept confidential, please contact the Council's Engagement Manager on (03) 941 8999 or 0800 800 169 (Banks Peninsula residents).

Our concerns are Hornby Rugby & Cricket Clubs are they going to be able too still use the parks and if so are you going to be able watch games from the Clubrooms by the plan the club rooms (Rugby) will be blocked by the new building.

I do not agree with the changes being planned as it is a good area for sports activities etc and the parking is far to congested already it would be stupid accidents waiting to happen if you go ahead. PLEASE CONSIDER MY OPINION VERY CAREFULLY THANK YOU!!!

- ① The traffic in Hornby is horrific, without adding another 150 cars
- ② There is no scale to this map, to show exactly how much land they are taking, we would think a firm like Wannan + Mahoney would get this right.

Progress is needed! I come from the north-end of the Gold Coast, & when our Council put in a Library & pool in our suburb of Upper Coomera, & it helped create a community feel & also was great for the kids to go on the week-end. (Keeping them off the streets). Library great for kids to have a quiet, safe place to go and study, & /or get them back into reading books.

Please fold with the reply paid portion on the outside, seal and return by 5pm, Monday 26 March 2018

Please note: Your full name, address and telephone number are required because this information is important for transparency, and for Christchurch City Council's decision-making process. It also means we can update you on progress. Ideally we would like your email address too, if you have one, as this makes it easier for us to stay in touch with you throughout the engagement process.

Your submission, including your name and contact details, may be made available to the decision-making body, for example the Community Board, Committee and/or Council, to help them make an informed decision.

Submissions, **with names but without contact details**, are made available online once the Board, Committee or Council agenda goes live on the Council website.

If requested, Council is legally required to make all written and/or electronic submissions available to the public, including the name and contact details of the submitter, subject to the provisions of the Local Government Official Information and Meetings Act 1987.

If you believe there are compelling reasons why your contact details and/or submission should be kept confidential, please contact the Council's Engagement Manager on (03) 941 8999 or 0800 800 169 (Banks Peninsula residents).

The traffic around Hornby Mall is diabolical and this plan would make it even worse. I don't like that Sports teams are losing their grounds and clubrooms, I think its appalling. I think you should be looking at Kyle Park, and sort out the traffic issues around that Park. You could have built the new pool in Sockburn the old Pool grounds are still there unused. I like many other people in the area love walking through Denton Park to Hornby Mall.

If anywhere, Kule Park would be a good choice, less congested for parking, etc. This park is not utilized enough now, whereas Denton Park is by the Rugby & Cricket Clubs & travelers passing through Hornby. Listen to the locals who live here and know. ///

I do not agree that the Sports groups should lose their sports grounds and clubrooms. The traffic in Hornby is already horrendous and desperately needs to be fixed this would make it diabolical Kyle Park is across the road from Hornby School having a swimming pool and library would be a great benefit. Many many people walk through Denton Park every day and your trying ruin it. Many organizations use the clubrooms for meetings and your taking it away from them

SAY NO! VOTE NO!!

PLEASE HELP US SAVE

DENTON PARK

Over 1500 signed the petition to save Denton Park for the purposes Mr Stanley Denton intended.
This is now the opportunity to say NO to 'Reclassification' of the park to keep as status quo

Please Vote No to this reclassification this is 'LAST' chance to Save Denton Park

- ✓ The wishes of the late Mr Stanley Denton who gifted Denton Park for Outdoor Recreation must be respected. The Denton family themselves oppose this reclassification
 - ✓ Denton Park will lose its passive appeal & was NOT gifted for Council Offices/library and Pool Complex (We don't oppose the pool but not on Denton Park in fact 62.2% from the original consultation voted for this centre to be elsewhere, e.g. not Denton).
 - ✓ There has been no Traffic Safety consents for the Council to consider. (The already diabolical traffic around the Hornby Mall will get worse and more dangerous. Parking will become harder to find and more congested.
 - ✓ Hornby Cricket will lose its senior ground & will be forced to move by the council. Hornby Cricket don't want to move and they don't want a clubrooms with no grounds
 - ✓ Hornby Rugby will lose its field and have split grounds away from its clubrooms.
 - ✓ The new complex will mean Hornby Rugby's clubrooms will be blocked out entirely (land locked) from seeing their remaining field & create a dangerous walk to their ground
 - ✓ Businesses will be lost on Chalmers street for entrances, entrances not yet been approved or planned.
 - ✓ Council plans released are not to scale & not a true representation of the C
 - ✓ councils planned footprint on Denton Park.
- ⚡ Attached is the submission form. Please vote no, preserve Hornby's history and green space. Form can be posted back by 20 March 2018, or dropped off at Stay Well Pharmacy (27 Shands Road, Hornby) /Hei Hei Butchery (36 Wycola Avenue, Hei Hei), dropped into Hornby Cricket Clubrooms on Saturday afternoons or Hornby Rugby Clubrooms (Wed, Thurs & Friday 6pm to 7pm), or phone 0211 806 378 for collection or simply go on line – www.ccc.govt.nz/haveyoursay
- ⚡ Help us with the cause with a donation to our Give-a-little page, go to www.givealittle.co.nz/cause/save-denton-park & thank you.
- ⚡ Please refer to our 'Save Denton Park Facebook Page' and place any enquires there or contact Kevin Hornbrook (3498-757) or Lyn Hucklebridge (980-8299).

Submission:	I don't understand why the council would want to put the new Hornby Library Customer Services and Recreation and Sport Centre at Denton Park. The traffic at the mall/ Chalmers St is diabolical. Kyle Park is the most preferred place for the centre so I am opposing Denton Park proposed change

I would rather have the Hornby Community Recreation Centre at Kyle park. The traffic around Chalmers Street is very hectic and always will be. It is a ~~no~~ no brainer. ~~By~~ I am opposing the plan.

Please fold with the reply paid portion on the outside, seal and return by 5pm, Monday 26 March 2018

Please note: Your full name, address and telephone number are required because this information is important for transparency, and for Christchurch City Council's decision-making process. It also means we can update you on progress. Ideally we would like your email address too, if you have one, as this makes it easier for us to stay in touch with you throughout the engagement process.

Your submission, including your name and contact details, may be made available to the decision-making body, for example the Community Board, Committee and/or Council, to help them make an informed decision.

Submissions, **with names but without contact details**, are made available online once the Board, Committee or Council agenda goes live on the Council website.

If requested, Council is legally required to make all written and/or electronic submissions available to the public, including the name and contact details of the submitter, subject to the provisions of the Local Government Official Information and Meetings Act 1987.

If you believe there are compelling reasons why your contact details and/or submission should be kept confidential, please contact the Council's Engagement Manager on (03) 941 8999 or 0800 800 169 (Banks Peninsula residents).

Submission:	<p>The Denton park area is already extensively used by clubs for sport and houses their club rooms and facilities. It has a tradition of outdoor sporting events, weekend matches and weekly training. This enables locals to play sport in their area, creating community interaction.</p> <p>The proposed complex, although desirable for the area, would put added pressure on an already busy road and on the intersection leading to the Hornby mall. Both mall exits are already congested and long waits to get onto the road and also off the road into the mall car park are frequent, especially since the new shops and extensions to the complex have opened. Main South road is often backed up from Carmen road, past Chalmers street up to and including Parker street, so that traffic must wait even when on a green light. Imagine the chaos if a new recreational complex is put there as well. The traffic would increase exponentially making that small area overcrowded with traffic, this would greatly increase the likelihood of accidents and possible fatalities as a result.</p> <p>As the proposal includes a pool and library a large number of children would be using it, including schools, some of whom would bus the children to the pool creating even more traffic congestion and risking children's safety when boarding and disembarking from the buses.</p>

From looking at the area being considered I see that current businesses alongside the park would also be adversely affected with access to their entrances being made more difficult to get in and out of.

Have the council really taken all this into account when making their proposal for this area to be used in this way? I think not. If improvements to the Hornby area are being considered they should be focused on the traffic access to and from the mall and in improving traffic flow along the Main South road from Parker street, to Carmen road which is a bottle neck and an accident waiting to happen.

In summary I oppose the proposal for the following reasons

- 1) The area is already occupied and well managed and enjoyed by current users
- 2) Safety (both for traffic and pedestrians).
- 3) Increase in traffic where there is already congestion.
- 4) Too many facilities too close together in a small area on a major highway.
- 5) The current mall entrances and exits would be further compromised.

In short the idea is great but the proposed site is not, put it somewhere more suitable.

Thank you.

Submission:	Hornby already has a library. As this is a low desial school area the library would not be used as much as expected. This whole proposal would ruin the area. If anything should be changed put more seating more rubbish bins more lighting get rid of that old karate building and fix the damn toilets that have been in a bad state since i was in high school 5 years ago make the park more inviting.

To build a complex catering for person friendly users & not make provision for extra parking & ease of accessibility is ridiculous. The siting here of this complex will only add to the traffic mayhem at the Main St Rd, Chalmers St intersection. Users coming from east who choose to park on the MSR frontage ^{side} have an added hassle with the median strip down the centre of the road.

Leave Denton Park as it is.
It is a dog of a place with traffic to get into
now especially with the kiosk + McDonalds
Why dont you build it on the Sth Hornby School site?
I suppose your answer to that is we need it for social housing

1) the current library location is fine, good staff + parking. Good location

2) Hornby Mall area + parking is frantic at present

3) CCC will have to find somewhere else NOT land currently being utilized for community and gifted to community NOT Council.

4) Don't interfere CCC, you've got enough to do elsewhere surely.
