DECISION ON THE PAPERS

- [1] This is an application by **Wayne & Madlen Hospitality Limited** for the renewal, with variation, of the On-Licence in respect of premises situated at **286 Lincoln Road, Christchurch** known as ‘**The Pedal Pusher**’.

It has previously been operated as a tavern but the applicant states that the premises has a 60 / 40 split of Food vs beverages therefore a variation to the designation of the licence is sought. A reduction in the hours from 3.00am to 2.00am is also sought.
- [3] The application was duly advertised and no public objection or notice of desire to be heard has been received.
- [4] No matters have been raised in opposition in any reports as required by section 129 accordingly I deal with the matter on the papers.

- [5] The premises is reported to have traded without issue since its last renewal.
- [6] A menu and Host Responsibility Policy were included on the file.
- [7] The variations sought are;
- [8] A change to the designation to have a supervised designation from 9.00pm until 2.00am the following day.
- [9] A reduction of the closing time from 3.00am to 2.00am.
- [10]The Alcohol Licensing Inspector supports the variations and states in his report, "The premises previously held a supervised designation from opening until close. As they are operating primarily as a restaurant they seek a change to the designation so that it only applies from 9.00pm until close. Considering the nature of this premises I consider this change will not increase alcohol related harm. A designation by time is also in line with our current practice. I have no concerns in this regard".
- [11]I agree, and the variations are granted. The new licensed hours shall be Monday to Sunday 9.00am to 2.00am the following day and the premises shall have a supervised designation from 9.00pm each day.

CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairman: Mr A J Lawn.

DECISION ON THE PAPERS

- [1] This is an application by **Hullen Enterprises Limited** for a new On-Licence in respect of premises situated at **1 Radcliffe Road, Christchurch**, known as '**Styx and Stone**'.
- [2] The general nature of the premise is that of a Tavern. It is located in a large shopping precinct called 'Northwood' and is on the eastern side of the Main North Road. The premise is a single storey building with other bars, restaurants and commercial premises in close proximity.
- [3] The application is as a result of a change in ownership of the premises. The premises is currently trading under a Temporary Authority.

- [6] The director of the applicant company will be hands on in the running of the business. She has previous hospitality experience in the industry and intends to obtain her manager's certificate, she already holds her LCQ.
- [7] The applicant has detailed the appropriate systems, staff and training they intend to use to comply with the law.

[8] No issues have been raised by the agencies in regards to sections 105 of the Act.

The applicant seeks that the designation be supervised from 9.00pm to allow the premise to trade as a restaurant until then. I agree that this is a pragmatic approach and one which is now common.

The license licence allows the whole of the premises to operate until 2.00am and does not reflect the consent. The new licence shall be altered to reflect this.

[4] There is no opposition from the Licensing Inspector or the Police.

IN THE MATTER of the Sale and Supply of Alcohol Act 2012

AND

IN THE MATTER of La Page Pty Limited and application pursuant to s.136 of the Act for the granting of a Temporary Authority relating to the premises at **71 Beach Road, Akaroa**, known as **The Trading Rooms Restaurant and Pantry**.

BEFORE THE CHRISTCHURCH CITY COUNCIL DISTRICT LICENSING COMMITTEE

Chairperson: Mr PR Rogers
Members: Messrs R Wilson and A Lawn

DECISION 'ON THE PAPERS'

[1] This is an application by **La Page Pty Limited** for a Temporary Authority for an On-licence made under section 136 of the Act in respect of premises known as **The Trading Rooms Restaurant and Pantry**, located at **71 Beach Road, Akaroa**, and trading under On-licence number 060/ON/224/2014. The licence being current until 27 November 2017.

[2] The granting of a Temporary Authority is governed by s.136 of The Act and outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding 3 months.

[3] The Inspector's report confirms that the applicant has tenure for the premises.

[4] There is no opposition from the Licensing Inspector or the Police.

[5] The business trades as a restaurant.

[6] We are satisfied as to the matters we must have regards to, as set out in section 136 of The Act. We therefore grant the Temporary Authority and it can be issued immediately for a 3 month period or until determined by the Christchurch District Licensing Committee.

The granting of Temporary Authorities is based on the premise that they are 'Temporary' and are a vehicle to allow the applicant time to apply for a permanent licence. The applicant should be aware that it is the opinion of this Committee that a substantive licence application should be submitted to the Committee within six weeks. If there are legitimate reasons for a delay then the time may be extended but the question of suitability could be raised if an application is not submitted in a timely fashion.

[7] The applicant's attention is drawn to s.136(5) of the Act where it states that they carry "the same duties, obligations, and liabilities as the holder of the On-licence and also to s.110(2)(c) of the Act in relation to the condition of the licence that "drinking water is to be freely available to customers while the premises are open for business".

DECISION 'ON THE PAPERS'

[1] This is an application by **Shri Udipi Limited** for a Temporary Authority for an On licence made under section 136 of the Act in respect of premises known as **Mayur Indian Restaurant** located at **105C Riccarton Road, Christchurch**, and trading under On-licence number 060/ON/55/2016, the licence being current until 9 March 2017.

DECISION ON THE PAPERS

- [1] This is an application by Parinaaz Limited for a Temporary Authority in respect of premises situated at 1 Wakefield Ave, CHRISTCHURCH, trading as 'Poachers Pies & Pints'
- [2] The general nature of the premise is that of a restaurant and Bar.
- [3] A sale and purchase agreement has been supplied with the original application.
- [4] The granting of a Temporary Authority is governed by section 136 of The Act and outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding 3 months.
- [5] The applicant fulfils the criteria for the granting of an authority as set out in the Act.
- [6] There is no opposition from the Licensing Inspector or the Police.
- [7] We are satisfied as to the matters we must have regard to, as set out in section 136 of the Act.

[8] The granting of Temporary Authorities is based on the premise that they are 'Temporary' and are a vehicle to allow the applicant time to apply for a permanent licence. The applicant should be aware that it is the opinion of this Committee that a substantive licence application should be submitted to the Committee within six weeks. If there are legitimate reasons for a delay then the time may be extended but the question of suitability could be raised if an application is not submitted in a timely fashion.

[9] The applicant's attention is drawn to section 136(5) of The Act where it states that they carry "the same duties, obligations, and liabilities as the holder of the on-license" and also to section 110(2) (C) of The Act in relation to the condition of the license that "drinking water is to be freely available to customers while the premises are open for business".

AND

IN THE MATTER

of an application by **NZ Speed
Performance Progame Limited** for
an Off Licence pursuant to s.99 of the
Act in respect to premises situated at
290A Colombo Street
CHRISTCHURCH and trading as
“Kosco Sydenham”.

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE:

Chairman: G B Buchanan

ON THE PAPERS DECISION

- [1]. This is an application by **NZ Speed Performance Progame Limited** for an Off Licence in respect to premises situated at **290A Colombo Street CHRISTCHURCH** and trading as **“Kosco Sydenham”**.
- [2]. A previous decision by the Christchurch District Licensing Committee issued a licence for this grocery store. (Dec 60C(2016)1512). The applicant has since this decision decided to occupy the building adjacent and now seeks a rehearing to accommodate the new address.
- [3]. The Kosco is a grocery store and is part of a group of a new group of retail shops in Sydenham. Whilst it operates predominantly as a supermarket, it has a floor area less than 1000m² and so is considered to be a grocery store.
- [4]. This is a small store and the alcohol sales are only displayed for sale in a single fridge against one wall of the store. We are satisfied that the location of this fridge is not adjacent to the sales area and is not part of a direct route through the store.

Inspector's Report.

- [5]. According to the Alcohol Licensing Inspector's report the new premises is next door to the original one and there is otherwise no changes to the layout of the new store. The original store had yet to open.
- [6]. The applicant has not come to the attention of the agencies and is considered suitable to hold a licence.

Police and Medical Officer of Health.

- [7]. The Police and Medical Officer of Health have no objection to the granting of this licence.

The legislation

- [8]. Under the Sale and Supply of Alcohol Act 2012 the application for a new licence must be measured against a broader set of formulae as was the case under the previous, Sale of Liquor Act 1989.
- [9]. Section 116 of the Act sets out the relevant criteria to which we must have regard.
- [10]. When seeking an off licence of the kind applied for here, a grocery store, section 132(1)(b) applies. This states that 'the licensing authority or the licensing committee concerned **MUST** (my emphasis) impose any conditions subject to which it must issue a licence of that kind'; ...
- [11]. This in effect brings the application under sections 112, 113, 114 and 115 of the Act.
- [12]. These sections detail the compulsory conditions relating to display, promotion and advertising of alcohol in a single area in supermarkets and grocery stores.
- [13]. At section 112(1) the purpose of these conditions is set out,
112 Compulsory conditions relating to display and promotion of alcohol in single area in supermarkets and grocery stores
- [14]. The purpose of this section and sections 113 and 114 is to limit (so far as is reasonably practicable) the exposure of shoppers in supermarkets and grocery stores to displays and promotions of alcohol, and advertisements for alcohol.
- [15]. This section places the renewal application, and the conditions which must be applied to it, in context.

Decision and reasons

- [16]. As mentioned in the introduction the criteria when considering a licence is set out in sections 116 and 105 of the Act.
- [17]. There is no question as to the suitability of the applicant nor any other of the criteria with which I must have regard to in those sections.
- [18]. Any area designated as a single area must promote both the object of the Act and the purpose, or intention, of the condition as set out at section 112(1).
- [19]. The area as described by the applicant in their plan fits all the criteria. It is not in the area between the entrance and the main body of the premise and it is not in the area between the main body of the premises and the general point of sale.

Conclusion

- [20]. I am satisfied as to the matters to which I must have regard as set out in sections 112, 113, 114, 115, 116, 117, 105 and 106 of the Act and the licence is granted for a period of 1 year pursuant to s.130.:

[21]. The applicant's attention is drawn to s.259 of the Act which makes it an offence not to comply with certain requirements and restrictions imposed by or under this Act, specifically sections 46 to 63 and 231(1).

The applicant must comply with all conditions specified on the licence.

The licence will be subject to the following conditions:-

Compulsory Conditions – section 116(2)

- (a) No Alcohol may be sold or delivered on Good Friday, Easter Sunday, Christmas Day or before 1pm on ANZAC Day.

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

CORRIGENDUM DECISION ON THE PAPERS

[1] This is an application by **Toby James Eaton and Nicola Jane Collins** for a caterers On-licence in respect of premises situated at **349 Gardiners Road, Christchurch**, known as **Eaton Drink Co.**

[2] The general nature of the business is that of a Caterer On-licence.

[3] A Decision was issued by the Committee on the 6 August 2016 granting a 3 year renewal of a Caterer's On-licence. That was a mistake when in fact the applicant was seeking a new On-licence therefore the renewal period is only 1 year. This Decision corrects that mistake.

[4] The application was received by the Christchurch District Licensing Agency on 1 July 2016, therefore the criteria under s.131 of the Act will apply.

[5] No matters have been raised in opposition in any reports as required by s.103 accordingly we deal with the matter on the papers.

[6] No issues have been raised by the agencies in regards to s.105 of the Act.

[7] The application was duly advertised and no public objection or notice of desire to be heard has been received.

[8] I am satisfied as to the matters to which we must have regard as set out in s.105 and 106 of the Act and I grant the licence for a period of 1 year pursuant to s.104.

[9] The applicant's attention is drawn to s.259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under this Act. Specifically s.46 to 63 and 231(1).

[10] The applicant is reminded of the provisions in s.112 of the Sale and Supply of Alcohol Act 2012, concerning single-area sales and an expectation of this Committee that the applicant complies with those provisions at the time of next renewal.

[11] The applicant must comply with all conditions specified on a licence.

The licence will be subject to the following conditions:-

Compulsory conditions – section 110(2)

The following conditions are compulsory:

(a) Alcohol may only be sold the following days and during the following hours while carrying out the business of a Caterer:

Monday to Sunday 10.00 am to 2.00 am the following day

(c) Water will be freely available to customers on the premises while the premises are open for business.

Discretionary conditions – section 110(1)

(a) The following steps must be taken to ensure that the provisions of the Act relating to the sale of alcohol to prohibited persons are observed:

Display of appropriate signs adjacent to every point of sale, detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.

(b) The following steps must be taken to promote the responsible consumption of alcohol:

The licence must implement and maintain the steps proposed in their host responsibility policy aimed at promoting the reasonable consumption of alcohol.

Other restrictions and requirements

Section 51 – Non-alcoholic drinks to be available

Section 52 – Low alcoholic drinks to be available

Section 53 – Food to be available

Section 54 – Help with information about transport to be available

Section 214 – Manager to be on duty at all times and responsible for compliance

A copy of the licence setting out the conditions to which it is subject is attached to this decision. The licence shall be issued for 3 years.

THE LICENSED PREMISES

The premises are identified on the plan provided with the application for a licence.
