

APPENDIX 4 - ARTWORKS LOCATION PRIORITISATIONS

TOTALS	Location	Artwork idea description	Capital Works Programme	Comments
10	The grassed area adjacent to the New Brighton Public Library, alternatively the cobble forecourt on the Marine Parade side of the library next to the clocktower	Both of these areas are subjected to high numbers of foot traffic accessing the library, the beach foreshore, the Pier and the adjacent shopping mall. Tour buses alight here. The area hosts many activities including Seaweek, beach artwork (sand sculptures, kite flying etc) numerous surf lifesaving and boardriding competitions, local, national and occasionally international. The area is focal to national and international visitors to CHCH. There are no other works of art in the area.	New Brighton Revitalisation 2004/05, 2005/06, 2006/07 Transport & City Streets.	Master Plan and team working this area currently (Kevin Mara)
9	Public Hospital Vicinity	Site suggestion only	2004/05 - 2006/07 Avon River Hospital - Cashel St Bank Stabilisation.	Linked to Management Plans of Hagley and Botanic Garden currently being developed ie any artworks consideration beyond 2005/06.
9	New Brighton Mall and promenade	Site suggestion only eg murals on disused buildings	New Brighton Revitalisation 2004/05, 2005/06, 2006/07 Transport & City Streets.	Master Plan and team working this area currently (Kevin Mara)
8	Cathedral Square	Water feature/children's integrated play area	2004/05 Cathedral Square Childrens Programme \$90 000.	If shortfall with sponsorship likley 2005/06 for top-up funding, note however, water feature only (Dennis Preston).
8	Tiled seating in the New Brighton foreshore concert/halfcourt area		New Brighton Revitalisation 2004/05, 2005/06, 2006/07 Transport & City Streets.	Master Plan and team working this area currently (Kevin Mara)
7	Worcester Boulevard (Latimer Square to the Museum)	Site suggestion only	2004/05 Transport & City Streets	No capital programme for west of river.
7	Cathedral Square - NW Quadrant	Temporary Art - suspended so can't be vandalised.		Possible shortfall funding 2006/07, following construction of new hotel (early 2006). Discussions for artwork sponsorship with private enterprise currently (Ross Herrett).

TOTALS	Location	Artwork idea description	Capital Works Programme	Comments
7	South Corner Cambridge Terrace/Cashel Street	Site suggestion only		Possible link with Cashel Mall improvements
7	Central City Streets (lanes) e.g. Poplar St	Enliven the pedestrian environment in areas which are already well utilised. Many of the lanes currently have poor quality surfacing in need of renewal. Street Sculptures possibly using recycled materials.	2005/06, 2006/07, 2007/08, 2008/09 Transport and City Streets	
7	Oxford Terrace Strip	Site suggestion only		
7	Colombo Street/Carlyle Street corner - Carlyle Park, Sydenham	Pocket Park being redesigned - entry point to Sydenham Main Street. View from street and over-bridge. Possible artwork in volcanic stone.		
7	Sydenham Mainstreet/Shopping Area/General	Tree surrounds, seating, shops painted different colours, good location for functional art eg bike-stands		
7	Papanui 'cluster' - cluster of streets to have kerb and channel work carried out over next few years.	Living Street & Urban Renewal Project (bounded by Grants, Proctor & Main North)	2004/05 to 2008/09 T & CS	Further consultation for remaining streets to take place 2004/05 (Tamsin Page).
7	Hagley Avenue/Tuam Street (Southeast Corner)	Site suggestion only		
7	Carlton Mill Rd/Rossall St, beside Millbrook Reserve		2004/05 Greenspace	Currently under design with artwork component. Possible top-up funding needed 2005/06 (Brent Smith)
7	Entrance to Henry Wigram Road (frontage on Main Sth Rd)	Wigram Service Memorial, commissioned sculpture (refer plans drawn up).		Trust set up to progress project.
7	Botanical Gardens	An avenue has been identified to develop as a future art trail	2006/07 & 2007/08 Greenspace	Strategy currently being prepared (Jo Rooke)
7	Hagley Park		Not specific	Management Plan currently being prepared.

TOTALS	Location	Artwork idea description	Capital Works Programme	Comments
