**DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE**

Chairman Mr R J Wilson  
Members Mr G Buchanan  
Mr P Rogers

This is an application by M&P Riccarton Club Ltd for a Temporary Authority for premises known as Harringtons Riccarton situated at 66b Wharenui Road, Christchurch. This is the second application for a Temporary Authority. The general nature of the premises is that of a tavern. This application comes about because the business has been sold. The applicant has tenure and evidence of a Sale and Purchase Agreement has been provided. A substantive application has now been received and is being processed.

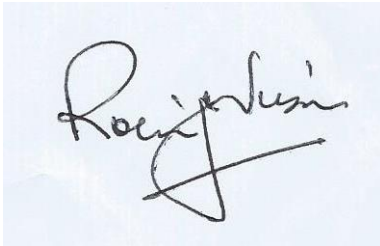

No matters have been raised in opposition by the Licensing Inspector or the NZ Police. Accordingly we deal with the matter on the papers.

The granting of a Temporary Authority is governed by s136 of the Act which outlines the criteria for the making of an order authorizing the applicant to carry on the sale and supply of alcohol for a period not exceeding three months. We are satisfied that the applicant

fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months or until such time as the substantive application is determined.

The applicant's attention is drawn to s136(5) of the Act where it states that they carry "the same duties, obligations and liabilities as the holder of the on-licence" and also to s110(2)(c) that "drinking water is to be freely available to customers while the premises are open for business."

DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

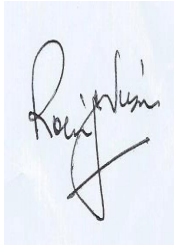

This is a Corrigendum to Decision 60C (2015) 849 which granted Special Licences to Vbase Ltd for events connected to the FIFA Junior World Cup to be held at AMI Stadium on Monday 1 June, Thursday 4 June, Sunday 7 June, Thursday 11 June, Sunday 14 June and Wednesday 17 June 2015.

It appears the applicant neglected to include extended hours for Corporate Areas in his application and this was not picked up by Licensing Team staff. It goes without saying that it is for the applicant to specify what hours he is seeking. However this failing can be corrected by this Corrigendum. Decision 60C (2015) 849 is amended by the addition under the heading Compulsory Conditions the words:

Mr P Rogers

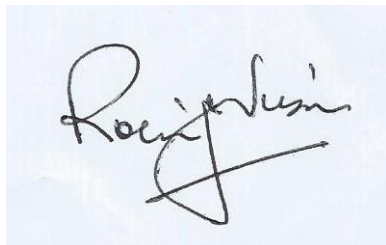

This is an application by Preserved Ltd for a Temporary Authority for premises known as Preserved Café & Bar (formerly Chalfont Café) situated at 21 Waipapa Avenue, Diamond Harbour. The general nature of the premises is that of a cafe. This application comes about because the business has been sold. The applicant has tenure and evidence of a Sale and Purchase Agreement has been provided.

No matters have been raised in opposition by the Licensing Inspector or the NZ Police. Accordingly we deal with the matter on the papers.

The granting of a Temporary Authority is governed by s136 of the Act which outlines the criteria for the making of an order authorizing the applicant to carry on the sale and supply of alcohol for a period not exceeding three months. We are satisfied that the applicant fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months or until such time as the substantive application is determined.

The applicant's attention is drawn to s136(5) of the Act where it states that they carry "the same duties, obligations and liabilities as the holder of the on-licence" and also to s110(2)(c) that "drinking water is to be freely available to customers while the premises are open for business."

This application relates to the holding of an event on Saturday 27<sup>th</sup> June 2015.

Food will be served at one of the venues visited.

A waiver has been sought for the requirement to have a qualified manager to oversee the sale and supply of alcohol. This is granted.

The responsible person will be the designated driver.

The Inspector has reported favourably in regard to the application.

No matters have been raised in opposition in any reports as required by section 141(1), accordingly I deal with the matter on the papers.

The "Party Bus" concept has been fraught with problems in the past and I have some reservations about granting a licence. The applicant should be aware that any issues that arise may influence the committee in any future applications.

**DECISION BY CHRISTCHURCH DISTRICT LICENSING COMMITTEE TO ADJOURN A  
HEARING**

Chairperson: P R Rogers

An application was received on 28 January 2015 from **Crotalus Limited** in respect of premises at **50 Victoria Street, Christchurch**, known as **The Bog Irish Bar Limited**.

While there was no opposition from the NZ Police, Medical Officer of Health, nor the Inspector there were three objections lodged to the granting of the application. The Victoria Neighbourhood Association (VNA) and others, Inner City West Neighbourhood Incorporated (ICON) and a Bob Manthei objected to the application. As a result the matter was set down for a public hearing on Monday the 15 June 2015.

While there are other matters, in essence the objector's chief concern is the hours during which the premise will trade, namely 8.00 am to 3.00 am.

The Committee is mindful of the expense and time taken to hold a public hearing when despite any decision the Committee may make it is bound by a Local Alcohol Policy (LAP) if one comes into force.

On 6 June 2015 the Christchurch City Council pursuant to section 80 of the Act notified its wish to have a LAP. This requires the Council to give notice of the provisional policy, the rights of appeal and the grounds on which that appeal can be based. Pursuant to section 45, if maximum trading hours are stated in the policy then they shall be the hours that apply. That would mean that if that part of the LAP which applies to Victoria Street comes into force without amendment then all licensed premises would close no later than 1.00 am.

**The Decision** of the Committee is therefore to adjourn the hearing due to be held on the 15 June 2015 until such time as the implementation of the Christchurch City Council Local Alcohol Policy is determined. At this time the matter can be revisited.

The applicant sought a waiver for the late filing of the application. This was due to personal reasons, which the committee accepted and a waiver was granted under section 208 of the Act.

The granting of special licences for major sporting events which are televised has been subject to a number of Authority appeals.

This committee recently granted a special licence for the first game in the series and there has been no reports of issues.

The measures put in place and the conditions placed on the licence will ensure that the event is not seen as 'continuance of trade' and satisfies the requirements of the Act.

The premise is currently the holder of an On-licence, 060/ON/57/2015.

The premises is well run and the Inspector holds no concerns re the running of the event.

A 'one Way Door' will be enforced at the entry points of the premises at 11.00pm and will continue until close of trade.

No matters have been raised in opposition in any reports as required by section 141(1), accordingly I deal with the matter on the papers.

DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

This is an application by Premier Hospitality No 2 Ltd for renewal of an On Licence for premises known as The Craic Irish Bar situated at 2 Straven Road, Christchurch. The premises are in the nature of a tavern.

A waiver has been sought pursuant to s208 for certain failings in the public notices of the application. This is granted.

Initially the local Residents Association lodged an objection to the renewal mainly on the grounds of excessive noise. This work has now been completed and the objection has been withdrawn.

The application was duly advertised and no public objection or desire to be heard has been received other than that from the Residents Association discussed above.
