AND

IN THE MATTER The Miller Bar (2014) Limited and application pursuant to s.136 of the Act for the granting of a Temporary Authority relating to the premises at **308 Lincoln Road, Christchurch**, known as **The Miller Bar**.

BEFORE THE CHRISTCHURCH CITY COUNCIL DISTRICT LICENSING COMMITTEE

Chairperson: Mr PR Rogers
Members: Mr G Buchanan
Mr A Lawn

DECISION 'ON THE PAPERS'

This is an application by **The Miller Bar (2014) Limited** for a Temporary Authority made under section 136 of The Act in respect of premises known as **308 Lincoln Road, Christchurch** and trading under On-licence number 060/ON/82/2007. This licence is current to 29 March 2016.

The granting of a Temporary Authority is governed by s.136 of The Act and outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding 3 months.

The Inspector's report confirms that the applicant has tenure for the premises.

There is no opposition from the Licensing Inspector, The Police or Community and Public Health.

The business trades as a tavern.

We are satisfied as to the matters we must have regards to, as set out in section 136 of The Act. We therefore grant the Temporary Authority and it can be issued

immediately for a 3 month period or until the full licence is issued by the Christchurch District Licensing Committee.

The applicant's attention is drawn to s.136(5) of the Act where it states that they carry "the same duties, obligations, and liabilities as the holder of the Off-licence and also to s.110(2)(c) of the Act in relation to the condition of the licence that "drinking water is to be freely available to customers while the premises are open for business".

DECISION ON THE PAPERS

This is an application by **Jacquesy Holdings Limited** for a renewal On-Licence in respect of premises situated at **199 Clarence Street, Christchurch,** known as **Robbies on Riccarton.**

No matters have been raised in opposition in any reports as required by s.103 accordingly I deal with the matter on the papers.

No issues have been raised by the agencies in regards to s 105 of the Act.

The application was duly advertised and no public objection or notice of desire to be heard has been received.

I am satisfied as to the matters to which we must have regard as set out in s.105 and 106 of the Act and we grant the licence for a period of 3 years pursuant to s.104.

The applicant's attention is drawn to s.259 of the Act which makes it an offence not to comply with certain requirements and restrictions imposed by or under this Act. Specifically s.46 to 63 and 231 (1).

A **waiver** is sought and granted pursuant to s.208 of the Act in respect to the opening time for Sunday to Thursday as being 8.00 pm this would have clearly been seen as a mistake, the hours for Friday and Saturday were correct as a result I do not believe that error has an impact on this application.

The applicant must comply with all conditions specified on a licence.

The licence will be subject to the following conditions:-

Compulsory conditions – section 110 (2)

The following conditions are compulsory:

(a) No alcohol is to be sold on the premises on Good Friday, Easter Sunday, Christmas Day, or before 1pm on Anzac Day to any person who is not present on the premises to dine.

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

DECISION ON THE PAPERS

This is an application by **K & Q Limited** for an On-Licence in respect of premises situated at **363 Lincoln Road, Christchurch,** known as **New York Deli, Addington.**

The general nature of the premise is that of a **Cafe.**

The application was received by the Christchurch District Licensing Agency on 20 November 2014; therefore the criteria under s.131 of the Sale and Supply of Alcohol Act 2012 will apply.

No matters have been raised in opposition in any reports as required by s.103 accordingly I deal with the matter on the papers.

No issues have been raised by the agencies in regards to s 105 of the Act.

The application was duly advertised and five public objections had been received. The Inspector has reported on these objections and in his opinion they are not valid as they raise no matters as specified in s.105. The Inspector attempted to contact the objectors, one was returned due to insufficient address, after he had contacted some of the other objectors and considering the other objectors the criteria under s.202 they are not valid because they raise no specific matter as required in s.105 and because of a lack of response after being contacted by the Inspector a hearing is not required to take place.

I am satisfied as to the matters to which we must have regard as set out in s.105 and 106 of the Act and we grant the licence for a period of 1 year pursuant to s.104.

The applicant's attention is drawn to s.259 of the Act which makes it an offence not to comply with certain requirements and restrictions imposed by or under this Act. Specifically s.46 to 63 and 231 (1).

A **waiver** is sought and granted pursuant to s.208 of the Act in respect to the matter that the first notice was published outside the period prescribed in the Act, pursuant to s.127(3); as I do not believe that error has an impact on this application.

The applicant must comply with all conditions specified on a licence.

The licence will be subject to the following conditions:-

Compulsory conditions – section 110 (2)

The following conditions are compulsory:

(a) No alcohol is to be sold on the premises on Good Friday, Easter Sunday, Christmas Day, or before 1pm on Anzac Day to any person who is not present on the premises to dine.

(b) Alcohol may only be sold the following days and during the following hours:

Monday to Sunday 8.00 am to 9.00 pm

(c) Water will be freely available to customers on the premises while the premises are open for business.

Display of appropriate signs adjacent to every point of sale, detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.

(b) The following steps must be taken to ensure that the provisions of the Act relating to the management of the premises concerned are observed:

Alcohol must only be sold, supplied and consumed within the area marked on the plan submitted with the application.

AND

IN THE MATTER

of an application by **MUSIC FESTIVAL LIMITED** for an Onsite special licence pursuant to s.138 of the Act in respect of premises situated at **NORTH HAGLEY PARK, CHRISTCHURCH**

DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairman: Mr A J Lawn.

DECISION 'ON THE PAPERS'

This application is to allow the sale, supply and consumption at a large scale event proposed to be held in North Hagley Park, Christchurch. The application states that 8,000 people are expected to attend the event.

The date set for the event is Friday the 6th of February 2015 with a 'rain day' set as Saturday the 7th of February 2015.

The hours sought are 11.00am to 11.00pm.

An alcohol management plan has been provided by the event organiser.

The event is called 'Electric Avenue- Music Festival' and has a selection of local music and international bands / DJ's.

Events of this nature, if well run, are a major benefit to the community. The issue which often arises and damages the events reputation is the inability of the organisers to control the consumption of alcohol and prevent escalated intoxication.

The organiser has experience in running a number of large scale events, albeit with varying measures of success relating to the control of intoxication. Both Police and the Medical Officer of Health opposed the application in the first instance.

The initial Police report stated that “This applicant has previously run similar events that have resulted in high intoxication”. “Police are awaiting a pre-event meeting to give the applicant an opportunity to provide more information about their proposed systems for the management of intoxication”. “Police are also awaiting confirmation of suitably experienced staff”. “Police will review its opposition after the pre-event meeting”.

The Medical Officer of Health’s report mentioned that there were still matters in the application that required further clarification, including the beverages that the applicant intended to sell. He was also awaiting the outcomes from the meeting with the applicant before being able to report in full.

A meeting between the agencies and the applicant and both Police and the medical of Health have reviewed their respective positions and have withdrawn their opposition to the application.

A Security Management Plan has been submitted to the agencies and is attached to the application.

An experienced security provider has been engaged.

30 food vendors will be onsite supplying a range of food for patrons.

The applicant sought a ‘Supervised’ designation originally but this was changed to ‘Undesignated’ after discussions with the agencies. The change was due to some ‘online’ advertising which did not clarify the age restrictions. The event is essentially be ‘supervised’ in the way it is managed by a wrist-banding’ system.

In relation to the supplying of free water during the event the applicant has stated that they will 3x large ‘plumbed-in’ water stations within the venue, well sign posted, plus one at every entry to the service isles and there are six of these. 20 litre water coolers with runners continually filling them through the day.

With the withdrawal of the opposition from the police and Medical Officer of Health no matters have now been raised in opposition in any reports as required by section 141(1), accordingly I deal with the matter on the papers.

The applicant needs to be aware that with the initial concerns by the agencies regarding intoxication they will be under scrutiny to run a good event. It will be essential that their management practices are up to the mark, especially if the weather is hot. The suitability of the applicant to run future events may well be examined in the light of how they have run this event.

I considered placing a condition on the licence that there is to be regular (hourly) meetings between the event management and the agencies at the event. I have been informed that Police have discussed regular meetings during the event with the applicant and that they will take place. I expect that they do and also expect that these meetings will be an avenue for the applicant to ‘front foot’ any issues before they arise.

I am satisfied as to the matters to which I must have regard as set out in s.142 of the Act and I grant the applicant a special licence pursuant to s.104(1).

The licence will not issue until all relevant clearances have been obtained. The applicant is not entitled to sell liquor until the licence issues. Unlicensed sales can result in imprisonment for up to three months or a fine of \$40,000 (sec 233(2) (a) and (b) of the Act).

The applicant's attention is drawn to s.259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under this Act. Specifically sections 46 to 63.

The applicant must comply with all conditions specified on a licence.

The licence will be subject to the following conditions:-

Compulsory conditions – section 147(3)
