ON-Licence pursuant to s.127 of
the Act in respect of premises
situated at **106 Mandeville Street,
Christchurch** known as “**The
Ashley Hotel Christchurch**”.

THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairman: Mr A J Lawn.

DECISION ON THE PAPERS

This is an application by **The Ashley Hotel Christchurch Limited** for the renewal of the On-Licence in respect of premises situated at **106 Mandeville Street, Christchurch** known as ‘**The Ashley Hotel Christchurch**’.

The general nature of the premise is that of a Hotel. It has a restaurant and bar, as well as accommodation.

The application was duly advertised and no public objection or notice of desire to be heard has been received.

No matters have been raised in opposition in any reports as required by section 129 accordingly I deal with the matter on the papers.

A menu and Host Responsibility Policy were included on the file.

The Inspector recommends renewal but addresses the issue of the ‘default national trading hours’ and the need to alter the conditions of the licence in regards to the On-licence hours for those living on the premises.

Before the changes to the legislation those living on the premises could be sold or supplied alcohol at “any time on any day”. There is now no such provision in the new Act and therefore the default national trading hours set the hours at 8.00am to 4.00am the following day.

The conditions below reflect the changes in the Act and therefore those which will be attached to the renewed On-license.

Included in the new conditions is the requirement to have water freely available at all times, as well as signage indicating this.

Waivers are sought for two matters, 1/ late filing of the renewal application, 2/ errors in the wording and hours stated in the public notification. The applicant is reminded that renewal applications must be made no later than 20 working days before the expiry of the licence.

The waivers are granted under s.208 of the Act as the matters do not seem to be wilful and no parties appear to be prejudiced.

I am satisfied as to the matters to which I must have regard as set out in s.105 and 106 of the Act and the renewal is granted for a period of 3 years pursuant to s.130.

The applicant's attention is drawn to s.259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under this Act. Specifically sections 46 to 63 and 231(1).

The applicant must comply with all conditions specified on a licence.

The licence will be subject to the following conditions:-

CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairman: Mr A J Lawn.

DECISION ON THE PAPERS

This is an application by **Karmic Enterprises Limited** for a new On-Licence in respect of premises situated at **144 Lichfield Street, Christchurch**, known as '**Dux Central**'.

The general nature of the premise is that of a Tavern. It is located in the central city in the area designated for late night entertainment. There are a number of other bars in the vicinity as well as some areas still to be rebuilt.

This is a new premises in a rebuilt building. The premises were previously known as the 'Twisted Hop' operating under On-licence 060/ON/23/2010. The premises were damaged in the Christchurch earthquakes and the applicant is in the process of repairing and rebuilding.

The premises cover two levels, a ground floor with three bars and associated seating areas and an outside area. There is also an upper floor with one bar and associated seating.

The applicants are experienced in the industry having owned and operated a number of taverns and venues in and around central Christchurch, two of which are currently operating.

A number of matters were raised by the agencies in their reports under s.103 but are not such that would require a public hearing. They are not formal objections and accordingly we deal with the matter on the papers.

Police initially opposed the licence as the premises were still under construction. The Police withdrew their opposition and sought a condition of the licence that there would be four 'plumbed' water stations in the premises. The Inspector stated in her report that the applicant has agreed to this condition.

The Inspector also raised the matter of managers. The managers proposed by the applicant are all currently managing other premises owned by the applicant and the Inspector was concerned that there should be formal notification of specific managers for this premise. She sought a conditional decision based on all building compliance matters being completed and the appointing of at least two further managers. I agree and the licence will be conditional on these matters being completed and the relevant notifications being made to the inspector.

No issues have been raised by the agencies in regards to sections 105 of the Act although

The application was duly advertised and no public objection or notice of desire to be heard has been received.

I am satisfied as to the matters to which we must have regard as set out in s.105 and 106 of the Act the licence is granted for a period of 1 year pursuant to s.104. **The licence shall not issue until all matters under the Building Act have been complied with and a Certificate of Compliance or a Certificate of Public Use has been issued and a further two managers appointed for this premise.**

The applicant's attention is drawn to s.259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under this Act. Specifically sections 46 to 63 and 231(1).

The applicant must comply with all conditions specified on a licence.

The licence will be subject to the following conditions:-

Compulsory conditions – section 110 (2)

The following conditions are compulsory:

- (a) No Alcohol is to be sold on the premises on Good Friday, Easter Sunday, Christmas Day, or before 1pm on ANZAC Day to any person who is not present on the premises to dine.
- (b) Alcohol may only be sold the following days and during the following hours:
Monday to Sunday 9.00am to 3.00am the following.
- (c) Water will be freely available to customers on the premises while the premises are open for business.

DECISION 'ON THE PAPERS'

This is the second application for a Temporary Authority made under section 136 of The Act in respect of premises known as 'The Little Bistro' and trading under ON-license number 60/ON/151/2014.

An application for substantial experience in the hospitality industry and has appointed a manager to run the business.

A Temporary Authority was granted on the 2nd of April 2015 and expired on the 3rd of July 2015. The premises has been trading, without selling alcohol, since the expiry of the Temporary Authority.

An explanation was sought as to why there had been no substantive licence application, and why the Temporary Authority was allowed to lapse. It appears from the explanation that the applicant believed the Council would follow through on these matters. The applicant is reminded that it is their application and therefore the onus is on them to lodge applications in a timely manner.

The granting of Temporary Authorities is based on the premise that they are 'Temporary' and are a vehicle to allow the purchaser of a business time to apply for a permanent licence.

The applicant fulfils the criteria for the granting of an authority as set out in the Act, they have tenure and there is a valid licence for the existing premise.

There is no opposition from the Alcohol Licensing Inspector or the Police to the granting of this Authority.

We are satisfied as to the matters we must have regard to as set out in section 136 of The Act.

The applicant's attention is drawn to section 136(5) of The Act where it states that they carry "the same duties, obligations, and liabilities as the holder of the on-license" and also to section 110(2)(C) of The Act in relation to the condition of the license that "drinking water is to be freely available to customers while the premises are open for business".

The duration of the Temporary Authority shall be no more than 3 months from the date of the decision or when a substantive licence is issued, whichever occurs first.

DECISION 'ON THE PAPERS'

This is the second application for a Temporary Authority made under section 136 of The Act in respect of premises known as 'The Sandridge Hotel' and trading under ON- license number 60/ON/166/2014.

An application for substantive licence has been lodged and is being processed but will not be fully processed by the time the first Temporary Authority expires as Police have opposed the on-licence application on the grounds that they have not been able to speak to the applicant, who is overseas at present.

The applicant fulfils the criteria for the granting of an authority as set out in the Act, they have tenure and there is a valid licence for the existing premise.

There is no opposition from the Alcohol Licensing Inspector or the Police to the granting of this Authority.

We are satisfied as to the matters we must have regard to as set out in section 136 of The Act.

The applicant's attention is drawn to section 136(5) of The Act where it states that they carry "the same duties, obligations, and liabilities as the holder of the on-license" and

also to section 110(2)(C) of The Act in relation to the condition of the license that “drinking water is to be freely available to customers while the premises are open for business”.

The duration of the Temporary Authority shall be no more than 3 months from the date of the decision or when a substantive licence is issued, whichever occurs first.

**CHRISTCHURCH GOLF CLUB
LIMITED** for an ON-Licence
pursuant to s.99 of the Act in
respect of premises situated at **45

Christchurch** known as
“Christchurch Golf Club”.

THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairman: Mr A J Lawn.

DECISION ON THE PAPERS

This is an application by **Christchurch Golf Club Limited** for a new On-Licence in respect of premises situated at **45 Horseshoe Lake Road, Christchurch** to be known as **‘Christchurch Golf Club’**.

The club currently trades under licence 060/CL/03/2000.

The applicant seeks to use the club house buildings for non-recreational related activities such as conferences, seminars, weddings and the like, they therefore have applied for an on-licence.

A resource consent has been obtained, RMA 92029735. The premises will continue to operate as it has done as a golf club but will also operate as a function centre. A company has been formed so that it meets the criteria of s.29(1) of the Act.

The general nature of the premise is that of a golf club and function centre.

The premises is still under construction and final compliance checks and certificates are yet to be completed.

The application was duly advertised and no public objection or notice of desire to be heard has been received.

A waiver is sought for the incorrect wording of the public notice. There appears to be no prejudice to any potential objectors and the mistake does not appear to be wilful. The waiver is granted under section 208 of the Act.

The hours sought are;

Monday to Sunday 9.00am to 11.00pm- to persons present for the purposes of playing golf, and;

Monday to Sunday 9.00am to 11.00pm to persons present attending any function or scheduled golf event or after match functions. And;

Monday to Sunday 9.00am to 12 midnight to any person attending any function. (**Limited to a maximum of 12 in any one year**).

The purpose of the restrictions on who may be present is to ensure that the premises does not morph into a tavern.

A register of functions & golf events is to be kept on the premises and is to be made available to an inspector upon request.

The Inspector also reports that the entire golf course is sought to be included into the licensed premises to cater for various situations, i.e. a drinks cart with food and beverages to sell items out on the course. This is to be the exception rather than the rule and will take careful management to stop it creating issues. The Inspector holds no concerns. The granting of the area including the golf course will be allowed but the agencies are encouraged to monitor this situation and report at first renewal on any issues, if found.

No matters have been raised in opposition in any reports as required by section 103 accordingly I deal with the matter on the papers.

A menu and Host Responsibility Policy were included on the file.

Included in the new conditions is the requirement to have water freely available at all times, as well as signage indicating where the water is available.

I am are satisfied as to the matters to which we must have regard as set out in s.105 of the Act and the licence is granted for a period of 1 years pursuant to s.104. The

licence shall not issue until all matters under the Building Act have been complied with and a Certificate of Compliance or a Certificate of Public Use has been issued.

The applicant's attention is drawn to s.259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under this Act. Specifically sections 46 to 63 and 231(1).

The applicant must comply with all conditions specified on a licence.

The licence will be subject to the following conditions:-

IN THE MATTER

of the Sale and Supply of Alcohol Act 2012

AND

IN THE MATTER

of an application by Mount Pleasant School for an On-site special licence pursuant to s.138 of the Act in respect of premises situated at 82 Major Hornbrook Road , **CHRISTCHURCH.**

DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairman: Mr G B Buchanan.

DECISION 'ON THE PAPERS'

This application is for a fundraising event to be run by Mount Pleasant School. The event is an Art Exhibition.

The event will take place on the school grounds on Saturday the 5th of September 2015 from 2.00pm to 7.00pm.

A waiver has been sought for the requirement to have a qualified manager to oversee the sale and supply of alcohol. This is granted. The nominated person to supervise the sale and supply of alcohol is Keiran Horne.

It is expected that approximately 400 people will attend the event.

There is no designation sought for the area.

No matters have been raised in opposition by the police or the Inspector in any reports as required by section 141(1).

The Medical Officer of health has written a report opposing the application. In his report he quotes from the Ministry of Education that

“It is important that schools are encouraged to set positive examples and avoid alcohol use around children.”

The main component of the opposition of the Medical Officer of Health appears founded upon the fact that the application offends against the object of the Act in that any drinking by an adult within view of a child increases the risk of alcohol related harm later in life, especially in a school setting.

This was traversed in the opposition that the Medical Officer of Health raised to applications previously.

In those hearings the opposition of the Medical Officer of Health was countered by direct evidence of one of the applicants, who was a very experienced registered medical practitioner. The outcome of that hearing was that the applications were granted.

Given that the Medical Officer of Health has raised no new issues it seems both reasonable and logical to grant the application.

This leaves the Board of Trustees, and the school Principal, to make their own minds up as to the appropriateness of the sale and consumption of alcohol within their school grounds and assess for themselves the information tendered by the Medical Officer of Health.

The granting of the application is in no way a criticism of the Medical Officer of Health who has the responsibility under the Act to bring matters to the attention of the District Licensing Committees with which they have genuine concerns.

The agencies are independent reporting bodies and though a consensus makes the point more poignant they are given the right to report as they see fit. This is one of the strengths of the Act.

The applicant seeks the area where the sale and consumption of alcohol will take place to be undesignated.

I am satisfied as to the matters to which I must have regard as set out in s.142 of the Act and I grant the applicant a special licence pursuant to s.104(1).

The licence will not issue until all relevant clearances have been obtained. The applicant is not entitled to sell liquor until the licence issues.

The applicant's attention is drawn to s.259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under this Act. Specifically sections 46 to 63.

The applicant must comply with all conditions specified on a licence.

The licence will be subject to the following conditions:-

Compulsory conditions – section 147(3)

The following conditions are compulsory:

- (a) Alcohol may only be sold under the licence only on the following days and during the following hours:
Saturday 5th of September 2015 from 2.00pm to 7.00pm.**
- (b) Drinking water will be freely available on the premises as specified in the application:**

Discretionary conditions – section 147(1)

- (a) The licence holder must display appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.
- (b) Food must be available for consumption on the premises as specified in the application.
- (c) Low-alcohol beverages must be available for sale and supply on the premises as specified in the application.
- (d) Non-alcohol beverages must be available for sale and supply on the premises as specified in the application.
- (e) The licensee must provide assistance with or information about alternative forms of transport from the premises as specified in the application.
- (f) A copy of the licence, together with signs showing the age restriction must be clearly displayed.
- (g) A copy of this licence together with signs showing the age restrictions must be clearly displayed.

The area marked on the plan and described in the application shall be designated as **Supervised.**

The licence is also subject to the following conditions, which in the committee's opinion are not inconsistent with the Act:

- Noise should be controlled so as not to disturb neighbouring residents.

A copy of the licence setting out the conditions to which it is subject is attached to this decision.

of an application by **FINE FARE
KITCHEN LIMITED** for an ON-
Licence pursuant to s.99 of the
Act in respect of premises situated
at **101 Victoria Street,
Christchurch**, known as '**Fine
Fare Kitchen**'.

CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairman: Mr A J Lawn.

DECISION ON THE PAPERS

This is an application by **Fine Fare Kitchen Limited** for a new On-Licence in respect of premises situated at **101 Victoria Street, Christchurch**, known as '**Fine Fare Kitchen**'.

The general nature of the premise is that of a 'gourmet take home food entity' with a small restaurant.

The premise has not previously been licenced and is on a temporary site in a newly constructed container food hub. The temporary site is expected to be in operation for the next two to three years. It is on a block of land on the corner in the Victoria Street precinct.

There are four containers in the hub and these are all connected by a large deck area, where food and beverages can be consumed.

The director of the applicant company will be hands on in the running of the business. He has no previous hospitality experience. He will sit the Licence Controller Qualification and apply for his manager's certificate. Another manager will be appointed who is the person responsible for the day to day operation. He has extensive hospitality experience and will sit his Licence Controller Qualification as well as apply for his manager's certificate.

The hours of trade are restricted by the resource consent and the application seeks a licence to trade Monday to Saturday 10.00am to 11.00pm. The consent also includes a 'Noise Management Plan' which must be complied with.

The Police and Medical Officer of Health opposed the application stating that they had concerns (as did the Inspector) that the premises would sell alcohol to patrons who were not remaining on the premises to consume the food they have purchased, thus creating an outdoor bar. In order to alleviate the concerns of the agencies the applicant has agreed to the addition of a condition in relation to whom alcohol can be sold and supplied to, namely only patrons who remain on the premises to consume food purchased from Fine Fare.

Having read the resource consent (RMA92028854 and RMA92026448) I find that a similar condition is already a part of that document, (page 2- condition 18), which means the applicant could not, without breaching their consent, allow patrons to drink casually and must ensure only patrons who purchase food from Fine Fare are allowed to consume alcohol on the site.

The condition suggested by the Inspector, and agencies, and agreed to by the applicant, shall be made a discretionary condition under this licence.

It is also a condition of the Resource Consent that "liquor may be sold from one stall only (being the stall known as "Fine Fare") until 11pm, 7 days a week. This will limit any concerns that a number of alcohol outlets will fill the site.

No other issues have been raised by the agencies in regards to sections 105 of the Act.

With the applicant agreeing to the above condition the opposition from the agencies falls away, and there being no public objections, the matter may be determined on the papers.

The application was duly advertised and no public objection or notice of desire to be heard has been received.

A host responsibility Policy and menu were submitted with the application.

I am satisfied as to the matters to which must have regard as set out in s.105 and 106 of the Act and I grant the licence for a period of 1 year pursuant to s.104.

The applicant's attention is drawn to s.259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under this Act.

Specifically sections 46 to 63 and 231(1).

The applicant must comply with all conditions specified on a licence.

The licence will be subject to the following conditions:-

Compulsory conditions – section 110 (2)

The following conditions are compulsory:

- (a) No Alcohol is to be sold on the premises on Good Friday, Easter Sunday, Christmas Day, or before 1pm on ANZAC Day to any person who is not present on the premises to dine.

DECISION ON THE PAPERS

This is an application by **KOSCO 2006 Limited** for the renewal of an Off-Licence in respect of premises situated at **92A Riccarton Road, Christchurch** known as ‘**Kosco Riccarton**’.

The premises trades as an ‘Asian Supermarket’ but due to its size it is classified as a grocery store. The Inspector has done an assessment of the premises in relation to the requirements in s. 33 of the Act and has determined that the premises is a grocery store due to the size of the premises, the turnover figures and a view of the premises.

The Inspector states “On the basis of the above (size and layout and sales figures) I am satisfied that the applicant continues to be eligible to hold an off-licence under section 32(1)(f) of the Act.

The application was duly advertised and no public objection or notice of desire to be heard was been received.
