**MINUTE 2 OF HEARING COMMISSIONER**  
**Dated 15 June 2021**

---

1. This minute is for information purposes only. It does not require any response.
2. At the conclusion of the hearing day on 10 June 2021, Mr Fowler for the applicant provided an oral reply addressing a number of key matters. Mr Fowler is to file a further reply in writing. I anticipate that will be filed on or before Friday 18 June 2021. I advised Mr Fowler that if additional time was required for that to be completed, I was comfortable to provide for that.
3. I also discussed my intentions to undertake a site visit. That has now been arranged for Monday 21 June 2021. I will be escorted on that site visit by Museum staff who have not been involved in the hearing process.
4. Following the site visit and receipt of Mr Fowler's reply, I will consider whether I have sufficient information upon which to make my decision. I will then issue a further Minute either closing the hearing or advising what further information I require.
