To close to The Hub, Congestion is already very bad in Hornby, this will make it worse.
Kyle park would be better.

Please fold with the reply paid portion on the outside, seal and return by 5pm, Monday 26 March 2018

Please note: Your full name, address and telephone number are required because this information is important for transparency, and for Christchurch City Council's decision-making process. It also means we can update you on progress. Ideally we would like your email address too, if you have one, as this makes it easier for us to stay in touch with you throughout the engagement process.

Your submission, including your name and contact details, may be made available to the decision-making body, for example the Community Board, Committee and/or Council, to help them make an informed decision.

Submissions, **with names but without contact details**, are made available online once the Board, Committee or Council agenda goes live on the Council website.

If requested, Council is legally required to make all written and/or electronic submissions available to the public, including the name and contact details of the submitter, subject to the provisions of the Local Government Official Information and Meetings Act 1987.

If you believe there are compelling reasons why your contact details and/or submission should be kept confidential, please contact the Council's Engagement Manager on (03) 941 8999 or 0800 800 169 (Banks Peninsula residents).

We like to support the local cricket matches and it is a nice walk thru the Park to the Mall and local shops. A very nice area with beautiful trees around the Boundary. Also a very good cricket Pavilion for functions etc. Parking is always a real premium, now, so if this scheme goes ahead it would be horrendous.

Att Ann Campbell.

I do not support any of the plans for Denton Park. This Community Centre should be in Kyle Park over the railway as it would be more convenient for schools, public and car parking etc, without having the traffic congestion we have now.

The idea of having the proposed entrances off Chalmers Street is very very dangerous as already there are entrances

Please fold with the reply paid portion on the outside, seal and return by 5pm, Monday 26 March 2018

Please note: Your full name, address and telephone number are required because this information is important for transparency, and for Christchurch City Council's decision-making process. It also means we can update you on progress. Ideally we would like your email address too, if you have one, as this makes it easier for us to stay in touch with you throughout the engagement process.

Your submission, including your name and contact details, may be made available to the decision-making body, for example the Community Board, Committee and/or Council, to help them make an informed decision.

Submissions, with names but without contact details, are made available online once the Board, Committee or Council agenda goes live on the Council website.

If requested, Council is legally required to make all written and/or electronic submissions available to the public, including the name and contact details of the submitter, subject to the provisions of the Local Government Official Information and Meetings Act 1987.

If you believe there are compelling reasons why your contact details and/or submission should be kept confidential, please contact the Council's Engagement Manager on (03) 941 8999 or 0800 800 169 (Banks Peninsula residents).

The proposed area has traffic issues now without an extra entrance/exit onto Chadmers St. To join in the traffic flow is extremely difficult & is already grid locked at times. The map shows no cycle track or shops adjacent to the oval. I strongly object to the reclassification. A gift is just that with all its legal ramifications. What is the cost of the appeal? As a family we used the facilities of the Rugby & Cricket clubs, the Scout Den & I personally spent 10+ years doing St John Ambulance duty in the Oval & on the Sports Circuits. All this will be lost for ever.

No extra parking allowance made
 Too much congestion at tomby mall
 already in that area especially with
 mcdonalds + the entry/j exit to the mall
 Too close to main South Road so younger
 children at risk

Submission:	I feel that the negative effects of these changes and plans for Denton Park will greatly outweigh the positives. While I do not deny that Hornby needs and requires a new library and would benefit from a Sports and Recreation Centre, Denton Park is not the place for this. It will make the Hub an even busier center than it currently is, which would be disastrous as already, even at low peak times, traffic and parking in the surrounding area is horrific and adds travel time. In addition, it will be greatly upsetting how a number of clubs and organisations, who have already been established in the area for many years, will operate. In addition, the land was not gifted for the use that is now being proposed.

Submission:	I think Denton Park is the perfect location of a new pool and community recreation facilities. As a mother of 3 teenagers is has easy access both on foot, by bus and car. It is in the centre of Hornby close to schools and the mall/shopping areas, so it centralises more of these. There is already plenty of great and easily accessible parking in the area so this is not going to be an issue. Currently the area of the park is unsafe and is well under utilised. It would be great to see such a central location being used, being of benefit to hundreds more people and be a credit and significant benefit to the community. The loss of a small amount of green space is minimal and insignificant, we have plenty more of those in the area but not good up to date useable facilities. These facilities are desperately needed and this is by far the most appropriate place for them to be built in Hornby. Thanks.

Submission:	I like the idea of having a community pool in Hornby but I do not agree that it should be by the mall. There is not enough parking in that area. Plus I enjoy walking through this park at lease 4 times per week. We are at the edge of Christchurch and there is a-lot of surrounding land that could be used for this project. I complete "do not support the building of a community centre right in the middle of Denton park". I also wonder where they intend to put all the cars from the people swimming and doing community leisure activities???

Submission:	You closed Sockburn Swimming Pool, when there was nothing wrong there. Why not rebuild there instead of taking away from Denton Park. Also you want Council Building and Library. Instead of taking the park away and building new premises, why not rebuild the quake shaken Paparoa County Council building for the this purpose and there is enough room at the back for a library? You can also use the old Vehicle Testing Station that has been closed since the earthquakes for extra room, instead taking away from us what we really love why not just use the places that have sat empty and are an eyesore for 5 years, which are probably all owned by the council anyway. You are always saying re-cycle...do it yourselves and re-cycle your old building, instead of taking away from us.

Submission:	<p>I do not support the decision to build a library and pool complex in Denton Park. Having lived in Hornby for most of my life, Denton Park was always a hub for sporting activity Hornby Rugby and Hornby Cricket. The park I believe was gifted to the people of Hornby for these activities not the construction of this project. CCC need to listen to the people of Hornby (whom you are representing) as the community is overwhelmingly against this project. There are more underused land deposits this project would be better suited at I.e Kylie Park...never see this land used!! Yes I understand that asbestos is an issue at this site but for the long term benefit of the community this is a far better site and closer to Hornby High so the students can make use of the resource like Riccarton High. Another major issue of this plan is traffic around the HUB is already very busy and overcrowded. Placing the library/pool complex right beside the HUB will create a dangerous area for both young and old that will be using the facilities. I hope that CCC use common sense and look to move this proposed complex to Kyle Park or another site more suitable.</p>

Submission:	I believe CCC had the land at the existing Hornby site on Goulding Street that could have been used for the proposed swimming pool with no disruption to local sports clubs . I also believe the current proposal threatens the existence of the sports clubs that use Denton Park at present while further complicating the existing traffic problems in the area around Hornby mall (recent reports have shown that the Main South Road/Chalmers Street intersection is one of the most dangerous in Christchurch and to add even more traffic to this already dangerous intersection will not help with this situation).CCC has land available at Sockburn serv, centre site and old pool site.

Submission:	<p>I believe the decision to rezone Denton Park to allow the development of a Service Centre/Swimming Pool and Library is short-sighted and it appears that the CCC has chosen this option as it is the "easiest" and cheapest of the available options. The intersection of Main South Road/Chalmers Street has recently been found to be one of the most dangerous in Christchurch and the addition of this facility will undoubtedly worsen this situation and sooner or later there will be a fatality at this intersection, of this I have no doubt.</p> <p>To site the proposed facility at Denton Park will also have a detrimental effect on current park users, namely the Hornby Rugby Football Club, Hornby Cricket Club, Hornby Football Club and Canterbury Cycling, all of which have been long-term tenants of Denton Park due to reduced lack of ground of parking facilities. The alternative site of Kyle Park would be a better, albeit more expensive option, however in the long-term would be a far better site - within walking distance of a number of schools, away from a main state highway and would have sufficient space to have car-parking which would not impact on the already chaotic area around the Hornby Mall.</p>

We strongly support the new pool complex in our area. It will be an excellent addition to the community. The very vocal "Save Denton Park" group represent a small minority of those in our community. We look forward to this project going ahead.

Please fold with the reply paid portion on the outside, seal and return by 5pm, Monday 26 March 2018

Please note: Your full name, address and telephone number are required because this information is important for transparency, and for Christchurch City Council's decision-making process. It also means we can update you on progress. Ideally we would like your email address too, if you have one, as this makes it easier for us to stay in touch with you throughout the engagement process.

Your submission, including your name and contact details, may be made available to the decision-making body, for example the Community Board, Committee and/or Council, to help them make an informed decision.

Submissions, with names but without contact details, are made available online once the Board, Committee or Council agenda goes live on the Council website.

If requested, Council is legally required to make all written and/or electronic submissions available to the public, including the name and contact details of the submitter, subject to the provisions of the Local Government Official Information and Meetings Act 1987.

If you believe there are compelling reasons why your contact details and/or submission should be kept confidential, please contact the Council's Engagement Manager on (03) 941 8999 or 0800 800 169 (Banks Peninsula residents).

I don't believe the plans meet the intended wishes of Mr Denton (outdoor recreation) though I support the area having a center like this. As a regular users of the Hub, the traffic is already mad even at quiet times so there is no way to avoid traffic chaos if this was to go ahead. Good idea - wrong place. (surely Kyle Park would be better - closer to local schools)

I see there is no mention of the cost of the project.

I strongly believe that the cost once set, will not over-run, as that then, is passed on to us ratepayers.

Denton Park Management Plan Changes - Overall, do you support this proposal?	do not support the plan
Denton Park Part Reserve Classification Changes - Overall, do you support this proposal?	do not support the plan
Submission:	I previously supported having the new pool/library/service centre at Denton Park but have now changed my mind having seen the proposal as it now stands and read the concerns of groups like Hornby cricket and rugby. I now oppose locating the pool/library/service centre at Denton Park. I believe the council must go back to the drawing board and reconsider the Kyle Park option even though it may cost more. Among other things, the Kyle Park site provides more room for these facilities, for the necessary parking and for easier traffic flow. Furthermore, the Kyle Park site does not disrupt the long-standing use of Denton Park in its current form by groups such as Hornby cricket and rugby.

No. Sorry we do not need another pool
Thanks on anything else at Denton Park
I have lived here nearly fifty years and enjoy
the peaceful life. A lot of things have changed
and its going to get worse. Please find somewhere
else thanks.

Christchurch is losing all its green spaces we need to keep Denton Park. Its one where my family & I have spent happy community get together and traffic is already shaking us hourly with adding to it. Also if a area is gifted to C.C.C. for a set reason then it should be used for that purpose only. Not taken away from us.

Denton Park does not have sufficient parking space and if any was opened up it would be taken by shoppers at nearby mall. Also sports groups currently using this facility comfortably carry out their sports and parking is adequate for this.

Submission:	<p>Hornby Rugby, Hornby Cricket and Hornby Netball should not be forced to lose the use of their grounds because the CCC does not want to fix up Kyle Park which is the Hornby communities' preferred option. Traffic problems will definitely increase in that already very busy location, which will have the potential to lead to fatal accidents. If the new plan goes ahead, Hornby Rugby will not even be able to easily access it's ground because a concrete building will be in its way. The Hornby Community has indicated loud and clear that the preferred location is Kyle Park. The intention of the gift for Denton Park was NOT to have the sports grounds taken away from the Hornby sports clubs. Why is the Council not listening to its constituents? Hornby already has a Library - remove the building of a new library from the proposed plan, relocate the pool to Kyle Park and there will be enough in the budget to fix the Kyle Park ground, and provide ample SAFE parking options in that location. The Council already allows the Hornby community use the Kyle Park ground (as is) for recreational and sporting purposes, which clearly demonstrates that it does not care about the quality of the ground for its constituents. So claiming that the Council will need to spend money to clean it up if the pool complex was to go there seems to be just a red herring, in that if the ground was that bad the Council should have budgetted for this space to be cleaned up long ago to keep the area safe for it's constituents especially since the area is used quite a bit by the Hornby High School and general community.</p>

Traffic into this supermarket + shopping centre is at an extreme, parking also a problem, we have no green fields anymore, Wigan's gone, library gone, all we have is traffic + buildings gone, we have WARREN PARK + Denton Park only in this area of Hornby. WARREN PARK is a better choice away from main street SPRINGS ROAD, plenty of parking + quiet area. Large park ideal for all the facilities planned + sports area.

Please fold with the reply paid portion on the outside, seal and return by 5pm, Monday 26 March 2018.

The AREA IS TOO BUSY WITH TRAFFIC AROUND THE Hub shopping centre, we need more parking NOT LESS, WE NEED LESS TRAFFIC AROUND ALL THAT AREA. WE HAVE NO GREEN AREAS, HIS AREA OPEN BUILT ON WIGRAM PARK AREA BUILD ON - WHY NOT WARREN PARK you have two PARKS in one, plenty of space for LEAFY & POOL ETC + PARKING AT WARREN PARK.

Most definitely No!! Home is congested enough now. An accident waiting to happen. Be grateful to Mt. Denton for being generally enough in the first place & for the pleasure it is giving now & in the future. There are a number of other options available to the Council that would be more than suitable & a better choice & location. No!! No!! not now & in the future at Denton Park.

I previously submitted that I did not feel Denton Park was the best option. I still feel that way. Parking and traffic congestion around the Hornby Mall area is already bad enough without adding further congestion to it. Parking proposed is inadequate for the proposed facility so would further impact already stretched mall parking. Also it is silly to take away already utilised ground when Kyle Park is hardly used.

There are better places around Hornby / Upper Riccarton
I fought the council a few years ago not to close Sockburn Pool + Rec Centre but they wouldn't listen! Denton Park is established so find somewhere else + start from scratch!

- This has been gifted for recreation.....

- The park is used by many in the community the way it is now. We want and need this to stay in its current state and usage please!!

- Traffic & parking problems will change Hornby why not use Kyle Park.

Please fold with the reply paid portion on the outside, seal and return by 5pm, Monday 26 March 2018

Please note: Your full name, address and telephone number are required because this information is important for transparency, and for Christchurch City Council's decision-making process. It also means we can update you on progress. Ideally we would like your email address too, if you have one, as this makes it easier for us to stay in touch with you throughout the engagement process.

Your submission, including your name and contact details, may be made available to the decision-making body, for example the Community Board, Committee and/or Council, to help them make an informed decision.

Submissions, with names but without contact details, are made available online once the Board, Committee or Council agenda goes live on the Council website.

If requested, Council is legally required to make all written and/or electronic submissions available to the public, including the name and contact details of the submitter, subject to the provisions of the Local Government Official Information and Meetings Act 1987.

If you believe there are compelling reasons why your contact details and/or submission should be kept confidential, please contact the Council's Engagement Manager on (03) 941 8999 or 0800 800 169 (Banks Peninsula residents).

I DO NOT BELIEVE DENTON PARK IS THE BEST CHOICE FOR THIS FACILITY. REFERRING TO 'KINGS SWIM SCHOOL' AS AN APPROPRIATE POOL FOR SOCKBURN COMMUNITY PROVES HOW ONE-EYED YOU HAVE BEEN IN WANTING DENTON PARK. SOCKBURN SCHOOL IS A FAR BETTER OPTION. REZONE AND SELL ADDITIONAL LAND NOT REQUIRED FOR SUPPORTING BUSINESS.

Denton Park should be left alone and to be used for the sports fields that it was meant for, we do not need a new library, if anything has to be done use Lyellie Park or Warren Park where there is plenty of space for parking etc.

No! No! No! It was a gift to Hornby & not for
CCC use. Too much congestion between Mall & Macdonalds
on Chalmer st now - so that out. Keep green spaces
green. No! No! No! Look at the eye see program
is - This space was a gift to chch \$100' as an airfield,

Your submission, including your name and contact details, may be made available to the decision-making body, for example the Community Board, Committee and/or Council, to help them make an informed decision.

Submissions, with names but without contact details, are made available online once the Board, Committee or Council agenda goes live on the Council website.

If requested, Council is legally required to make all written and/or electronic submissions available to the public, including the name and contact details of the submitter, subject to the provisions of the Local Government Official Information and Meetings Act 1987.

If you believe there are compelling reasons why your contact details and/or submission should be kept confidential, please contact the Council's Engagement Manager on (03) 941 8999 or 0800 800 169 (Banks Peninsula residents).

Leave Denton Park alone
I have lived in Hornby for 58 yrs and
still like to walk through Denton Park
I have supported my grandsons football games on
Saturdays. Traffic and parking is a hazard there now
so am worried what will happen if they change the park.

If it were I who had gifted an area (or whatever) for a specific purpose, I would be most upset if a Council I had voted in in good faith to do a decent paid job arbitrarily rejected my wishes. Please honour that gift to the people of Christchurch. I agree with all eight reasons why a change could be inadvisable. I'm sure Council can well substitute another block of land, a pool that I agree is needed esp. for the young folk, forget Council offices!

~~I~~ ~~am~~ ~~not~~ ~~sure~~ My conscience will not allow me to support any plan changes to Denton Park that take any sport away from there that has been played on said park for fifty plus years. Obviously there is a lot of people out there without a conscience that can go against the Denton families wishes. Good luck next elections.

IN MY OPINION THERE IS NO NEED TO PROCEED WITH THIS DEVELOPMENT. THE PARK WAS NOT GIFTED TO THE COUNCIL FOR OFFICES ETC. I HAVE LIVED IN THIS AREA FOR 34 YRS. AND DEVELOPMENT + TRAFFIC IN AREA IS CRAZY. THIS WILL ONLY MAKE IT WORSE

There are two major roads namely Main South Rd & Shanks & Carmen Rds that in my mind carry very heavy transport on a daily basis. Parking within in the mall is at a peak now. In my mind it can only get worse & more dangerous for users

log 2

How can the council override the wishes of the gifter who gifted the land for recreation use, or over the desire of residents of the local ~~area~~ surrounding areas for this piece of land, to remain as the gifter requested.

Sports Clubs will be heavily inconvenience by splitting these buildings from their playing fields

Who in their right mind, would want to impose an unworkable plan in an already ~~highly~~ highly congestive area and cause major eruptions within the sports organisations that are there now.

Submission:	<p>1)there is little to no green space in hornby denton park provides this. 2) The Denton family wanted this land kept as a green space I feel there wishes should be respected. 3) There are much better options that havent been looked at and I feel the cost of removing asbestos shouldn't be one of the reasons other areas aren't looked at. 4) the traffic is already awful around this area at the best of times and adding such a comlex would add to this congestion.</p> <p>5) and my biggesest concern the loss of sports grounds you should be supporting people to take part in sport. the success of the black caps has seen a big increase in participation in cricket so why take away a cricket ground, rugby ground and league ground yes the hornby panthers use this ground to train on also!!! The sports club have the lease on their facilities you should be able to access your ground.</p>

Your submission, including your name and contact details, may be made available to the decision-making body, for example the Community Board, Committee and/or Council, to help them make an informed decision.

Submissions, **with names but without contact details**, are made available online once the Board, Committee or Council agenda goes live on the Council website.

If requested, Council is legally required to make all written and/or electronic submissions available to the public, including the name and contact details of the submitter, subject to the provisions of the Local Government Official Information and Meetings Act 1987.

If you believe there are compelling reasons why your contact details and/or submission should be kept confidential, please contact the Council's Engagement Manager on (03) 941 8999 or 0800 800 169 (Banks Peninsula residents).

Leave it as it is. Main south Road is far too dangerous and busy to have housing. Also why should the council be allowed to take the land when it was gifted to the people of Horney for sports and recreation.

Council plans are NOT what the giftee intended. There are already too few green spaces left in what has become a very urban & light industry landscape. This is the cheap option for Council, not the best option for people (residents).

I was one of the people who made a submission to the CCC when they mooted 3 possible ~~and~~ locations for the new library / recreation centre and feel they have chosen the worst one. This area is already very busy and near a busy main arterial route to & from Cheh. Chaotic times ahead for all if it succeeds in getting off the ground.

There are other "green" spaces round the suburb that are not being utilised. One example is the green space east of the BMX cycle track on Waterloo Road (Kyle Park). This has a number pluses - less major traffic being one MAYBE knock down the cycle velodrome and put the development there. Consultation of AHL needs to be had

CHRISTCHURCH CITY COUNCIL Proposed Changes to Denton Park

Denton Park Part Reserve Classification Changes - Overall, do you support this proposal?	support the plan
Submission:	I can only repeat what I said in my initial submission on the proposal last year to develop a community hub comprising a service centre, a library and recreation facilities in Denton Park. The Council made the correct, in my view, decision to proceed with Denton Park. This current proposal is simply the next step in the process

Submission on

The proposed changes to the status of part of Denton Park to accommodate the proposed Hornby Library and Customer Services, South West Leisure Centre

Declaration of Interest

I am submitting this primarily as a local resident.

I am also a Trustee of the Mas Oyama Kyokushin Karate Dojo Christchurch Charitable Trust which uses the Scout Den in Denton Park.

The Trust has already met with a member of the project group, and had productive discussions. We anticipate that this will continue.

Introduction

Denton Park is the most appropriate location for the proposed facility. It was reassuring to see that the Council obviously thinks that this is the case, and is now proceeding with the next step in the process.

Comments

- The proposed Service Centre must be associated with the Hornby commercial centre, allowing for sharing of parking, transport, and social activities. The whole area will become, even more than now, a key facility for the western areas of the city, providing a wide range of retail, community, cultural, recreational, dining and social activities.
- It is a best fit with the Council philosophy of a Citizen Hub Strategy. A Community Hub must be at the hub of the community. It will reinforce Hornby as a complete social purposes hub.

Conclusion

There is only one realistic option for this overall proposal – Denton Park. This particular proposal is simply the next step in that overall process.

In my view there is only one decision that the Council can make, to proceed with the change of the status of part of Denton Park to allow the overall process to continue.

Submission:	My family are users of Denton Park. We are involved with Hornby Rugby, Netball, Softball and in the past Touch. I am not against the Pool/Library but rather the choice on where you want to locate it. Its a green space which you want to reduce greatly, cut off direct access to our clubrooms from the fields, increase congestion, It makes more sense to have at Kyle Park regardless of the cost. Reduce the facility to fix kyle park if you have to.

Submission:	<p>The proposed entrance way opposite Pak N Save loading area is already unsafe and very congested a lot of the time - quite scary with buses, cars, and very big trucks all on that little road in the same area.</p> <p>I like to visit the library and park close - this new plan will mean I would rather travel to Riccarton High for easy access to a library.</p>

Why cant you go back to the Soekburn Complex
That ground seems to be wasted at the moment
we dont have enough parking as it is now.
I walk through this park 4 to 5 times a week +
it is so good to get away from the smell of cars etc
This ground was given to us dont get stroppy & think you know
every thing. You stuffed up with Wigram, Dont do it again please

Submission:	It is unfair and unreasonable to not stand by the wishes of a past Canterbarian who left land as a GIFT to the people of chch. this was done selflessly and to promote community and family in our area. He nor his family expect money or anything in return except to see people freely using this space. It creates a sense of belonging and for many the clubs and sports they play there are important for many reasons, one is the reduction in kids hanging around looking for trouble. Why should this piece of land that was GIVEN now be used to make money and by a reclassification give the Council some land at no cost... or a low cost (remember the family didn't do this in the first place nor the surviving ancestors for money!!!) Because it appears a convenient place to build something. There is land in other parts of the area that can be brought appropriately and would be more suited to purpose.

Submission:	On the balance of what has been presented I think the proposed changes will provide a community asset that will benefit a range of people and communities in and near the wider Hornby area. I can understand some of the concerns raised and realise that it is not possible to satisfy all stakeholders views. I think the Council staff and elected members are finding the best compromise for the people of Hornby with this proposal.

Submission:	<p>I object to the Recreation Reserve Status subject to the provisions of the Reserves Act 1977 being changed to facilitate the building of the proposed development on the current Denton Park site. The Denton Park / Hornby Hub/ Dressmart area is already highly congested. Heavy traffic volumes and limitations on available parking. The proposed loss of land available for sports grounds is disturbing. There will be insufficient room to provide enough carparks for Centre users which will have a flow on effect for businesses and shoppers in the current retail area.</p> <p>I support an alternative option, Kyle Park. It has been stated it is a more expensive option as land remediation is required. Kyle Park is currently a disinteresting area, an abandoned piece of land save for the BMX track. It is an eyesore! Spend the money now, remediate it and build the new Community Centre there. It will accommodate all intended buildings and more carparks than available at proposed Denton Park site. It will tidy up the area and make it look like someone cares. The Pool and Library will be closer to the local schools for easy access and with intelligent site development and cooperation from NZ Rail it can be linked to the Hornby Hub area.</p>

Submission:	Please leave Denton Park as it is. It was gifted to the community and this should continue to be honoured. Parking and traffic are already extraordinarily significant issues for this area of Hornby. Imagine what will happen with increased traffic volumes from this plan. There are other more viable sites such as the defunct Sockburn Pool, Warren Park or Kyle Park. The council must listen to the peoples voice on this issue. Sacrilege of local sporting groups who will suffer as a result of this proposal is just not acceptable.

So many areas having top class pools and you thinking of kicking existing sport clubs off gifted ground to put in small pool. Not good enough. Let get bigger area and make the facilities. Large with multi pools like the rest of town areas, please find a bigger location so all our facilities. Are big for our up and growing area.

A popular sports facility ruined. - There is minimal parking around the Mall now without more high traffic business. Population around area ~~is~~ is high elderly making for more danger getting around. - Does not make sense to put such a facility on Main South Rd. - Is it not one of the busiest in the Sth Island.

Please fold with the reply paid portion on the outside, seal and return by 5pm, Monday 26 March 2018

Please note: Your full name, address and telephone number are required because this information is important for transparency, and for Christchurch City Council's decision-making process. It also means we can update you on progress. Ideally we would like your email address too, if you have one, as this makes it easier for us to stay in touch with you throughout the engagement process.

Your submission, including your name and contact details, may be made available to the decision-making body, for example the Community Board, Committee and/or Council, to help them make an informed decision.

Submissions, **with names but without contact details**, are made available online once the Board, Committee or Council agenda goes live on the Council website.

If requested, Council is legally required to make all written and/or electronic submissions available to the public, including the name and contact details of the submitter, subject to the provisions of the Local Government Official Information and Meetings Act 1987.

If you believe there are compelling reasons why your contact details and/or submission should be kept confidential, please contact the Council's Engagement Manager on (03) 941 8999 or 0800 800 169 (Banks Peninsula residents).

I know another 25 metre pool is needed in the Hornby Area. The park across from the High School maybe a possibility. The Library would need to go else where though as not enough room for both.

Denton is used by the community all year round. The rugby & cricket clubs are a part of the Hornby community culture. I do not believe the map provided by council is true to scale, the pool looks too small. If its that small, then surely it can go elsewhere.

Parking will become even more congested around the Hub.

This Council knows very well what the Homley people want and don't want. No doubt the Council will go against the ratepayers and people and do what suits them anyway. Why can't they do something sensible for a change and clean up the fire hazard they've created behind the stupid eyesore of a fence they've built around the asbestos bullshit in Kyle Park.

Please fold with the reply paid portion on the outside, seal and return by 5pm, Monday 26 March 2018

Please note: Your full name, address and telephone number are required because this information is important for transparency, and for Christchurch City Council's decision-making process. It also means we can update you on progress. Ideally we would like your email address too, if you have one, as this makes it easier for us to stay in touch with you throughout the engagement process.

Your submission, including your name and contact details, may be made available to the decision-making body, for example the Community Board, Committee and/or Council, to help them make an informed decision.

Submissions, with names but without contact details, are made available online once the Board, Committee or Council agenda goes live on the Council website.

If requested, Council is legally required to make all written and/or electronic submissions available to the public, including the name and contact details of the submitter, subject to the provisions of the Local Government Official Information and Meetings Act 1987.

If you believe there are compelling reasons why your contact details and/or submission should be kept confidential, please contact the Council's Engagement Manager on (03) 941 8999 or 0800 800 169 (Banks Peninsula residents).

We think that the Pool should be built on Park (Kyle Park) ground opposite the Hornby School complex on Waterloo Road. This would enable the school children to utalise the pool as well as the general public.

Respect the wishes of the Donor Mr Stanley Denton. To proceed with classification changes would set a dangerous precedent and discourage gifting to the council/people of Christchurch.

It will be central to Bus Services, for people who need ~~hard~~ to travel. Also central for all the surrounding schools to use. Ideal if you need to go to Service Centre or Library, and can do shopping all in one stop. Its going to cost far too much to fix Kyle Park, & Warren Park has nothing else close, ie Schools & Shops.

It is wrong that the Park is to be used other than for the purpose it was given to from Mr Denton. It was a gift for Outdoor Recreation. It is not upto the Council to Change that or give it away as has happened with Wigram!!

No way to get to the Clubrooms for Soccer, Rugby or cycling!
Not enough parking there now!!!

Kyle park is the ideal place for the pool, then the school children could use it.

Please fold with the reply paid portion on the outside, seal and return by 5pm, Monday 26 March 2018

Please note: Your full name, address and telephone number are required because this information is important for transparency, and for Christchurch City Council's decision-making process. It also means we can update you on progress. Ideally we would like your email address too, if you have one, as this makes it easier for us to stay in touch with you throughout the engagement process.

Your submission, including your name and contact details, may be made available to the decision-making body, for example the Community Board, Committee and/or Council, to help them make an informed decision.

Submissions, with names but without contact details, are made available online once the Board, Committee or Council agenda goes live on the Council website.

If requested, Council is legally required to make all written and/or electronic submissions available to the public, including the name and contact details of the submitter, subject to the provisions of the Local Government Official Information and Meetings Act 1987.

If you believe there are compelling reasons why your contact details and/or submission should be kept confidential, please contact the Council's Engagement Manager on (03) 941 8999 or 0800 800 169 (Banks Peninsula residents).

Hornby Has Enough Parking Problems as it is and this plan would add to the problem

CHRISTCHURCH CITY COUNCIL Proposed Changes to Denton Park

- Received via Have Your Say -

Submissions close 5pm, 26 March 2018

Full Name*:	Haley Rodger
Contact Address*:	
Telephone number:	
Email Address:	
Date Sent:	2/7/2018 8:19:25 PM
Would you like to speak at the hearings?	No
I am completing this submission:	For myself
Name of Organisation:	
Role within Organisation:	
Denton Park Management Plan Changes - Overall, do you support this proposal?	do not support the plan
Denton Park Part Reserve Classification Changes - Overall, do you support this proposal?	do not support the plan
Submission:	I believe it is a very unsuited place for a library/pool complex. Traffic around hornby mall is bad/dangerous enough as it is. In particular the intersection outside Mcdonalds. The original intentions for the park were for it to be used as sports grounds. There are plenty more sites that would be Better suited for this complex without taking away from other community activities. Not Denton Park.

Denton Park Part Reserve Classification Changes - Overall, do you support this proposal?	do not support the plan
Submission:	Parks should not be used for this purpose, although it's said that alternative facilities will be provided, how do you relocate crickey & large paddock sports if there is not clear space. The area is crazy busy already, should be out by Golf Course or in old quarries on Pound Road where there's plenty of parking & lots of clean open space
