The general nature of the premise is that of a Hotel.

The licensee undertook to work with the Licensing Inspector to improve its alcohol management plan and to ensure sufficient training for all staff was in place.

The inspector has reported that the applicant appears to have rectified the problems from the past and now supports this application.

The applicant is reminded that having a licence to sell alcohol is a privilege and he must show the committee that he is suitable to hold a licence.

Mr Clark as a licensee must accept those burdens and control the sale and supply of liquor in a satisfactory manner, or he will not continue to enjoy the privilege. Either the licensee can manage the premises, and on-licence satisfactorily or he cannot.

The application was duly advertised and no public objection or notice of desire to be heard has been received.

DECISION ON THE PAPERS

This is an application by **Topkapi Turkish Kebab House (2007) Ltd** for an On-Licence in respect to the premises situated at **64 Manchester Street CHRISTCHURCH**, trading as **'Topkapi Bar & Restaurant.'**

The general nature of the premise is that of a Restaurant/Bar.

No matters have been raised in opposition in any reports, as required by section 129. Accordingly we deal with the matter on the papers.

The Alcohol Licensing Inspector has reported on the application and states that the premise is intended as a Restaurant and Bar and its principal purpose is the consumption of food. These premises have been previously licensed. It has been trading under the provisions of an On- Licence number **060/ON/28/2015**

The hours sought are from 11am till 3am the following day. This is consistent with other premises which operate as a Restaurant and bar in the central city.

These premises are located in a two story building in Manchester Street with other Restaurants close by. While its principal operation is as a restaurant, after 10pm its focus changes to that of a Bar. Tables are moved to make way for a dance floor and a D.J. plays music. This change in focus of the business also changes the type of customers that may be present. The change in designation recommended by the Inspector is appropriate to manage that risk. The applicant has operated the business in this manner for 12 months. During that time there was only one incident that was brought to the attention of the Police.

No issues have been raised by the agencies in regards to sections 105 or 106 of the Act.

The application was duly advertised and no public objection or notice of desire to be heard has been received.

I am satisfied as to the matters which we must have regard to as set out in s.105 and 106 of the Act and we grant the licence for a period **of 3 years** , pursuant to s.130.

The applicant's attention is drawn to s.259 of the Act which makes it an offence to fail to comply with certain requirements and restrictions imposed by or under this Act; specifically sections 46 to 63 and 231(1).

The applicant must comply with all conditions specified on the licence.

The licence will be subject to the following conditions:-

The licence may be issued on payment of the annual fee payable in accordance with regulation 15 of the Sale and Supply of Alcohol (fees) Regulations 2013.

Compulsory conditions – section 110 (2)

The following conditions are compulsory:

- (a) Alcohol may only be sold the following days and during the following hours when the premises are being operated as a Restaurant/Bar:

Monday to Sunday 11.00 am to 3.00 am the following day.

No alcohol is sold on or supplied on the premises on Good Friday, Easter Sunday or Christmas Day, or before 1 pm on Anzac Day to any person who is not on the premises to dine.

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairman: Mr G B Buchanan

DECISION ON THE PAPERS

This is an application by **On the Beach Ltd** for an On-Licence in respect to the premises situated at **25 Esplanade, CHRISTCHURCH**, trading as '**Beach Bar**'.

The general nature of the premise is that of a Restaurant.

No matters have been raised in opposition in any reports, as required by section 129. Accordingly we deal with the matter on the papers.

The Alcohol Licensing Inspector has reported on the application and states that the premise is intended as a Restaurant and its principal purpose is the consumption of food. These premises have been previously licensed. It had been trading under the provisions of an On- Licence number **060/ON/52/2008**.

A routine visit to the premises by the Police identified that the alcohol licence had expired on 27th of May 2015. The licensee failed to identify the expiration of the Licence and had continued to trade. It is usual for the Christchurch City Council Licensing section to inform licensed premises when their licence is about to expire. That did not happen this this instance. This in no way absolves the licensee from the responsibility to ensure that they are entitled to trade as detailed in their licence.

The premises have now applied for a new licence in order to be able to trade from their premises.

The premises has a maximum occupancy of 105.

The hours sought are from 8am till 1am the following day. This is consistent with other premises which operate as a Restaurant.

No issues have been raised by the agencies in regards to sections 105 or 106 of the Act.

The application was duly advertised and no public objection or notice of desire to be heard has been received.

A waiver is granted under section 208 of the Act in respect to the error in the publication of public notices. They were published with reference to the renewal of the licence. This is in fact a new licence as the previous licence had expired. We believe that this error does not affect the granting of the licence.

I am satisfied as to the matters which we must have regard to as set out in s.105 and 106 of the Act and we grant the licence for a period of **1 year** , pursuant to s.130.

The applicant's attention is drawn to s.259 of the Act which makes it an offence to fail to comply with certain requirements and restrictions imposed by or under this Act; specifically sections 46 to 63 and 231(1).

The applicant must comply with all conditions specified on the licence.

The licence will be subject to the following conditions:-

The licence may be issued on payment of the annual fee payable in accordance with regulation 15 of the Sale and Supply of Alcohol (fees) Regulations 2013.

Compulsory conditions – section 110 (2)

The following conditions are compulsory:

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairman: Mr G B Buchanan

DECISION ON THE PAPERS

This is an application by Battersea Investments Limited for an On-Licence in respect to the premises situated at 54 Battersea Street CHRISTCHURCH, trading as 'Club Tavern'.

The general nature of the premise is that of a Tavern. The Tavern is located in the Sydenham shopping area at the corner of Colombo and Battersea Streets. There is little residential housing in the surrounding area.

These premises have been recently sold. A Temporary Authority has been in place while the substantive licence was prepared and applied for.

The application was initially opposed by all reporting agencies due to concerns regarding the suitability of the director of the applicant company.

The test of suitability to hold a licence is high. The receipt of an alcohol Licence is not a right.

JM Clark LLA 1169/99

' A liquor licence is a privilege. It may colloquially be regarded as a 'package deal'. Both the burden and the benefit runs with the licence. Mr Clark as a licensee must accept those burdens and control the sale and supply of liquor in a satisfactory manner, or he will not continue to enjoy the privilege. Either the licensee can manage the premises, and on-licence satisfactorily or he cannot."

The applicant has now appointed two suitable persons as Managers and as Directors of the Company. The applicant has stated that he will not be involved in the day to day running of the business.

The two appointed managers have considerable experience in the industry and have had several discussions with the agencies regarding the operation of the licence. These premises have had several issues in the past concerning excessive noise and patron behaviour.

No matters have been raised in opposition in any reports, as required by section 129. Accordingly we deal with the matter on the papers.

The Alcohol Licensing Inspector has reported on the application and states that the premise is intended as a Tavern and its principal purpose is the consumption of alcohol. These premises have been previously licensed. It has been trading under the provisions of a Temporary Licence with the On-Licence number **060/ON/100/2014**

It has a maximum occupancy of 100.

The hours sought are from 8am till 3am the following day. This is consistent with other premises which operate as a Tavern in Christchurch.

No issues have been raised by the agencies in regards to sections 105 or 106 of the Act.

The application was duly advertised and no public objection or notice of desire to be heard has been received.

A waiver is granted under section 208 of the Act in respect to the error in the publication of public notices. They were published outside the timeline specified in the Act. We believe that this error does not affect the granting of the licence.

I am satisfied as to the matters which we must have regard to as set out in s.105 and 106 of the Act and we grant the licence for a period of **1 year** , pursuant to s.130.

The applicant's attention is drawn to s.259 of the Act which makes it an offence to fail to comply with certain requirements and restrictions imposed by or under this Act; specifically sections 46 to 63 and 231(1).

It has recently obtained a lease for the footpath in front of the building. It now seeks to include this area in its licence area. Because of recent changes to redirect traffic flows in this area, the road in front of the footpath is now a low traffic area.

DECISION ON THE PAPERS

This is an application by **On the Beach Ltd** for an On-Licence in respect to the premises situated at **25 Esplanade, CHRISTCHURCH**, trading as '**Beach Bar**'.

The general nature of the premise is that of a Restaurant.

No matters have been raised in opposition in any reports, as required by section 129. Accordingly we deal with the matter on the papers.

The Alcohol Licensing Inspector has reported on the application and states that the premise is intended as a Restaurant and its principal purpose is the consumption of food. These premises have been previously licensed. It had been trading under the provisions of an On- Licence number **060/ON/52/2008**.

A routine visit to the premises by the Police identified that the alcohol licence had expired on 27th of May 2015. The licensee failed to identify the expiration of the Licence and had continued to trade. It is usual for the Christchurch City Council Licensing section to inform licensed premises when their licence is about to expire. That did not happen this this instance. This in no way absolves the licensee from the responsibility to ensure that they are entitled to trade as detailed in their licence.

The premises have now applied for a new licence in order to be able to trade from their premises.

The premises has a maximum occupancy of 105.

The hours sought are from 8am till 1am the following day. This is consistent with other premises which operate as a Restaurant.

No issues have been raised by the agencies in regards to sections 105 or 106 of the Act.

The application was duly advertised and no public objection or notice of desire to be heard has been received.

A waiver is granted under section 208 of the Act in respect to the error in the publication of public notices. They were published with reference to the renewal of the licence. This is in fact a new licence as the previous licence had expired. We believe that this error does not affect the granting of the licence.

I am satisfied as to the matters which we must have regard to as set out in s.105 and 106 of the Act and we grant the licence for a period of **1 year** , pursuant to s.130.

The applicant's attention is drawn to s.259 of the Act which makes it an offence to fail to comply with certain requirements and restrictions imposed by or under this Act; specifically sections 46 to 63 and 231(1).

The applicant must comply with all conditions specified on the licence.

The licence will be subject to the following conditions:-

The licence may be issued on payment of the annual fee payable in accordance with regulation 15 of the Sale and Supply of Alcohol (fees) Regulations 2013.

Compulsory conditions – section 110 (2)

The following conditions are compulsory:

(a) Alcohol may only be sold the following days and during the following hours:

Monday to Sunday 8 am to 1am the following day.

No alcohol is sold on or supplied on the premises on Good Friday, Easter Sunday or Christmas Day, or before 1 pm on Anzac Day to any person who is not on the premises to dine; and

(b) water will be freely available to customers on the premises while the premises are open for business.

Discretionary conditions – section 110 (1)

(a) the following steps must be taken to ensure that the provisions of the Act relating to the sale of alcohol to prohibited persons are observed:

- Display of appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.
- (b) the following steps must be taken to ensure that the provisions of the Act relating to the management of the premises concerned are observed:
- Alcohol must only be sold, supplied and consumed within the area marked on the plan submitted with the application.
- (c) the following steps must be taken to promote the responsible consumption of alcohol:

This is an application by Battersea Investments Limited for an On-Licence in respect to the premises situated at 54 Battersea Street CHRISTCHURCH, trading as 'Club Tavern'.

The general nature of the premise is that of a Tavern. The Tavern is located in the Sydenham shopping area at the corner of Colombo and Battersea Streets. There is little residential housing in the surrounding area.

These premises have been recently sold. A Temporary Authority has been in place while the substantive licence was prepared and applied for.

The application was initially opposed by all reporting agencies due to concerns regarding the suitability of the director of the applicant company.

The test of suitability to hold a licence is high. The receipt of an alcohol Licence is not a right.

JM Clark LLA 1169/99

' A liquor licence is a privilege. It may colloquially be regarded as a 'package deal'. Both the burden and the benefit runs with the licence. Mr Clark as a licensee must accept those burdens and control the sale and supply of liquor in a satisfactory manner, or he will not continue to enjoy the privilege. Either the licensee can manage the premises, and on-licence satisfactorily or he cannot."

The applicant has now appointed two suitable persons as Managers and as Directors of the Company. The applicant has stated that he will not be involved in the day to day running of the business.

The two appointed managers have considerable experience in the industry and have had several discussions with the agencies regarding the operation of the licence. These premises have had several issues in the past concerning excessive noise and patron behaviour.

No matters have been raised in opposition in any reports, as required by section 129. Accordingly we deal with the matter on the papers.

The Alcohol Licensing Inspector has reported on the application and states that the premise is intended as a Tavern and its principal purpose is the consumption of alcohol. These premises have been previously licensed. It has been trading under the provisions of a Temporary Licence with the On-Licence number **060/ON/100/2014**

It has a maximum occupancy of 100.

The hours sought are from 8am till 3am the following day. This is consistent with other premises which operate as a Tavern in Christchurch.

No issues have been raised by the agencies in regards to sections 105 or 106 of the Act.

The application was duly advertised and no public objection or notice of desire to be heard has been received.

A waiver is granted under section 208 of the Act in respect to the error in the publication of public notices. They were published outside the timeline specified in the Act. We believe that this error does not affect the granting of the licence.

I am satisfied as to the matters which we must have regard to as set out in s.105 and 106 of the Act and we grant the licence for a period of **1 year** , pursuant to s.130.

The applicant's attention is drawn to s.259 of the Act which makes it an offence to fail to comply with certain requirements and restrictions imposed by or under this Act; specifically sections 46 to 63 and 231(1).

The applicant must comply with all conditions specified on the licence.

The licence will be subject to the following conditions:-

The licence may be issued on payment of the annual fee payable in accordance with regulation 15 of the Sale and Supply of Alcohol (fees) Regulations 2013.

Compulsory conditions – section 110 (2)

The following conditions are compulsory:

- (a) Alcohol may only be sold the following days and during the following hours when the premises are being operated as a Tavern:

Monday to Sunday 8 am to 3am the following day.

No alcohol is sold on or supplied on the premises on Good Friday, Easter Sunday or Christmas Day, or before 1 pm on Anzac Day to any person who is not present on the premises to dine; and

AND

IN THE MATTER

of an application by **J & K 2010 Limited** for an Off Licence pursuant to s.99 of the Act in respect to premises situated at **195 Marshland Road CHRISTCHURCH** and trading as "**Kosco Shirley**".

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE:

Chairman: G B Buchanan

ON THE PAPERS DECISION

1. This is an application by **J & K 2010 Limited** for an Off Licence in respect to premises situated at **195 Marshland Road CHRISTCHURCH** and trading as "**Kosco Shirley**".
2. The premises have previously been licensed. This, however, is a new application as a new company now holds the ownership of the business and operates Kosco Shirley.
3. The Kosco Shirley is a grocery store and is part of a group of retail shops in Shirley. Whilst it operates predominantly as a supermarket, it has a floor area less than 1000m² and so is considered to be a grocery store. We also note that alcohol sales account for only 2% of overall sales.
4. This is a small store and the alcohol sales are only displayed for sale in a single fridge against one wall of the store. We are satisfied that the location of this fridge is not adjacent to the sales area and is not part of a direct route through the store.

Inspector's Report.

5. According to the Alcohol Licensing Inspector's report the premises has traded for several years in its current location.
6. The applicant has not come to the attention of the agencies and is considered suitable to hold a licence.
7. The Inspector reported no issues with the design and layout of the premises, and she outlined in her report her understanding of the requirements of the Act in relation to the application of sections 112 to 115.

Police and Medical Officer of Health.

8. The Police and Medical Officer of Health have no objection to the granting of this licence.

The legislation

9. Under the Sale and Supply of Alcohol Act 2012 the application for a new licence must be measured against a broader set of formulae as was the case under the previous, Sale of Liquor Act 1989.
10. Section 116 of the Act sets out the relevant criteria to which we must have regard.
11. When seeking an off licence of the kind applied for here, a grocery store, section 132(1)(b) applies. This states that 'the licensing authority or the licensing committee concerned **MUST** (my emphasis) impose any conditions subject to which it must issue a licence of that kind'; ...
12. This in effect brings the application under sections 112, 113, 114 and 115 of the Act.
13. These sections detail the compulsory conditions relating to display, promotion and advertising of alcohol in a single area in supermarkets and grocery stores.

14. At section 112(1) the purpose of these conditions is set out,

s.112 Compulsory conditions relating to display and promotion of alcohol in single area in supermarkets and grocery stores

The purpose of this section and sections 113 and 114 is to limit (so far as is reasonably practicable) the exposure of shoppers in supermarkets and grocery stores to displays and promotions of alcohol, and advertisements for alcohol.

15. This section places the renewal application, and the conditions which must be applied to it, in context.

Decision and reasons

16. As mentioned in the introduction the criteria when considering a licence are set out in sections 116 and 105 of the Act.

17. There is no question as to the suitability of the applicant nor any other of the criteria with which I must have regard to in those sections.

18. Any area designated as a single area must promote both the object of the Act and the purpose, or intention, of the condition as set out at section 112(1).

19. The area as described by the applicant in their plan fits all the criteria. It is not in the area between the entrance and the main body of the premise and it is not in the area between the main body of the premises and the general point of sale.

Conclusion

20. I am are satisfied as to the matters to which I must have regard as set out in sections 112, 113, 114, 115, 116, 117, 105 and 106 of the Act and the licence is granted for a period of 1 year pursuant to s.130.:

21. The applicant's attention is drawn to s.259 of the Act which makes it an offence not to comply with certain requirements and restrictions imposed by or under this Act, specifically sections 46 to 63 and 231(1).

The applicant must comply with all conditions specified on the licence.

The licence will be subject to the following conditions:-

Compulsory Conditions – section 116(2)

The following conditions are compulsory:

No Alcohol may be sold or delivered on Good Friday, Easter Sunday, Christmas Day or before 1pm on ANZAC Day.

(a) Alcohol may only be sold or delivered on the following days and during the following hours

Act 2012

AND

IN THE MATTER

of an application by **J & K 2010
Limited** for an Off Licence
pursuant to s.99 of the Act in
respect to premises situated at
**195 Marshland Road
CHRISTCHURCH** and trading as
“Kosco Shirley”.

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE:

Chairman: G B Buchanan

ON THE PAPERS DECISION

1. This is an application by **J & K 2010 Limited** for an Off Licence in respect to premises situated at **195 Marshland Road CHRISTCHURCH** and trading as **“Kosco Shirley”**.
2. The premises have previously been licensed. This, however, is a new application as a new company now holds the ownership of the business and operates Kosco Shirley.
3. The Kosco Shirley is a grocery store and is part of a group of retail shops in Shirley. Whilst it operates predominantly as a supermarket, it has a floor area less than 1000m² and so is considered to be a grocery store. We also note that alcohol sales account for only 2% of overall sales.
4. This is a small store and the alcohol sales are only displayed for sale in a single fridge against one wall of the store. We are satisfied that the location of this fridge is not adjacent to the sales area and is not part of a direct route through the store.

Inspector's Report.

5. According to the Alcohol Licensing Inspector's report the premises has traded for several years in its current location.
6. The applicant has not come to the attention of the agencies and is considered suitable to hold a licence.
7. The Inspector reported no issues with the design and layout of the premises, and she outlined in her report her understanding of the requirements of the Act in relation to the application of sections 112 to 115.

Police and Medical Officer of Health.

8. The Police and Medical Officer of Health have no objection to the granting of this licence.

The legislation

9. Under the Sale and Supply of Alcohol Act 2012 the application for a new licence must be measured against a broader set of formulae as was the case under the previous, Sale of Liquor Act 1989.
10. Section 116 of the Act sets out the relevant criteria to which we must have regard.
11. When seeking an off licence of the kind applied for here, a grocery store, section 132(1)(b) applies. This states that 'the licensing authority or the licensing committee concerned **MUST** (my emphasis) impose any conditions subject to which it must issue a licence of that kind'; ...
12. This in effect brings the application under sections 112, 113, 114 and 115 of the Act.
13. These sections detail the compulsory conditions relating to display, promotion and advertising of alcohol in a single area in supermarkets and grocery stores.

14. At section 112(1) the purpose of these conditions is set out,

s.112 Compulsory conditions relating to display and promotion of alcohol in single area in supermarkets and grocery stores

The purpose of this section and sections 113 and 114 is to limit (so far as is reasonably practicable) the exposure of shoppers in supermarkets and grocery stores to displays and promotions of alcohol, and advertisements for alcohol.

15. This section places the renewal application, and the conditions which must be applied to it, in context.

Decision and reasons

16. As mentioned in the introduction the criteria when considering a licence are set out in sections 116 and 105 of the Act.

17. There is no question as to the suitability of the applicant nor any other of the criteria with which I must have regard to in those sections.

18. Any area designated as a single area must promote both the object of the Act and the purpose, or intention, of the condition as set out at section 112(1).

19. The area as described by the applicant in their plan fits all the criteria. It is not in the area between the entrance and the main body of the premise and it is not in the area between the main body of the premises and the general point of sale.

Conclusion

20. I am are satisfied as to the matters to which I must have regard as set out in sections 112, 113, 114, 115, 116, 117, 105 and 106 of the Act and the licence is granted for a period of 1 year pursuant to s.130.:

21. The applicant's attention is drawn to s.259 of the Act which makes it an offence not to comply with certain requirements and restrictions imposed by or under this Act, specifically sections 46 to 63 and 231(1).

The applicant must comply with all conditions specified on the licence.

The licence will be subject to the following conditions:-

Compulsory Conditions – section 116(2)

The following conditions are compulsory:

No Alcohol may be sold or delivered on Good Friday, Easter Sunday, Christmas Day or before 1pm on ANZAC Day.
