The general nature of the premise is that of a Supermarket.

A supermarket has been operating, with an Off-Licence, on this site for many years. The original building has been demolished as a result of damage from the Christchurch earthquakes. This is a new application for an Off- licence and the Supermarket will operate in the new premises currently under construction.

I am satisfied as to the matters which we must have regard to as set out in s.105 and 106 of the Act and we grant the applicant an Off Licence for a period of 1 year pursuant to s.130.

The licence will not issue until all relevant clearances have been obtained. The applicant is not entitled to sell liquor until the licence is issued. Unlicensed sales may result in imprisonment for up to three months or a fine of \$40,000 (sec 233 (a) and (b) of the Act).

The applicant must comply with all conditions specified on the licence.

The licence will be subject to the following conditions and all other conditions as identified on the licence.

DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairman: Mr A J Lawn.

DECISION 'ON THE PAPERS'

This application is to allow the sale and consumption of alcohol during the running of the Christchurch Show over a day period from Wednesday the 12th of November to Friday the 14th of November 2014, inclusive.

The Christchurch Show is the largest A & P show in New Zealand and the applicant is a long standing club having a 35 year history with the Canterbury A & P show.

The applicant has been granted a number of special licences over the years for this annual event.

According to the Alcohol Licensing Inspectors report there were issues last year due to extended hours and the introduction of a 'one way door'.

Police and the Medical Officer of Health both reported in opposition to the application in the first instance citing patron behaviour and intoxication at the 2013 event.

Both agencies have subsequently withdrawn their opposition after a meeting with the applicant and discussions regarding systems for the 2014 event.

The reduction of hours from an 11.00pm close on the Thursday night to an 8.00pm close is also a factor in the withdrawal of their opposition.

The Alcohol Licencing Inspector is now confident that any problems will not be repeated this year.

An Alcohol Management Plan accompanied the application.

The undertakings in the Alcohol Management plan shall be taken as conditions of the licence.

The sale of liquor will be overseen by a qualified manager.

It is expected that approximately 350 people will attend the event each day. The site is open only to members of the society along with their families. Entry will be by 'badge / swinger'. Continuous food will be available throughout the sites hours of opening.

As stated previously the agencies have withdrawn their opposition and no further matters have been raised in opposition in their reports as required by section 141(1), accordingly I deal with the matter on the papers.

I am satisfied as to the matters to which I must have regard as set out in s.142 of the Act and I grant the applicant a special licence pursuant to s.104(1).

The licence will not issue until all relevant clearances have been obtained. The applicant is not entitled to sell liquor until the licence issues. Unlicensed sales can result in imprisonment for up to three months or a fine of \$40,000 (sec 233(2) (a) and (b) of the Act).

The applicant's attention is drawn to s.259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under this Act. Specifically sections 46 to 63.

The applicant must comply with all conditions specified on a licence.

The licence will be subject to the following conditions:-

Compulsory conditions – section 147(3)

The following conditions are compulsory:

- (a) **Alcohol may only be sold under the licence only on the following days and during the following hours:**

Wednesday the 12th of November 2014 from 1.00am to 8.00pm
Thursday the 13th of November 2014 from 10.00am to 8.00pm
Friday the 14th of November 2014 from 10.00am to 3.00pm.

- (b) **Drinking water will be freely available on the premises as specified in the application:**

No matters have been raised in opposition in any reports, as required by section 129. Accordingly we deal with the matter on the papers.

The Alcohol Licensing Inspector has reported on the application and states that the premise is intended as a Restaurant and its principal purpose is the consumption of food.

These premises have not been previously licensed. The Yamagen Japanese Restaurant did trade for a number of years in the Park Royal Hotel. It was forced to close following the damage to that building during the Canterbury earthquakes. They now seek a licence and intend to reopen on a new site in Victoria Street.

It has a maximum occupancy of 172.

The hours sought are from 11am to 1am the following day. This is consistent with other premises which operate as a Restaurant.

No issues have been raised by the agencies in regards to sections 105 or 106 of the Act.

The application was duly advertised and no public objection or notice of desire to be heard has been received.

I am satisfied as to the matters which we must have regard to as set out in s.105 and 106 of the Act and we grant the licence for a period of 3 years pursuant to s.130.

I note that the Medical Officer of Health, expresses a concern that the final layout of the premises cannot be established until the building "fit out" has been completed. This is due to be completed soon. This licence is approved, subject to the Medical Officer of Health withdrawing his opposition and also subject to the necessary approval being issued under the building Act.

The applicant's attention is drawn to s.259 of the Act which makes it an offence to fail to comply with certain requirements and restrictions imposed by or under this Act; specifically sections 46 to 63 and 231(1).

The applicant must comply with all conditions specified on the licence.

The licence will be subject to the following conditions:-

The licence may be issued on payment of the annual fee payable in accordance with regulation 15 of the Sale and Supply of Alcohol (fees) Regulations 2013.

Compulsory conditions – section 110 (2)

The following conditions are compulsory:

(a) Alcohol may only be sold the following days and during the following hours:

Monday to Sunday 11 am to 1 am the following day.

No alcohol is sold on or supplied on the premises on Good Friday, Easter Sunday or Christmas Day, or before 1 pm on Anzac Day; and

(b) water will be freely available to customers on the premises while the premises are open for business.

Discretionary conditions – section 110 (1)

- Display of appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.

(b) the following steps must be taken to ensure that the provisions of the Act relating to the management of the premises concerned are observed:

- Alcohol must only be sold, supplied and consumed within the area marked on the plan submitted with the application.

(c) the following steps must be taken to promote the responsible consumption of alcohol:

DECISION 'ON THE PAPERS'

This is an application by **Mitake Enterprises Limited** for a Temporary Authority made under section 136 of The Act in respect of premises known as Flames Fine Food situated **4 Soleares Avenue, Christchurch, Christchurch** and trading under On-licence number 060/ON/192/2008.

The granting of a Temporary Authority is governed by s.136 of The Act and outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding 3 months.

The Inspector's report confirms that the applicant has tenure for the premises.

The applicant's attention is drawn to s.136(5) of the Act where it states that they carry "the same duties, obligations, and liabilities as the holder of the Off-licence and also to s.110(2)(c) of the Act in relation to the condition of the licence that "drinking water is to be freely available to customers while the premises are open for business".
