**CHRISTCHURCH,** trading as

**BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE**

Chairman: Mr G B Buchanan

**DECISION ON THE PAPERS**

This is an application by Sandridge Hospitality Limited for a new On-Licence in respect to premises situated at 30 Huxley Street, CHRISTCHURCH,, trading as 'Sandridge Hotel'.

The general nature of the premise is that of a Hotel.

No matters have been raised in opposition in any reports as required by section 129. Accordingly we deal with the matter on the papers.

The Alcohol Licensing Inspector has reported on the application and states that the premise is intended as a Hotel style facility and its principal purpose is the supply of Alcohol. These premises have been previously licensed.

The maximum occupancy of these premises is set at 545 people.

The hours sought are consistent with other city premises which operate as a Hotel.

Section 119(1) of the Act will apply to these premises. The entire premise is to be designated as a Supervised Area. Minors must not be admitted to these premises unless accompanied by a parent or guardian.

We are satisfied as to the matters to which we must have regard as set out in s.105 and 106 of the Act. Police, Medical Officer of Health and the Licensing Inspector have all identified a number of issues in regard the good order the premises. Matters raised of concern were the sale to minors, noise and disorder in the Hotel carpark.

We note that both the Police and Medical Officer of Health have agreed to withdraw their initial opposition to the renewal of this licence if the applicant agreed to a renewal of 12 months. We believe that a renewal for this period will allow the applicant the opportunity to ensure there is an improvement in the way that these premises operate.

A waiver is granted under section 208 of the Act in respect to the error in the publication of public notices. They were published outside of the timeline specified in the Act. We believe that this error does not affect the granting of the licence.

The application was duly advertised and no public objection or notice of desire to be heard has been received.

We grant the licence for a period of 1 year pursuant to s.130.

The applicant's attention is drawn to s.259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under this Act. Specifically sections 46 to 63 and 231(1).

The applicant must comply with all conditions specified on the licence.

The licence will be subject to the following conditions:-

The licence may be issued on payment of the annual fee payable in accordance with regulation 15 of the Sale and Supply of Alcohol (fees) Regulations 2013.

**Compulsory conditions – section 110 (2)**

**DECISION ON THE PAPERS**

This is an application by Karepa Holdings Limited for a new On-Licence in respect to premises situated at 251 Clyde Road, Christchurch, trading as 'Misceo'.

The general nature of the premise is that of a Tavern.

No matters have been raised in opposition in any reports as required by section 129. Accordingly we deal with the matter on the papers.

The Alcohol Licensing Inspector has reported on the application and states that the premise is intended as a Tavern style facility and its principal purpose is the supply of alcohol. These premises have been previously licensed.

The maximum occupancy of these premises has been set at 95 people.

The hours sought are consistent with other licensed premises located within the vicinity of a residential area premises which operate as a tavern style facility.

A waiver is granted under section 208 of the Act in respect to the error in the publication of public notices. The notices were published outlining that a variation of the style of licence was sought. This variation has been withdrawn. The applicant will continue to operate a tavern style licence. We believe that this error does not affect the granting of the licence.

The area of the premises which operates as a restaurant is in fact larger than the area operated as a bar. The manner in which these premises operate may lead to minors being on the premises having a meal or coffee. This has been the case for some years. I see no reason why this should change.

Section 119(1) of the Act will apply to these premises. Every bar within these premises is to be designated as a Supervised area. Minors must not be admitted to these premises unless accompanied by a parent or guardian. The remaining areas are to be undesignated.

No issues have been raised by the agencies in regards to sections 105 or 106 of the Act.

The application was duly advertised and no public objection or notice of desire to be heard has been received.

We are satisfied as to the matters to which we must have regard as set out in s.105 and 106 of the Act and we grant the licence for a period of 3 years pursuant to s.130.

of an application by **GOODBYE BLUE MONDAY LIMITED** for an ON-Licence pursuant to s.99 of the Act in respect of premises situated at **170-172 HIGH STREET, CHRISTCHURCH**, known as '**BRICK FARM/SMASH PALACE**'.

**BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE**

Chairman: Mr A J Lawn.

**DECISION ON THE PAPERS (Re-Hearing)**

This decision is as result of a re-hearing sought by the applicant and the Alcohol Licensing Inspector under section 201(4) of the Act.

The original application sought a 3.00am closing time but the applicant publically notified a 1.00am closing time. As was stated in the original decision "As this is a material inconsistency there is not the power to grant a waiver under section 208 of the Act, if one was sought, which it has not".

The applicant has re-advertised the hours and there have been no objections to the increased hours.

This is an application by **Goodbye Blue Monday Limited** for a new On-Licence in respect of premises situated at **170-172 High Street, Christchurch**, known as '**Brick Farm / Smash Palace**'.

This is a new licence for a Restaurant / Bar situated in the city centre.

The general nature of the premises is that of a Restaurant. It has 3 floors and is situated in an area which is being rebuilt after the demolitions associated with the Christchurch earthquakes.

The main bar will be on the ground floor, kitchen on the first floor and a function room on the upper floor. The building has balconies and two distinct outside areas.

The directors of the company are experienced at running licensed premises, as they have operated a similar premise in the city previous to the earthquakes, as well as 'Smash Palace' on the corner of Bealey Avenue and Victoria Streets post-earthquakes.

Jonathan Moore is the principal of the company and will be 'hands on' in the management of the premises.

According to the Alcohol Licensing Inspector's report there were concerns raised about issues occurring in the surrounding area. The site is currently quite isolated as most of the surrounding buildings have been demolished. To address this a security firm will be employed, initially to work with all the bars in the area to provide roving patrols.

Police opposed the application on first reporting, as the building was not completed and they were unable to fully report on the design and layout. A subsequent report has been received and their opposition has been withdrawn.

No matters have been raised in opposition to the application in any reports as required by section 103, accordingly we deal with the matter on the papers.

The application was duly advertised and no public objection or notice of desire to be heard has been received.

I am are satisfied as to the matters to which I must have regard as set out in s.105 and 106 of the Act and the licence is granted for a period of 1 year pursuant to s.104 with the closing time of 3.00am.

The applicant's attention is drawn to s.259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under this Act. Specifically sections 46 to 63 and 231(1).

The applicant must comply with all conditions specified on a licence.

The licence will be subject to the following conditions:-

**Compulsory conditions – section 110 (2)**

The following conditions are compulsory:

- (a) No Alcohol is to be sold on the premises on Good Friday, Easter Sunday, Christmas Day, or before 1pm on ANZAC Day to any person who is not present on the premises to dine.
- (b) Alcohol may only be sold the following days and during the following hours:  
Monday to Sunday 8.00am to 3.00am the following day.
- (c) Water will be freely available to customers on the premises while the premises are open for business.

**Discretionary conditions – section 110 (1)**

(a) the following steps must be taken to ensure that the provisions of the Act relating to the sale of alcohol to prohibited persons are observed:

- Display of appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.

(b) the following steps must be taken to ensure that the provisions of the Act relating to the management of the premises concerned are observed:

- Alcohol must only be sold, supplied and consumed within the area marked on the plan submitted with the application.

(c) the following steps must be taken to promote the responsible consumption of alcohol:

- The licensee must implement and maintain the steps proposed in their host responsibility policy aimed at promoting the reasonable consumption of alcohol.

(d) The premises is undesignated.

**Other restrictions and requirements**

Section 51 - Non-alcoholic drinks to be available

Section 52 – Low alcoholic drinks to be available

Section 53 – Food to be available

Section 54 – Help with information about transport to be available

Section 57 – Display of licences

Section 214 – Manager to be on duty at all times and responsible for compliance

A copy of the licence setting out the conditions to which it is subject is attached to this decision.

**THE LICENSED PREMISES**

The premises are identified on the plan provided with the application for a licence.
