

Decision No. 60A [2016] 1958

IN THE MATTER

of the Sale and Supply of Alcohol Act 2012.

AND

IN THE MATTER

of an application by **RENEE TANIA PURU** for renewal of a Managers Certificate pursuant to s.226 of the Act.

REQUEST FOR MATTER TO BE HEARD BY ALCOHOL REGULATORY AND LICENSING AUTHORITY

- [1] A renewal of manager's certificate application, with the required documentation, was received on the first of June 2016 from **Renee Tania Puru**.
- [2] The applicant holds a current Managers Certificate, number **60/CERT/412/2015**, in relation to her employment at "Calendar Girls and Cotton Club".
- [3] The application has been opposed by the Alcohol Licensing Inspector on the grounds of suitability. Police did not report on the application within the required time period but have subsequently advised the Inspector that a section 285 application for suspension of Ms Puru's manager's certificate has been lodged with the Authority.
- [4] I have read the inspector's report and agree with the recommendation of the Inspector that it would be best for this matter to be determined by Authority at the same time as the section 285 application for suspension.
- [5] The Committee therefore respectfully seeks leave of the Chairman of the Authority to refer this application to the Authority pursuant to section 187(f) of the Act.

DATED at Christchurch this day 10th December 2016.
