DECISION ON THE PAPERS

This is an application Tulla Property Pty Limited for a Temporary Authority in respect of premises situated at 273 Manchester Street, CHRISTCHURCH, trading as 'Urbanz '.

The general nature of the premise is that of a Hotel.

A sale and purchase agreement has been supplied with the original application.

The granting of a Temporary Authority is governed by section 136 of The Act and outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding 3 months.

The applicant fulfils the criteria for the granting of an authority as set out in the Act.

There is no opposition from the Licensing Inspector or the Police.

We are satisfied as to the matters we must have regard to, as set out in section 136 of the Act.

The applicant's attention is drawn to section 136(5) of The Act where it states that they carry "the same duties, obligations, and liabilities as the holder of the on-license" and also to section 110(2) (C) of The Act in relation to the condition of the license that "drinking water is to be freely available to customers while the premises are open for business".

The granting of Temporary Authorities is based on the premise that they are 'Temporary' and are a vehicle to allow the applicant time to apply for a permanent licence. The applicant should be aware that it is the opinion of this Committee that a substantive licence application should be submitted to the Committee within six weeks. If there are legitimate reasons for a delay then the time may be extended but the question of suitability could be raised if an application is not submitted in a timely fashion

DECISION 'ON THE PAPERS'

- [1] The application is for a series of events which are described as 'cultural evenings'. The applicant has sought a licence to cover scheduled events to take place every Sunday from the 11th of September 2016 to the 11th of December 2016, excluding the 23rd of October and the 13th of November 2016.
- [2] The events are common in they are held at the same venue and are all described as 'Irish Cultural Events' and are for 'club members.'
- [3] Police opposed the application, stating in their report,

"The applicant has been regularly applying for multiple special licences for events that occur on almost every Sunday in the calendar year. This practice has been continuing for approximately three years.

While the tri-agencies are not aware of any alcohol related harm originating from any of those successful applications, all agencies agree that the applicant should apply for a (club) licence, Police believe this has been suggested to the applicant on several occasions in the past...

To Clarify, Police are not opposed to the issue of special licences for 11, 18, and 25 September, 2,9,16, and 30 October 2016. Police are at this time opposed to any special licences applied for after October 2016".

- [4] In her report the Alcohol Licensing Inspector outlined that she had no concerns regarding the suitability of the applicant or the manner in which alcohol will be sold and supplied based on the information which she was provided in the application and the enquiries that she has made. Her report also stated;

"I therefore recommend that this series of special licences be granted for the dates to 1 November 2016 and a decision on the remainder of the events be adjourned for the applicant to make an application for a club licence no later than 1 November 2016. The Inspector will provide a supplementary report no later than 2 November 2016".

[5] The Medical Officer of Health raised no opposition in their report. As both the Inspector and the Police have reported conditionally supporting the application, and the applicant appears to support this arrangement, I shall deal with the matter on the papers.

[6] In regards to any decision regarding the merits of continuing with granting special licences past October 2016 and the issue of a club licence they are matters for the future.

[7] In regards to this application for a series of events to take place from the 11th of September until the 30th of October 2016:

Entertainment is by way of 'folk bands and various musicians'.

These events have taken place for some time now and there have been no reported issues.

[8] A waiver is sought in relation to section 213(2) of the Act to allow the premises to run without a qualified duty manager overseeing the sale of alcohol. The waiver is granted and the responsible persons shall be Kieran McErlain.

[9] The Inspector reports that Mr McErlain has attended an LCQ course and will apply for his manager's certificate.

[10] I am satisfied as to the matters to which I must have regard as set out in s.142 of the Act and I grant the applicant a special licence pursuant to s.104(1) for the events from 11 September 2016 to 1 November 2016.

[11] The decision regarding those events from 1 November 2016 to 11 December 2016 is adjourned until a supplementary report by the Inspector is received by the Committee no later than 2 November 2016.

[12] The applicant's attention is drawn to s.259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under this Act specifically sections 46 to 63.

[13] The applicant must comply with all conditions specified on a licence.

The licence will be subject to the following conditions:-

Compulsory conditions – section 147(3)

The following conditions are compulsory:

(a) Alcohol may only be sold under the licence only on the following days and during the following hours:

IN THE MATTER of **Little River Hotel Limited** and application pursuant to s.136 of the Act for the granting of a Temporary Authority relating to the premises at **4099 Christchurch Akaroa Road, Little River**, known as **Little River Hotel**.

BEFORE THE CHRISTCHURCH CITY COUNCIL DISTRICT LICENSING COMMITTEE

Chairperson: Mr PR Rogers
Members: Messrs A Lawn and G Buchanan

DECISION 'ON THE PAPERS'

[1] This is an application by **Little River Hotel Limited** for a Temporary Authority for an On and Off-licence made under section 136 of the Act in respect of premises known as **Little River Hotel**, located at **4099 Christchurch Akaroa Road, Little River**, and trading under On-licence 060/ON/117/2014 and Off-licence number 060/OFF/42/2014. The licence being current until 14 June 2017.

[2] The granting of a Temporary Authority is governed by s.136 of The Act and outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding 3 months.

[3] The Inspector's report confirms that the applicant has tenure for the premises.

[4] There is no opposition from the Licensing Inspector or the Police.

[5] The business trades as a tavern and bottle store.

[6] We are satisfied as to the matters we must have regards to, as set out in section 136 of The Act. We therefore grant the Temporary Authority and it can be issued immediately for a 3 month period or until determined by the Christchurch District Licensing Committee.

[7] The granting of Temporary Authorities is based on the principal that they are 'Temporary' and are a vehicle to allow the applicant time to apply for a permanent licence.

[8] The applicant should be aware that if in the opinion of this Committee that a substantive licence application should have been submitted to the Committee within six weeks and there are no legitimate reasons for a delay, then the time may be extended but the question of suitability could be raised if an application is not submitted in a timely fashion.

[8] The applicant's attention is drawn to s.136(5) of the Act where it states that they carry "the same duties, obligations, and liabilities as the holder of the On-licence and also to s.110(2)(c) of the Act in relation to the condition of the licence that "drinking water is to be freely available to customers while the premises are open for business".

DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairman: Mr A J Lawn.

DECISION 'ON THE PAPERS'

- [1] This application is for an On and Off-site special licence in relation to the Christchurch A & P Show which will be held at Canterbury Park A & P Showgrounds between 9 and 11 November 2016, inclusive. It is anticipated that approximately 100,000 people will attend over the course of the event.
- [2] No matters have been raised in opposition in any reports as required by section 141(1), accordingly I deal with the matter on the papers.
- [3] The applicant is selling their own wine and therefore qualifies under section 42 of the Act to hold an off-site special licence. Small 'tastings' will be provided at one stall and wine will be sold for consumption on the premises at another stall.
- [4] The applicant is experienced in the sale and supply of alcohol at like events, the Alcohol Licensing Inspector has no concerns.
- [5] The event is advertised as a family day and as such it is not anticipated that there will be issues. The event has been run by the same people for many years with few issues.
- [6] Food will be available from a range of stalls. Water and non-alcoholic beverages will be available onsite. Qualified managers will be onsite to oversee the sale and supply of alcohol.
- [7] I am satisfied as to the matters to which I must have regard as set out in s.142 of the Act and I grant the applicant a special licence pursuant to s.104(1).
- [8] The applicant's attention is drawn to s.259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under this Act, specifically sections 46 to 63.

[9]The applicant must comply with all conditions specified on a licence.

The licence will be subject to the following conditions:-

Compulsory conditions – section 147(3)

The following conditions are compulsory:

(a) Alcohol may only be sold under the licence only on the following days and during the following hours:

Wednesday 9 November to Friday 11 November 2016 (inclusive) from 8.30am to 5.30pm on each day.

(b) Drinking water will be freely available on the premises as specified in the application:

Discretionary conditions – section 147(1)

(a) The licence holder must display appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.

(b) Food must be available for consumption on the premises as specified in the application.

(c) Low-alcohol beverages must be available for sale and supply on the premises as specified in the application.

(d) Non-alcohol beverages must be available for sale and supply on the premises as specified in the application.

(e) The licensee must provide assistance with or information about alternative forms of transport from the premises as specified in the application.

(h) Alcohol must only be sold, supplied or consumed within the area marked on the plan submitted with the application.

(i) Only the following kind or kinds of alcohol may be sold for take home consumption: The applicants own wine.

The licence is also subject to the following conditions, which in the committee's opinion are not inconsistent with the Act:

Noise should be controlled so as not to disturb neighbouring residents.

A copy of the licence setting out the conditions to which it is subject is attached to this decision.

THE LICENSED PREMISES

The premises are identified on the plan provided with the application for a licence.

IN THE MATTER

of an application by **UNIVERSITY OF CANTERBURY ENGINEERING SOCIETY** for an On-site special licence pursuant to s.138 of the Act in respect of premises situated at **106 Waimairi Road, Christchurch** known as the **Canterbury University Rugby Football Clubrooms**.

DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairman: Mr A J Lawn.

DECISION 'ON THE PAPERS'

This application seeks a licence to allow the sale of alcohol during a social event run by the applicant. The event is a BBQ for members of the society.

The event is proposed to take place at the 'University of Canterbury Rugby Football Clubrooms and the surrounding carpark on Friday 30 September 2016 from 3.00pm to 5.00pm. The BBQ is a 2-3 hour social event where students arrive in a dress up theme and a band plays. Alcohol is included in the ticket price. Professional security are in attendance.

Originally the New Zealand Police opposed the application until a meeting with the organisers could be held with the applicant. A meeting was held between the agencies and the applicant and during the meeting the duration of the event was discussed. The applicant has reduced the duration stating it was a mistake in the application to seek a 30 minute extension on last year's event.

The Police have now withdrawn their opposition and the agencies are now satisfied that the applicant has the systems in place to comply with the Act.

As there are no reports in opposition in any reports as required by section 141(1), I deal with the matter on the papers.

Having said that there are now no reports in opposition I turn to the reports of the representative of the Medical Officer of Health, who reported no opposition in her

original report but subsequently sent a supplementary report to the Committee on the 22nd of September 2016.

The report raised concerns regarding the running of the recent 'Roundie 500' (an event organised by the same applicant as this application). The report included *"Whilst I am aware that this special licence event is a static event, I would like to draw the committee's attention to my concerns regarding the potential for this event to escalate should the organisers not manage the event as outlined in their comprehensive management plan"*.

The Alcohol Licensing Inspector, in his report, stated *"I am aware of the problems with the "Roundie 500" that was held recently in Canterbury and agree the behaviour of the students was unacceptable and very disappointing given the support from the reporting agencies to help them get it right. I do not believe the 'Roundie 500' should be allowed to occur again. A special licence was not required for this event.*

Regarding this application, I still believe it is better for these types of events to occur on University grounds by way of a special licence than on private property without a licence. However the applicants have been warned of the high standards we expect at this BBQ and that the event will be monitored... Further special licences for ENSOC BBQ's will be opposed if monitoring agencies are not happy with how this event is run."

Given the comments of all three agencies and the concerns that have been raised regarding the behaviour of the attendees and ability of the management of these events to run the event well, the applicant needs to realise that the ongoing support of the agencies may well be in doubt if they do not live up to the standard as set out in the comprehensive Alcohol Management Plan.

The committee supports the agencies and puts the applicant on notice that its suitability in any subsequent application will inevitably be judged not only on the management of the event but also the behaviour of its members at this and other associated events.

The applicant has the opportunity to help uphold the intention and object of this Act by managing their events well. To allow its members to perpetuate the ongoing binge drinking culture is not acceptable and they have both a social and legal responsibility to be part of positive culture change in relation to the consumption of alcohol.

I did give thought to requiring a public hearing into this matter, under the authority of s. 202(1) of the Act, given the comments of the reporting agencies and the need to make it abundantly clear to the applicant that the granting of a licence is not a forgone conclusion, nor is it a right, but it is a privilege granted to those who are deemed suitable and responsible enough to uphold their obligations under the Act. I also gave thought to placing far greater restrictive conditions on the licence such as low strength alcohol only and a greater supply of food but will leave the agencies to look at these if their concerns are realised. I have decided by a very narrow margin to deal with this matter 'on the papers'.

The applicants must now realise that even without opposition from the agencies any future application may be heard at a public hearing where they will be required to prove

that they are a suitable applicant to be issued a special licence and where the application may be refused or more restrictive conditions placed on a licence.

A qualified manager will oversee the supply of alcohol. Food and entertainment will be provided.

It is expected that approximately 800 people will attend the event.

A restricted designation is sought and shall apply. Patrons shall only be supplied with one drink at a time.

An 'Alcohol management Plan' has been submitted with the application and this is to be read as undertakings and conditions of the licence.

I am satisfied as to the matters to which I must have regard as set out in s.142 of the Act and I grant the applicant a special licence pursuant to s.104(1).

The applicant's attention is drawn to s.259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under this Act. Specifically sections 46 to 63.

The applicant must comply with all conditions specified on a licence.

The licence will be subject to the following conditions:-

Compulsory conditions – section 147(3)

The following conditions are compulsory:

- (a) Alcohol may only be sold under the licence only on the following days and during the following hours:

Friday 30 September 2016 from 3.00pm to 5.00pm.

- (b) Drinking water will be freely available on the premises as specified in the application:

- (d) Non-alcohol beverages must be available for sale and supply on the premises as specified in the application.
- (e) The licensee must provide assistance with or information about alternative forms of transport from the premises as specified in the application.

DECISION 'ON THE PAPERS'

[1] This is an application by **Big Daddy's Limited** for a Temporary Authority for an Off-licence made under section 136 of the Act in respect of premises known as **Harringtons Brewery, Shirley**, located at **203 Hills Road, Christchurch**, and trading under Off-licence number 060/OFF/74/2015. The licence being current until 26 August 2018.

[2] The granting of a Temporary Authority is governed by s.136 of The Act and outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding 3 months.

[3] The Inspector's report confirms that the applicant has tenure for the premises.

[4] There is no opposition from the Licensing Inspector or the Police.

[5] The business trades as a tavern and bottle store.

[6] We are satisfied as to the matters we must have regards to, as set out in section 136 of The Act. We therefore grant the Temporary Authority and it can be issued immediately for a 3 month period or until determined by the Christchurch District Licensing Committee.

[7] The granting of Temporary Authorities is based on the principle that they are 'Temporary' and are a vehicle to allow the applicant time to apply for a permanent licence.

[8] The applicant should be aware that it is the opinion of this Committee that a substantive licence application should have been submitted to the Committee within six weeks and that where there are no legitimate reasons for a delay, then the time may be extended, but the question of suitability could be raised if an application is not submitted in a timely fashion.

[8] The applicant's attention is drawn to s.136(5) of the Act where it states that they carry "the same duties, obligations, and liabilities as the holder of the On-licence and also to s.110(2)(c) of the Act in relation to the condition of the licence that "drinking water is to be freely available to customers while the premises are open for business".
