June 2019

Name	Do you support the proposed bus stop changes (relocation from Hei Hei Road to Buchanans Road)?	Comments
Seham Morgan	Yes	It is okay – thank you.
Karen Stephens		<p>Tēnā koe Brendan,</p> <p>I am a resident of Buchanans road opposite to both bus stops and the community centre. First off, I didn't receive a letter of this matter which is disappointing and secondly how many people did you give this letter to?</p> <p>This not only affects people on Hei-Hei and Buchanans Road it affects the whole community. The community that use this bus service and route. There is plenty of room out on both Hei-Hei road and Buchanans road is isn't a real need to mess with this system, it is rather a want.</p> <p>Those bus stops have been there for years and to say that we would get bus shelters is disgusting we have been without a bus shelter for.... Hang on, can you answer that question yourself? Nah probably not eh! That is the point. You don't know the answer and you don't know our community. If the community centre "wants" more parking then they should put some concrete down on their premises if they want this. Remember this is a want not a need here.</p> <p>What I want to see done is for you to provide the whole Hei-Hei and Broomfield community of this change and provide a feedback form for all who live here. Why you ask? There is an alley way from Buchanans road to Malabar Crescent where all who live there use this bus stop. There are also people who live on Buchanans road further down by Vanguard towards Gilberthorpes road who also use this bus stop. You need listen to the community and not the "so called community centre" who use their cars and not walk there.</p> <p>Buchanans road is a busy road. It is safer for the bus to stop on Hei-Hei than it is to stop on Buchanans Road.</p>

		<p>There is plenty of parking down on Hei-Hei Road and let's remember here roadside parking does not belong to anyone!</p> <p>I would like to hear from you on this issue by the end of the day.</p> <p>Ngā mihi nui,</p> <p>Karen</p>
P Stephens	No	<p>This is outrageous, cars before buses. Shift the Community Centre. The people from Hei Hei Road, Tirangi Street will have further to walk.</p> <p>No room for a bus stop at 169 Buchanans Road. What a waste of money. Don't need a cycleway, one person a day might cycle down Hei Hei Road.</p> <p>I got this proposal from a neighbour. Don't understand why we didn't receive this letter as it concerns people living here.</p> <p>When a Council spends so much money to get more people to bus and you take a bus stop away for 'CAR PARKS'.</p> <p>Well that's the Council for you.</p>
Helen Chang	Yes	
Tracey Buunk	Yes	I don't support the cycleway going down Hei Hei Road at all. If it does go ahead I do support the bus stop changes.
