**ON THE PAPERS DECISION**

This is an application by **General Distributors Limited** for the renewal of the Off-Licence in respect to premises situated at **1005 Ferry Road, Christchurch** trading as 'Countdown'.

The current licence number is **060/OFF/40/2007**.

The general nature of the premise is that of a Supermarket.

The application was received by the Christchurch District Licensing Agency before the new Act commenced in December 2013 and therefore I deal with it under section 407 of the Sale and Supply of Alcohol Act 2014.

No matters have been raised in opposition in any reports as required by section 103(1) and accordingly we deal with the matter on the papers.

Section 127 (3) requires that the applicant **must** comply with the requirement of Section 101 regarding the need to publicly notify an application for the renewal of the licence. The application was not advertised within 10 working days from the date the application for renewal was made. We note that the public notification was completed a full 12 months after the application was made. After consideration of this deficiency in the process and the fact that public notices were eventually made in February and March 2014, we grant a waiver under section 208 of the act for the applicant's non-compliance regarding this requirement.

A waiver has also been granted in respect to the applicant premises being an additional 77sq metres larger than the previous premises to which the original licence applied.

I am satisfied as to the matters which we must have regard to as set out in s.105 of the Act and we grant the applicant an Off Licence pursuant to s104(1).

The licence will not issue until all relevant clearances have been obtained. The applicant is not entitled to sell liquor until the licence issues. Unlicensed sales can result in imprisonment for up to three months or a fine of \$40,000 (sec 233 (a) and (b) of the Act).

The applicant's attention is drawn to s.259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under this Act. Specifically sections 46 to 63. 231(1).

The applicant must comply with all conditions specified on the licence.

The licence will be subject to the following conditions and all other conditions as identified on the licence.

**The following conditions are compulsory - section 116(2)**

**Liquor may be sold or delivered only on the following days and during the following hours:**

**Monday to Sunday 7.00am to 11.00pm:**

**Signage must be displayed stating (directly or by description) a place or places on the premises at which drinking water is freely available to customers, while alcohol is being supplied free as a sample on the premises.**

**No alcohol is sold on or delivered from the premises on Good Friday, or Christmas Day, or before 1 pm on Anzac Day;**

**No alcohol is sold on or delivered from the premises at any time on Easter Sunday unless it is grape wine or fruit or vegetable wine made—**

- **(i) on the premises; or**
- **(ii) from produce harvested from land on which the premises are situated.**

**Discretionary conditions – section 116 (1)**

**Display appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition of sale to intoxicated persons.**

**The following steps must be taken to ensure that the provisions of the Act relating to the management of the premises concerned are observed.**

- **Alcohol must only be sold, supplied within the area marked on the plan submitted with the application.**

**Other restrictions and requirements**

**Section 57 – Display of licences**

**Section 58 -- Restrictions on kinds of alcohol sold in supermarkets and grocery shops, and premises directly accessible from supermarket or grocery shop.**

**Section 59 – Requirement relating to remote sales by holders of off licence**

**Section 214 – Manager to be on duty at all times and responsible for compliance**

**All areas of the premises, are to be un- designated.**

Police originally opposed the granting of the renewal due to a conviction. A section 285 application for the suspension of Mrs Painter's certificate was made to the Alcohol Regulatory and Licensing Authority. An 'on the papers' decision was given as there was an agreed suspension.

As part of the agreed suspension, and decision by the Authority, a 12 month renewal period was also agreed to. The decision number is 254806/2014.

I have read the Inspectors report and I note that the only matter that was raised, was the Police objection.

As these matters have been addressed and the Police have withdrawn their objection the application can be dealt with on the papers.

The applicant has completed the 'LCQ Bridging Test'.

The application is renewed, but only for a 12 month period as agreed.

IN THE MATTER

of an application by **The Baretta Hospitality Company Limited** for an On-Licence pursuant to s.99 of the Sale and Supply of Alcohol Act 2012 in respect of premises situated at, **174 St Asaph Street Christchurch**, known as the **Baretta**.

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

DECISION ON THE PAPERS

This is an application by **The Baretta Hospitality Company Limited** for an On-Licence in respect of premises situated at **174 St Asaph Street Christchurch** , known as the Baretta.

The general nature of the premise is that of a tavern.

The application was received by the Christchurch District Licensing Agency on 11 March 2014, therefore criteria under s.131 of the Sale and Supply of Alcohol Act 2012 will apply.

No matters have been raised in opposition in any reports as required by s.103 accordingly I deal with the matter on the papers.

No issues have been raised by the agencies in regards to s 105 of the Act.

The application was duly advertised and no public objection or notice of desire to be heard has been received.

I am satisfied as to the matters to which we must have regard as set out in s.105 and 106 of the Act and we grant the licence for a period of 12 months pursuant to s.104.

The applicant's attention is drawn to s.259 of the Act which makes it an offence not to comply with certain requirements and restrictions imposed by or under this Act. Specifically s.46 to 63 and 231 (1).

A **waiver** is sought and granted pursuant to s.208 of the Act in respect to the public notices not reflecting the new default trading hours. I do not believe that error has an impact on this application.

The applicant must comply with all conditions specified on a licence.

The licence will be subject to the following conditions:-

**Compulsory conditions – section 110 (2)**

The following conditions are compulsory:

**(a) No alcohol is to be sold on the premises on Good Friday, Easter Sunday, Christmas Day, or before 1pm on Anzac Day to any person who is not present on the premises to dine.**

**Monday to Sunday 8.00 am to 3.00 am the following day.**

**(c) Water will be freely available to customers on the premises while the premises are open for business.**

**Discretionary conditions – section 110 (1)**

**(a) The following steps must be taken to ensure that the provisions of the Act relating to the sale of alcohol to prohibited persons are observed:**

**Display of appropriate signs adjacent to every point of sale, detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.**

**(b) The following steps must be taken to ensure that the provisions of the Act relating to the management of the premises concerned are observed:**

**Alcohol must only be sold, supplied and consumed within the area marked on the plan submitted with the application.**

**(c) The following steps must be taken to promote the responsible consumption of alcohol:**

**The licence must implement and maintain the steps proposed in their host responsibility policy aimed at promoting the reasonable consumption of alcohol.**

**(d) The whole of the premises is designated as Supervised area.**

**Other restrictions and requirements**

**Section 50 – One-way door restrictions in local alcohol policies to be complied with**

**Section 52 – Low alcoholic drinks to be available**

**Section 53 – Food to be available**
