Hide Club

DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Commissioner Mr David.Blackwell

- [1] This is an application by **Hide Entertainment Limited** for a Temporary Authority for premises known as **Hide Club** situated at 172 St Asaph Street, Christchurch. The application comes about because of a change of ownership. An application for a substantive licence has yet to be received.
- [2] No matters have been raised in opposition by the Licensing Inspector or the New Zealand Police. Accordingly I deal with the matter on the papers.
- [3] The granting of a Temporary Authority is governed by s136 of the Act which outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding three months. I am satisfied that the applicant fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months (or earlier if the substantive application is determined) from 19th November 2019.
- [4] The applicant's attention is drawn to s136(5) of the Act where it states that they carry "the same duties, obligations and liabilities as the holder of the On-Licence" and also to s110(2)(c) that "drinking water is to be freely available to customers while the premises are open for business."

- [5] The applicant is also advised that it is the expectation of the Committee that an application for a substantive licence will be lodged within six weeks of the date of this Temporary Authority. The Committee can give no assurance that a second Temporary Authority will be granted should there be undue delay.

DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Commissioner Mr David.Blackwell

- [1] This is an application by **New Oriental Trading Limited** for a Temporary Authority for premises known as **Eliza's Manor** situated at 82 Bealey Avenue, Christchurch. The application comes about because of a change of ownership. An application for a substantive licence has yet to be received.
- [2] No matters have been raised in opposition by the Licensing Inspector or the New Zealand Police. Accordingly I deal with the matter on the papers.
- [3] The granting of a Temporary Authority is governed by s136 of the Act which outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding three months. I am satisfied that the applicant fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months (or earlier if the substantive application is determined).
- [4] The applicant's attention is drawn to s136(5) of the Act where it states that they carry "the same duties, obligations and liabilities as the holder of the On-Licence" and also to s110(2)(c) that "drinking water is to be freely available to customers while the premises are open for business."

- [5] The applicant is also advised that it is the expectation of the Committee that an application for a substantive licence will be lodged within six weeks of the date of this Temporary Authority. The Committee can give no assurance that a second Temporary Authority will be granted should there be undue delay.

- [1] This is an application by **Omarino Estate Limited** for a Temporary Authority for premises known as **Omarino Estate** situated at 30 Watsons Road, Christchurch. The application comes about because of a change of ownership. An application for a substantive licence has yet to be received.
- [2] No matters have been raised in opposition by the Licensing Inspector or the New Zealand Police. Accordingly I deal with the matter on the papers.
- [3] The granting of a Temporary Authority is governed by s136 of the Act which outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding three months. I am satisfied that the applicant fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months from 2nd December 2019 or earlier if the substantive application is determined.
- [4] The applicant's attention is drawn to s136(5) of the Act where it states that they carry "the same duties, obligations and liabilities as the holder of the On-Licence" and also to s110(2)(c) that "drinking water is to be freely available to customers while the premises are open for business."

- [5] The applicant is also advised that it is the expectation of the Committee that an application for a substantive licence will be lodged within six weeks of the date of this Temporary Authority. The Committee can give no assurance that a second Temporary Authority will be granted should there be undue delay.

DATED at CHRISTCHURCH this 30th day of November, 2019.
