

# We're working in your area

## Ilam Road - Nor'west Arc cycleway

<b>What</b>	We're building a cycleway in your area.
<b>Where</b>	Ilam Road, between the University of Canterbury and Aorangi Road.
<b>When</b>	Early September 2023 - June 2024 (weather/site condition dependant).
<b>Why</b>	Our network of cycleways are making it safer and easier for people to cycle. More people cycling eases the pressure on our roads.
<b>Contact</b>	The contractor is Fulton Hogan. Phone 0800 ROAD FH, Monday to Friday, 7.30am to 5pm or email <a href="mailto:cant.info@fultonhogan.com">cant.info@fultonhogan.com</a> . Contact us after hours if the matter is urgent.

### What are we doing?

We are building a cycleway on Ilam Road between the University of Canterbury and Aorangi Road. We are also completing stormwater upgrades, new kerb and channels, footpaths, raised thresholds and landscaping as well as isolated areas of asphalt resurfacing carried out on Ilam Road.

Also included in the scope of works are traffic signal upgrades at the Memorial Ave/Ilam Road intersection and the Maidstone Road/Ilam Road intersection, as well as the construction of a new signalised crossing on Ilam Road, outside Jellie Park.

### Work Area

## Thanks for your patience as we work in your area

### Noise

There may be increased noise, dust and vibrations during work but it shouldn't impact on your power, water, gas or phone services.

### Safety

Safety is our biggest priority so please keep children and pets away from worksites.

### Other projects

Learn more about the Council's road and pipe works.

## Zone 1: Jellie Park - Memorial Ave

**Timing** - start of September to end of December 2023

**Scope of work** - new stormwater, new cycleway installed on both sides of the road, a new signalised pedestrian crossing outside Jellie Park, minor footpath works, landscaping and streetscaping.

**Expected traffic management** - a one-way traffic management system heading northeast along Ilam Road with some on-street parking removed. School drop off and pick up parking will be maintained.

## Zone 2: Memorial Ave - Maidstone Road

**Timing** - start of September to end of March 2024

**Scope of work** - new stormwater, traffic signal upgrade at the Memorial Ave/Ilam Road intersection, new cycleway installed on both sides of the road, new raised thresholds on side streets, minor footpath works, landscaping and streetscaping.

**Expected traffic management** - a one-way traffic management system heading north along Ilam Road and temporary decommissioning of the traffic lights. Intermittent road closures on side streets and on-street parking removed.

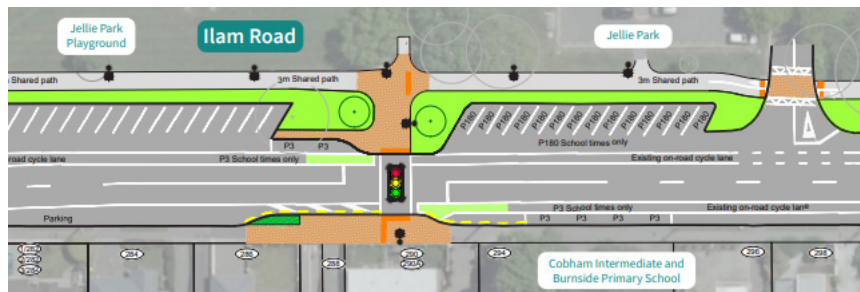

## Zone 3: Maidstone Road - University of Canterbury

**Timing** - end of November to June 2024

**Scope of work** - new stormwater, traffic signal upgrade at the Maidstone Road/Ilam Road intersection, new cycleway installed on both sides of the road, minor footpath works, landscaping and streetscaping.

**Expected traffic management** - a one-way traffic management system heading north along Ilam Road, temporary decommissioning of the traffic lights and on-street parking removed.

## What will it look like?

Left: The signalised crossing outside Jellie Park.  
Below: Visualisation of Ilam Road looking north.

**Our work will impact some bus routes.**  
**Please check**
